Mount A. Defeated Acadia in the Inter-collegiate Contest--Other Football Games

Before the biggest crowd that ever witnessed a football match in Sackville, and with almost ideal weather conditions prevailing, Mount Allison University footballists Saturday afternoon inflicted a decisive defeat upon the Acadia College fifteen in the final game for the King-Richardson trophy, the score standing 8 to 0. Mount Allison scored in each half, the first try being prettily converted by Llewellyn. The result of the game was a great surprise for the heavy field Acadia's pronounced advantage in the point of weight in the scrum was expected to more than offset Mt. Allison's reputed superiority in the half line.

In the Inter-Collegiate competition, the U. N. B., Acadia and Mount A., have each won a game and the trophy cannot be awarded to any one of the three teams.

The U. N. B. defeated Mount Allison in Fredericton 3 to 0.

Acadia defeated U. N. B. at Wolfville 6 to 3.

Mount Allison defeated Acadia at Sackville 8 to 0.

The association team of the Garrison Athletic Club, of Fredericton, played a return game with St. John in that city on Saturday and were defeated 4 goals to 1. At the half time the score stood 1 to 1, but St. John claimed that they had scored another goal which the referee did not see. During the second half the St. John team did decidedly better, scoring three goals. The soldiers got the ball on the St. John people's end of the field, frequently but failed to score.

For the Fredericton eleven Capt. Rawlings scored the only goal. He played a good game, and also did Lanciault and Wilson.

The St. John Marathons defeated Moncton Saturday afternoon at St. John, 8 to 3.

Yale played great football Saturday at New Haven and easily beat the strong Brown team 22 to 6.

Three thousand persons saw Dalhousie defeat the Crescents at Halifax by a score of 9 to 0 on the Wanderers' grounds Saturday afternoon. Dalhousie scored a try in the first half and two in the second, if the Crescents defeat the Wanderers in the next game they will have to play off with Dalhousie for the trophy.

The memory of ten previous defeats was forgotten Saturday in the victory of the Carlisle College Indians from Carlisle, Pa., over Harvard by a score of 23 to 15.

THE INDIAN RUNNER

Tom Longboat took the Montreal Star Road Race --A Generous offer from Mr. Graham.

MONTREAL, Que., November 11.—Tom Longboat, the Indian marvel, who is expected to win the Marathon race at the Olympic games in London next July finished first in the fifteen mile road race here Saturday.

Longboat finished ten seconds better than his closest rival, Adams, of Hamilton, and covered the fifteen-mile course over the road, where the mud was ankle deep in 1:26:55. Hornum, and Deverton, thirteenth. In

the team competition the Haligonians, of Halifax, finished sixth; Wolfe, were third.

After the race, Hugh Graham, publisher of the Montreal Star, announced that he would pay the Indian's expenses to the Olympic games, and if with the end of five years he was still in the athletic field, after a temperate career, he would give him a cheque for \$2,000.

Longboat is not yet twenty-one years of age, but he has already the weakness of his race for firewater. Twice during his career of the past year he has been arrested in Hamilton for drunkenness, but after Saturday's race he started to earn the \$2,000, contenting himself with sitting in the Windsor Hotel routunda and smoking fifty cent cigars, which the admiring spectators bought for him.

FIVE MEN DROWNED

Tragedies of a day in the Border Counties.

HOULTON, Me., November 11.—The fifth drowning in three days in Aroostook and Washington counties occurred late yesterday afternoon when John Crawford, aged eighteen years, sank in the St. John river at Van Buren, from a canoe. The latter succeeded in swimming ashore.

Harry Robinson, aged fifteen, was drowned in the St. Croix river at Milltown in a probable overturning of a small punt in which he and Percy Hendershot were sailing. Hendershot reached shore, which was a short distance away.

The worst accident was at Ashland, where four men on their way to a lumber camp, were capsized from a canoe on Squaw Pan Lake, and three of them were drowned. The victims were Frank and Paul Baker, and Arthur Cyr.

The fourth, a young man named Soucia, accomplished the wonderful feat of swimming to the shore, although encumbered with heavy winter clothing and in ice-cold water.

Paul Baker managed to cling to the canoe until it drifted to shore, but Mr. John Stephens, the new assistant professor of engineering at the University, entered upon his duties this morning.

died in less than an hour from the effects of his experience. The bodies of Frank Baker and Cyr were not recovered. The victims all leave families.
