Now Knows That CONSTIPATION Can Be Cured

"Fruit-a-lives" also took away that severe pain in the kidneys.

No cathartic, purgative, pill, powder or salt will cure Constipation. "Fruit-a-lives" will. Cathartics and purgatives do not act on the liver. They irritate the lining of the bowels. This irritation does make the bowels move, but it so tires and inflames the muscles that they won't act again until irritated by another dose of purgative.

Bile from the liver is the only thing that makes the bowels move naturally. "Fruit-a-lives" don't act on the bowels at all. They tone up and invigorate the liver—enable the liver to send more bile into the bowels—and make the liver so strong that it will do this regularly every day. And bile is nature's only purgative.

Testimonial of A. McBain, Ottawa, Ontario.

Chronic Constipation and Kidney disease Cured by "Fruit-a-lives."

To Fruit-a-lives Limited,
Bank St., Ottawa, Ont.
OTTAWA, Aug. 14th, 1905.
"I was a great sufferer for
years with what seemed to be
incurable constipation, and I
tried every known remedy
and several physicians but all
the pills and medicine I took
seemed to do me harm. I was
advised to try "Fruit-a-lives"
and I can truthfully say they
have absolutely cured me. I
was also affected with a nasty
pain over my kidneys while
the constipation lasted, and
"Fruit-a-lives" have entirely

cured that pain also. My
stomach also was in bad
shape, my digestion was poor,
with sour eructations and
aching wind and "Fruit-a-
lives" cured my stomach, for
now I have no trouble in that
way. I cannot say too much
in favor of "Fruit-a-lives"
and I wish to recommend
them to any one suffering
with constipation and stomach
trouble, and also to any one
with constant pains over the
back or kidneys."

(Sgd.) A. McBain,
76 Victoria St., Ottawa.

This is what "Fruit-a-lives" are doing all the time. Not a day
passes in which someone, who has tried pills and tablets and salts in
vain, does not have the same experience with "Fruit-a-lives" that
Mr. McBain had.

"Fruit-a-lives" are a concentrated combination of fruit juices in
tablet form. They contain no calomel, cascara, senna, jalap. They
are nature's laxative and liver tonic. They cure Constipation in the
only way that it can be cured—by making the liver healthy and
causing the bowels to receive their daily supply of bile.

Druggists everywhere have "Fruit-a-lives." If, for any reason, your druggist has none
send direct to the company, 50c. a box or 6 boxes for
\$2.50. Mailed postpaid on receipt of price.

WOMEN.

Women are born, not made.
There is only one kind of women—
namely, women.
Schopenhauer did not approve of
women. Women did not approve of
Schopenhauer.

The chief topics of conversation in
female society are husbands and ser-
vants. The distinction seems arbi-
trary, and doubtless is seldom drawn.
Those whom the gods love (i. e.,
ladies of the chorus) dye young.
The popular idea that women have
to sense of humor is quite mistaken.
They marry us.

PLOT TO MURDER JEWS.

Premier Witte Demands Suppression
of League of Russian People.

St. Petersburg, March 16.—At
to-day's session of the Cabinet
Premier Witte, who was warmly ap-
ported by Prince Alexis Oholensky,
Prosecutor General of the Holy Sy-
nod, and Count John Tolstoy, Minis-
ter of Education, insisted on the sup-
pression of the organization known as
the League of the Russian people,
through which the agitation of the
reactionary "Black Hundreds" is pro-
pagated. It is reported that he was
forced to arrive at this decision, but
this is not absolutely confirmed. The
Police Prefect, M. Von der Launitz,
was summoned to the meeting and
asked to explain how it happened
that the publication of the proclama-
tion calling for the extermination of
the Jews was printed in the official
printing office attached to his depart-
ment. The Prefect denied having
any personal knowledge of the print-
ing. However, it was established
that there is constantly accumulating
evidence that the plot to produce a
counter revolution in the hope of
sweeping away the reforms outlined
in the manifesto of October 30 had
its origin in a court official. The con-
spiracy includes General Trepoif, com-
mandant of the palace; General Count
Ignatieff, M. Stichinsky, former chief
adjutant of the Interior Department;
Count Sheremetieff, a noted reaction-
ary, and General Prince Putiatin,
who are said to be utterly reckless
of the consequences.

The plan is to provoke riots and
massacres of Jews and revolutionis-
ters over as wide an area as possible
in order to justify still more terri-
ble repressions, and thereby prove
to his majesty that the people are
not ripe for any sort of self govern-
ment. It is a desperate game, but
it is backed by many of the provin-
cial authorities and the support of
governor generals had been enlisted
the former using the police and the
latter the troops, among whom pro-
clamations against the Jews and re-
volutionists, which are understood to
have been printed at the army head-
quarters in Odessa, have been dis-
tributed.

The complicity of Interior Minister
Durnovo in the conspiracy is not
proved, although suspected. Premier
Witte and the Liberal section of the
Cabinet will be compelled to fight the
conspiracy and consequently a break
in the ministry is not regarded as
improbable.

It is understood that 50,000 mem-
bers of the "Black Hundreds" in St.
Petersburg are armed, but it is not
believed, in view of the warnings
they have received, that the conspira-
tors will attempt to provoke a mas-
sacre at the capital.

The authorities here, however, are
in sympathy with the conspirators
and the danger of an outbreak about
Easter is regarded as real.

In the meantime, on the other side
the proletarian organizations, which
were ruthlessly crushed by the Gov-
ernment's repression measures, are
trying to organize another general
strike. Negotiations are proceeding
with the telegraph and railroad em-
ployes, whose co-operation is regard-
ed as vital to this end. The Social-
ists of Finland have promised their
support. Some rioting has already
occurred at Moscow and in the vicin-
ity.

The Strans (country) says that M.
Durnovo has telegraphed to the gov-
ernors of ten provinces in Poland not
to proclaim the elections until fur-
ther orders.

The proclamation against the Jews
which, it is asserted, was issued in
the typography of the Chief of Police
with approval of the censor, and was
widely distributed, is addressed to
the workmen and peasants of Russia.
It declared that the authors of Rus-
sia's misfortunes are the Jews, who
throughout the world hate Russia
and want to rob the peasants of their
land and make them their slaves.
"Unrock the priests and turn the
churches into Jewish stables and pig
sties."

The document also asserted that
the Armenians, English and Germans
want to destroy Russia and divide
the country among its enemies, called
Premier Witte a supporter of the
Jews and the chief enemy of the
country, and summoned the faithful,
wherever they find Jews, to "tear
the Christstellers to pieces."

HEALTHY LUNGS.

Depend Upon Rich, Red Blood—Poor
Blood Means Weak Lungs and
Fatal Consumption.

Every drop of blood in the body
must go through the lungs. That is
why the lungs are helped, and heal-
ed, and strengthened with the great
blood-builder, Dr. Williams' Pink
Pills. They fill the veins with pure,
rich red blood that gives health and
vigor to weak lungs. That is the
way Dr. Williams' Pink Pills brace
the lungs to throw off bronchitis and
heavy colds. That is the way Dr.
Williams' Pink Pills build up the
lungs after an attack of la grippe or
pneumonia. That is the way Dr.
Williams' Pink Pills have saved hun-
dreds in Canada from consumptives'
graves. No other medicine does this
work so speedily and so well. Mrs.
Jane A. Kennedy, Douglastown, Que.,
says:—"My sister, a young and deli-
cate girl, took a severe cold when
about seventeen years old. Nothing
we did for her seemed to do any
good, and we feared she was going
into consumption. Often after a
bad night I would get up early to
see if she had spit blood during the
night. A friend strongly urged me
to give her Dr. Williams' Pink Pills,
and within a month from the time
she had begun their use, she had al-
most recovered her health. Under
the continued use of the Pills she is
now well and strong."

Dr. Williams' Pink Pills not only
make weak lungs strong, but they
cure all troubles arising from a poor
or deficient blood supply, such as
anemia, indigestion, rheumatism,
neuralgia, general weakness, St. Vi-
tus dance, headaches and backaches,
kidney troubles, palpitation of the
heart, and the special secret ailments
of young girls and women. Insist
upon the genuine with the full name
"Dr. Williams' Pink Pills for Pale
People" on the wrapper around each
box. Sold by medicine dealers
everywhere, or by mail at 50 cents a
box, or six boxes for \$2.50, by writ-
ing The Dr. Williams' Medicine Co.,
Brookville, Ont.

LEAVES ESTATE TO VALET.
Dr. Frank J. Freil, Formerly of
Brooklyn, Gives His Property to
Patrick Colbert.

New Haven, Conn., March 16.—Dr.
Frank J. Freil, of Brooklyn, who
died here last week, left a will giving
his entire property to his valet, Pat-
rick Colbert, who is about 25 years
old and who entered his employ
about ten years ago as office boy. The
will was probated here to-day.

Whether the will is to be contested
or not is not known here. The ex-
tent of the estate is also in doubt. It
is known that Dr. Freil had a fortune
of about \$20,000 and that this will
pass to Colbert, if the provisions
of the will are carried out.

Whether the \$1,000,000 which had
been bequeathed to Dr. Freil by his
father, the former contractor of
Brooklyn, who built the Ridge-
wood reservoir, has been distributed
and could be bequeathed by the doc-
tor is not known here.

Attorney Ketcham of New York
drew up the will, which was witness-
ed by Dr. Townsend, the old Balti-
more baseball catcher, now a physi-
cian in Brooklyn.

MARTYRDOM DESCRIBED.
Kingston Man tells how he
Suffered and how He
was Released.

"For years a mar-
tyr," is how Chas.
H. Powell of 105
Raglan Street, King-
ston, begins his
story. "A martyr
to chronic constipa-
tion, but now I am
free from it and all
through the use of
Anti-Pill."

Many who are now suffering from
this complaint will be glad to learn
from Mr. Powell's story that there
is hope for the most stubborn case.
He continues: "I was induced to try
Anti-Pill by reading the testimony
of some one who had been cured of
constipation by it. I had suffered
for eighteen years and had taken tons
of stuff recommended as cures, but
which made me worse rather than
better. Doctors told me there was
no cure for me."

Dr. Leonard's Anti-Pill is for
sale by all druggists or by The Wil-
son-Fyle Co., Limited, Niagara Falls,
Ont.

Mr. Powell will verify every word
of these statements.

ITS THRILLING EFFECT.
(From the Chicago Tribune.)
The great organ pealed forth.
The leader of the choir waved his
baton with energy, his head and his
whole body assisting in keeping time
and giving expression to the noble
anthem. And the choir sang in full
chorus:

Aw maw O maw maw raw yaw yaw;
Woe you baw haw raw law aw waw.
Yo law haw aw baw law O baw
Woe haw daw maw aw daw raw aw
Baw waw shaw law O maw.

The congregation had some diffi-
culty in understanding the words,
but the music was grand and it
sounded like worship, worship.

TO STOP A CRYING BABY.
Babies cry because they are sick.
It may be a pain in the stomach,
colic, or cramps,—but in any case a
few drops of Nervilleine soothes away
the distress and allows the baby to
sleep peacefully.

When there are
young children there should also be
Nervilleine. It cures all the minor ail-
ments just as promptly as the doc-
tor—Nervilleine has been the great
household remedy of Canada. Sold
everywhere in large 25c. bottles.
