"I tell you, neighbor, ST. GEORGE'S BAKING POWDER makes fine cake and pastry."

"Of course you said so—but Baking Powder is one of the things that a baker must try for himself."

"That's right! What's the use of buying the best pastry flour, creamery butter and rich milk—and then have one of those alum baking powders ruin the baking."

St. George's Baking Powder

is a pure Cream of Tartar baking powder. I know it by the way the paste rises. You have eaten my Cakes, Pies and Fancy Pastry for years. Have you ever known them to be quite so light and flaky—and taste so good—as they do now? It's all due to ST. GEORGE'S."

"Yes, neighbor, we old fellows have found out about Baking Powders by practical experience. And ST. GEORGE'S is the best baking powder I've ever tried—not only for bakers, but for home cooks as well."

OUR NEW COOK BOOK is a daily help in the kitchen. It tells how to select and prepare meats, vegetables, etc.—and gives all sorts of recipes. Sent FREE. National Drug & Chemical Co. Limited, Montreal.

KISSED FRIEND WHO SHOT HIM.
Man Mortally Wounded Greeted Assailant in Loving Fashion.

New York, June 4.—After Jas. Bradley had identified James Piguida as the man who shot him, inflicting a wound from which Bradley may die, the two men embraced and kissed each other in a Brooklyn hospital today. The shooting occurred at a picnic in Brooklyn last night following a quarrel over a girl. A bullet from Piguida's revolver penetrated Bradley's breast near the heart. Piguida fled, but was arrested in Manhattan today and was taken to the hospital where Bradley lay in a critical condition. The police were astonished to see the two greet each other as old-time friends, and declare that they regretted the quarrel, while Piguida made anxious inquiries as to whether his friend would recover. Bradley is a teamster and Piguida a machinist.

Constant Backaches
I Cure Quickly.

My remedy goes right to the spot. It gives quick results because it removes the conditions that make your back ache and drag.

Bearing down pains, backache and draggy limbs are all caused by kidney trouble.

My pills, commonly known as Dr. Hamilton's, make the kidneys do their work. In doing so, they cure backache.

Good kidney action means pure blood and freedom from the poison that makes life unbearable.

By using Dr. Hamilton's Pills your strength and weight get a chance to catch up.

You stir up a surplus of vital power that simply defies further danger from kidney weakness.

You feel brisk, enjoy your food and digest it easily.

Color comes to the cheeks, because circulation improves with new blood-tone.

Dr. Hamilton's guarantee goes with every box of his Mandrake and Burtner Pills.

The aged and the young—women or men—if sick, rundown and miserable—health and vigor await you in Dr. Hamilton's Pills; they mean new life.

The Stale Bread of Hungary.
In Hungary they do not eat fresh bread. Whether it is because the Hungarians believe in hygiene more than their American or European brothers and sisters or not has never been told, but the Magyar is partial to stale bread, and the staler the better. His "töszkenyer," or ordinary black bread, as it is eaten by the very large majority of the Magyar population, is carefully laid away on a shelf and dug out for consumption months and months after it has come out of the great ovens. If the huge loaf, weighing something like five pounds and for which the Hungarian pays 6 or 7 kreutzers, equivalent to about 3 or 4 cents in American money, has carefully been hidden away for two years, it is considered all the better. The Hungarian never thinks of where the bread is to come from tomorrow. He thinks of where it is to come from next year, for he has at least a year's supply on the shelves. The Hungarian bakes her bread 365 days ahead of time. Her Wednesday baking is for the Wednesday of a year to come; her Thursday baking for the Thursday of a year to come.

MR. KAULBACH'S WILL.
Estate Valued at \$500,000 and the Widow Gets Most of It.

Halifax, June 4.—The will of the late C. E. Kaulbach, ex-M. P. P., was filed at Lunenburg, Saturday. The estate is valued at half a million dollars. Nearly all the estate is left to relatives.

To his sister, Mrs. Sophia B. Moyle, of Ottawa, \$200 per annum, during her lifetime. He desires his grand nephew, Alfred Wurtelle, son of his niece, Tryphena Wurtelle, of Ottawa, to be educated for the ministry in the Anglican church, and that he be educated in King's College, Windsor, and directs his executors to pay \$200 a year for four years, while he is prosecuting his studies at college.

To his brother, Archdeacon Kaulbach, he bequeaths Mizpah Cottage, formerly occupied by his sister-in-law, Mrs. Senator Kaulbach. To his nephew Harry A. Kaulbach, son of Archdeacon Kaulbach, and his nieces, Edna Rudolf and Tryphena Wurtelle, \$2,000 each, and his nieces be paid two years after his decease. The bulk of the estate goes to the widow.

A NOVEL CHEMISE.

Dainty underwear is always a subject of interest to woman-kind and especially at present when everything in the feminine wardrobe is as fine and exquisite as the human brain can devise. An excellent idea for a chemise is sketched, showing the fullness of the front regulated by tucks stitched several inches at the waistline. Every one who wears a chemise knows that it needs always to be pulled down or up and around so that only the necessary fullness allowed to remain in front, the back mattering little so long as the fullness does not lie all on one side or other. Every particular woman gives especial attention to the fit of her dresses and to realize this the undergarments must be properly worn. This chemise goes on over the head and has no opening. It is very easily made and suitable to elaborate or simple adornment. For the medium size 3 yards of 36 inch material are needed.

LINCOLN.

The farmers are complaining of the cold late spring, but they seem to be comforted with the thought that there has always been and always will be a springtime and a harvest.

Miss Vina Nevers who has charge of the school at Beaver Dam spent a few days of last week with Mr. and Mrs. J. H. True.

Mr. Everett Alxelm purchased a three year old colt from Mr. Henry B. Mitchell one day last week.

Mr. H. B. Mitchell seems to be improving slowly as the warm weather approaches. He was able to sit up yesterday for a short time in the open air.

Mr. William Arts has sold his residence at the corner of the Waas and Lincoln roads to Mr. George Mitchell, and moved to Fredericton.
