DECLARES INNOCENCE.

Collins Sticks to it That He Did Not Murder Miss McAulay--Prisoner Taken to Albert.

St. John, Aug. 30.—(Special)—Thomas Francis Collins was taken by Sheriff Lynds to Albert County on the C. P. R. train today, and probably week after next, he will be called upon to answer the charge of murdering Mary McAulay, at New Ireland, on Sunday, the 19th inst. Before ten o'clock this morning, Rev. Father McAulay and Sheriff Lynds, who arrived in the city yesterday afternoon, visited the Central station and were immediately escorted by Chief Clark, into his office, where no one but the authorities are permitted to enter.

The Chief and Sheriff, after a brief talk, went before Judge Ritchie, and His Honor endorsed the warrant which Sheriff Lynds had for the apprehension of Collins.

At 10.10 a. m. Father McAulay accompanied by Chief Clark went to the cell where the suspected man was confined. When Father McAulay went down to the cell, he stood a few feet from it and addressed Collins, who stood up in his cell and the priest visited him.

Father McAulay asked the suspect many questions and argued with him on several points as to where he was and what he did at the house, during the priest's absence.

Collins told the priest that he was entirely innocent of the crime, with which he is charged.

The prisoner admitted to the priest that he was at Father McAulay's house on Monday morning the 20th inst., but stated that he knew nothing about the murder until informed by Detective Killen.

In the prosecution of Thomas Collins, the New Ireland murder suspect, says the Telegraph, the stain found on the wet undergarment in his valise may be made an important point. The crown proposes to have the stain analyzed, for there is suspicion that is blood, and if such surmise is proved by analysis to be correct it will have an important effect from the standpoint of the prosecution.

Another matter to which there is

attached some significance is the fact that no shirt of the same quality as the other garment was found. There were shirts in the valise but all were of first class material and much too large for a man of Collins' stature.

Rev. Father McAulay and Sheriff E. W. Lynds arrived in St. John on the Point du Chene train at 5 o'clock yesterday afternoon.

Sheriff Lynds, in discussing the tragedy last evening said that the warrant, which he has placed in the hands of the attorney general, was issued by Stipendiary Magistrate Stuart of Rivers de, Albert County.

"I heard today," remarked the Sheriff, "that there is a man in Albert County who says that on Monday following the murder he gave a man answering to Collins' description a ride from Little River into Elgin and that he was given \$2 by way of payment."

The Sheriff went on to say that interest in the case, particularly in Albert County, remains very great. It was the first capital crime in many years and the first since the Sheriff commenced to hold office.

"I shall take Collins to Albert," he remarked, "and there will be a preliminary examination will take place in Hopewell Cape, the shiretown."

In mentioning the published report to the effect that at one time the New Ireland rectory had been entered by thieves, Sheriff Lynds said that such a report was quite correct and that it is known who those responsible for the offence are. But he did not see any connection between the petty robbery and the murder.

Rev. Father McAulay, it has been learned, has been living at the rectory in New Ireland since the tragedy, and as housekeeper he has a relative, Mrs. Morris of Harvey, while a parishioner also makes his home there now.

Collins remains outwardly undisturbed. With the exception of the tea, he seems to relish his meals. Yesterday, for the first time since his arrest, he inquired if Father McAulay and Sheriff Lynds had arrived.

THE END OF IT.

White Charged With Embezzling From Dominion Express Co.—Released on His Own Recognizance.

St. John, Aug. 30.—(Special)—The case of the Dominion Express Company against Harry B. White which was to have come up for trial at the present sitting of the county court has been dismissed and bondsmen released.

Attorney General Pugsley stated that he had given instructions as the case developed and White was allowed his freedom on his own recognizance to appear if necessary at any time.

To all intents and purposes White is however free, as it is not considered probable that the case will ever be brought up again.

The attorney general said he viewed the evidence, as submitted in view of fact that jury disagreed, it being unnecessary to take it up again.

So ends a case that for a few months created intense interest among the people of this city.

White was charged by the Dominion Express Company in March last with defrauding them of \$5,000. The case was heard in the police court, and afterwards in the county court, before Judge Forbes. On June 4th, the jury failed to agree, after being out 2 hours. White was released on his recognizance with two securities, T. A. Linton and Hon. H. A. McKeown, \$1,000 each.

The Express Company charged that White had forged certain money orders, and appropriated the funds for his own use.

hay, but as Anna was given her liberty, his honor after a warning, released them on suspended sentence. Anna declared in court, her desire to live with her adopted mother.

Montreal, Aug. 30.—(Special)—The stock market was quieter today with a decrease in C. P. R. activity.

It, however, was still strong, and went fractionally higher to 179 1/2, but the volume of trading fell off some. Illinois, pfd., changed hands at 94, and the balance of the dealings were less important, consisting of:

PRISONER ACQUITTED.

St. John, Aug. 30.—(Special)—The grand jury in the county court this morning acquitted William Hantry on the charge of indecent assault on a little girl named Baker.

Judge Forbes dismissed the prisoner, but, in doing so, told him that if he had been found guilty, he would have sentenced him to twenty lashes on his bare back.

The jury found a true bill against Joseph O'Brien, charged with theft.

The twentieth annual convention of the Grand Lodge Knights of Pythias of the Maritime provinces was brought to a close at St. John Wednesday afternoon.

The visit of the supreme chancellor and other prominent Pythians who delivered stirring addresses will no doubt be the means of enlivening the lodge and an impetus to the growth of Pythianism in this domain is expected.

The election of officers resulted as follows:—Grand Chancellor—F. A. Marr, of Halifax, (N. S.)

G. V. C.—A. J. Tingley, of Moncton, (N. B.)

G. P.—S. A. McDonald, of Charlottetown, (P. E. I.)

NEWS OF THE CAPITAL.

Hon. A. S. White and Attorney General Drysdale of N. S. Mentioned for Supreme Court Bench—Mr. Emmerson Returning to N. B.

Ottawa, Aug. 30.—(Special)—Hon. A. S. White of Sussex, at one time attorney general of the New Brunswick government, is said to be a favorite for the vacancy on the supreme court bench of Canada.

Hon. Mr. Drysdale, attorney general is another candidate for the position, from Nova Scotia, and there are several applicants from the west. Hon. Mr. Emmerson left this morning for Moncton and St. John.

The vacancy in the supreme court will not be taken up in his absence. The department of public works will call for tenders for the construction of the new wing to the House of Commons at once, and the foundation will be ready before winter sets in.

The arrivals of immigrants at Quebec for July were 11,462, or 3,460 more than for the same month last year.

Sir Wilfrid Laurier will open the Canada Central fair here, having

consented to do so to a delegation that waited on him today.

Ottawa, Aug. 30.—Hon. H. R. Emmerson left this morning for Moncton and New Brunswick. On his return he will make a tour of the canals. Yesterday he awarded a contract to E. A. Wallberg, C. E., Montreal, for building some shops and storehouses at Moncton for about \$160,000. Wallberg was the lowest tenderer.

It is not intended to make any appointment to the supreme court to fill the vacancy caused by the death of Judge Sedgewick for the present.

Premier Gouin arrived from Quebec last night on a visit to Sir Wilfrid Laurier. It is likely that the arrangements for the coming conference of provincial premiers at Ottawa was talked over.

It is also understood that Hon. Mr. Turgeon, of the Quebec provincial government, will be appointed to the vacant solicitor generalship.

A sad drowning accident occurred in the Oromocto river last evening, the victim being Ernest Allen, son of Mr. David Allen of Burton, Sunbury county. He had been to Fredericton Junction yesterday attending the Church of England picnic and was returning home with a party of excursionists on a barge in tow of the tug Annie Currie, when the fatality occurred. He was seen on the barge after it left the Junction, but when the Oromocto wharf was reached he could not be found. He was a sufferer from epilepsy and the supposition is that he took a fit and fell from the barge, near the Harris bridge, a few miles above Oromocto. It was quite dark at the time the accident is supposed to have occurred, and on this account he was not missed until Oromocto was reached.

A party of Oromocto people started up the river this morning on the Annie Currie to grapple for the body. The unfortunate young man was about twenty years of age and unmarried. He is survived by his parents and several brothers and sisters. The sad affair has greatly stirred the community and much sympathy is felt for the bereaved family.

As already stated the victim of the accident was subject to epileptic fits. A few weeks ago he had a narrow escape from death at the I. C. R. depot in this city. While in a fit he fell beneath a moving train and would have been crushed to death had not a by-stander rescued him.

AMHERST BURGLARY.

Store of The Two Barkers Entered And A Quantity of Goods And Cash Stolen.

Amherst, N. S., Aug. 30.—(Special)—They had first broken into the millinery store of Mrs. Andres, adjoining, and tried to force an entrance through between the two stores. Nothing, apparently, had been taken from the loose change, amounting to about \$15 taken from the tills.

The thieves gained entrance through a coal hole in the rear of the building, and forced their way up through the hatch.

County Stipendiary Casey sentenced the five men arrested for assaulting Allen Clark to a fine of fifty dollars or two months in jail, each.

HE COURTED DEATH.

But Instead Got Five Years in the Penitentiary—A Peculiar Case.

Woodstock, Ont., Aug. 30.—(Special)—With the intention of burning himself in the flames, George Williams, a tramp, set fire to Rold's Corner school house.

When the flames crept up close to him, however, his courage failed, and he left the building.

After watching the house burn to the ground, he walked three miles to refinement.
