

Happy at LastHer husband no longer gets intoxicated—
Samaria Tasteless Remedy Cured Him.

This lady says: "For the first time since I have been married I can be happy and content—my husband is cured of his bad habit of drinking. Several months ago you sent me a free sample of your remedy at my request, and without my husband's knowledge I gave it to him in his tea and food. I then got a full treatment and gave it regularly. It is wonderful, and I cannot sufficiently thank you for the blessed change it has brought to my home."

5.—(Answered by No. 4.)

Honourable Mr. Tweedie in reply to Mr. Morrison said debentures to the amount of \$2,500 were issued under authority of 56th Vict. cap. 6. In aid of the deep water wharves and grain elevator at St. John. These debentures were purchased for the sinking funds of the province at par.

Hon. Mr. Tweedie, in reply to Mr. Smith's enquiry, with regard to the New Brunswick Coal and Railway Company, said that there is some difficulty in answering this question as some of the information asked for is not in the possession of the government, but it will probably be here tomorrow. This applies to questions No. 1 and 2. With regard to the 3rd question bonds for the \$250,000 authorized by the act of last session in aid of the New Brunswick Coal and Railway Company, have not been issued. A temporary loan at 4 1/2 per cent. per annum is obtained from the Credit Foncier at Montreal to run six months, and will become due on the 19 March. The time was not considered a good one for issuing debentures, the rates for money being high in consequence of the great activity in business. Later in the session, legislation will be asked for a further temporary loan.

Hon. Mr. Sweeney, in reply to Mr. Maxwell's enquiry, said that the royalties paid on coal to the government for the year ending 31st of October was as follows:

Canadian Coal and Manganese Co., \$164.44.
New Brunswick Coal and Railway Co., \$1,946.10.

Since the close of the fiscal year, the Imperial Coal Company has paid \$265.90. The total royalties, therefore, amounted to \$2,376.44.

Hon. Mr. Tweedie, in reply to Mr. Maxwell's enquiry, said that the tenders asked for were not here, but would arrive tomorrow. With regard to the second question, the contract with Brown Bros. amounted to \$83,000, and might be inspected by any member of the opposition. Payments had been paid on progress estimates. The total amount paid up to date was \$20,680.

Hon. Mr. Pugsley, in reply to Mr. Grimmer's enquiry, in regard to the number of criminal prosecutions he had personally conducted, said that if the enquiry meant the trials, he had attended in court as counsel, they only amounted to two. But if he meant the crown cases to which he had given his personal attention, he might say that he had done this in nearly all the important criminal cases, as well as those which the solicitor general had conducted, and those in which other legal gentlemen had been engaged. The hon. gentlemen must be aware that the actual trial of a case was but a small part of the work necessary to be done in a case.

Hon. Mr. Tweedie, in reply to Mr. Hazen's enquiry, with regard to the cost of the consolidation of the statutes, read the following statement:

During the past year the following accounts were paid on account of the consolidation of the statutes:

Telegraph Publishing Co., binding 5396 vols. at 80 cents, \$4316.80

Cases for transportation, 40.00 \$4356.80

C. S. Brannen, expenses storing, 3.00

Equity Fire Insurance Co., Insurance, 60.00

Anglo American F. Insurance Co., 67.50 127.50

S. A. Belyea, freight and cartage, 95.39

F. B. Carvell, in full for services as commissioner, 250.00

\$4832.69
