Elaborate Preparations Being Made for Reception to Vice Regal Visitors

Tomorrow afternoon the citizens of Fredericton will have an opportunity of seeing and welcoming His Excellency Earl Grey, the representative in Canada of our most gracious majesty King Edward VII. It will be his first visit to Fredericton, and he is sure of a welcome worthy of the citizens of the capital city of the province. His Excellency will be accompanied by Countess Grey and their two daughters, Lady Sybil Grey and Lady Evelyn Grey. They will arrive by the steamer Elaine at three o'clock from St. John and will return to that city the following morning by train.

Elaborate preparations have been made for the entertainment of the vice-regal visitors while here and if fine weather prevails tomorrow will certainly be a gala day in Fredericton. The steamer Elaine will leave St. John at eight thirty o'clock and is expected to arrive here by three in the afternoon. The distinguished visitors will land at the high water wharf, just above the Star Line warehouse and will be received by a guard of honor from the 1st regiment in command of Capt. Osborne. The band of the corps will play the national anthem while the party are disembarking from the steamer.

The vice-regal visitors will be accompanied from St. John by Lieut. Governor Tweedie, the members of the provincial government, Captain Newton, A. D. C., Col. J. B. D. F. Mackenzie, Private Secretary Barker and others. They will be met at the landing and welcomed to the city by His Worship Mayor McLeod and the members of the city council. All will immediately board barouches in waiting and proceed to the city hall. They will repair first to the mayor's office where his worship will present the address and civic officials to His Excellency. They will go next to the opera house stage, where the city's address of welcome will be presented by the mayor and His Excellency will reply to the same. The general public will be admitted to the opera house to witness the presentation.

At the close of the proceedings the party will again board barouches for a drive about the city. The route mapped out is as follows: Up Queen Street to Westmorland, out Westmorland to George, up George to Smythe, thence up government lane to old government house. Returning the party will drive through Wilmot Park and down Charlotte to Northumberland Street, out Northumberland to Saunders, down Saunders to York, in York to George, down George to Carleton, out Carleton to Charlotte, down Charlotte to Regent, in Regent to Brunswick, down Brunswick to University Avenue, out University Avenue to

ROBB-HARLEY

(Special Despatch to Herald.)

HALIFAX, N. S., August 14.—The marriage took place at Fairview today at the residence of the bride's father, F. W. Harley, of his daughter, Nina, and William T. Robb, secretary of the New Glasgow M. C. A., son of William Robb, at St. John, and brother of Rev. Alexander Robb, missionary in Korea.

Herbert Parsons, President of the New York County Republican committee was talking in Albany, against self-confidence in politics.

"To win," he said, "a man should never be sure of winning. Confidence and boasting to my mind, always imply defeat. I'll tell you a story."

"A man came skating last night and landed with a crash on the sidewalk."

"It's all right," he said to the crowd that had gathered, as he stifled a yawn. "That's my club, the eighth precinct. I'm a Smith man and there's ten Jones men in there. I'm going back to them. You stay here and count them as they come out of that window."

"He limped back into the club. There was a great uproar. Then a figure creased through the window and struck the sidewalk with a grunt. 'That's one,' said the crowd."

"No," said the figure rising. "Don't start counting yet. It's me again."
