THAT DISPUTED GAME

Professors' Conference Decide U.N.B.

Acadia Match shall not be
Recognized but Season too
late for Playoff

The Acadia-U. N. B. football difficulty in the inter-collegiate series for the King-Richardson cup was settled at a meeting of professors of the three colleges interested, held in the Victoria Hotel, St. John, last evening.

U. N. B. played Acadia November 5, and were beaten 6 to 3. Before the game, however, the New Brunswick men entered a protest against Hughes a Charlottetown man, on the Acadia team.

Hughes was one of the men who competed in the freshmen's sports at St. John and had been suspended by the M. P. A. A. A. Because of this the U. N. B. protest was made. After the game the M. P. A. A. A. reinstated Hughes, his suspension being it is stated, a mistake, and he later played with Acadia against Mount Allison.

There was talk of playing the Acadia-U. N. B. game over, but last night's meeting decided otherwise. Those present were Chancellor Jones, of the U. N. B.; Prof. S. W. Hinton, of Mount Allison, and Professor deWolfe, of Acadia. They discussed the points involved and came to the decision that the protested game of November 5 be not recognized as one of the year 1907 and that, in view of the lateness of the season, it be not replayed.

There were three games in the series played this season—U. N. B. defeated Mount Allison at Fredericton, 3 to 0; Acadia defeated U. N. B. at Wolfville, 6 to 3; and Mount Allison won from Acadia at Sackville, 8 to 0. Mount Allison at present holds the cup, having won it two years ago. Last year resulted in a tie and this year is the same and Mount Allison will retain the cup until it is captured by one of the other teams.

HOTELS MAY CLOSE

Report that Bars will be out of Business—Hotels will be shut up.

Moncton Times: As a result of the action of the police committee in authorizing the chief of police to secure search warrants for the purpose of raiding bars, it was stated yesterday that all bars in the city would be closed up hard and fast today. The talk around the up-town hotels was that there would be no business doing while several of the down-town parties in the liquor business are said to have announced their intention of retiring at once.

Another report was that the hotel proprietors had not only decided to close their bars, but after the first of the month, if the stringency continued, would also close the doors of their houses to the travelling public. The latter report could not be verified.

The hotel men are saying little and whether any decision has been reached in reference to closing up their houses is not definitely known. Such a step, however, was discussed a short time ago, when it was intimated that the sale of liquor in the city was to be stopped at all cost.

a diabolical crime. M. A. Watkins, stationary engineer, murdered his wife and tried to poison his wife's friend, who refused to run away with him.

He then buried his wife's body in quick lime under the floor of the shed. The woman with whom Watkins wanted to run away became suspicious at Mrs. Watkins' disappearance, and notified the police, who found the body.

Watkins has been arrested for murder.

BELLE OF RICHMOND.

Stoddart Stock Company Made Big At Opera House.

The Stoddart Stock Company opened a season's engagement at the Opera House last night, with a production of the great drama, The Belle of Richmond. Notwithstanding the very disagreeable weather the Company was greeted by a bumper house, every seat being occupied. The play was one of the best seen here in a long time, and the strong features were admirably brought out. Miss Stoddart, who played the title role, was a grand success and easily sustained the high reputation she enjoys. She is surrounded by an exceptionally strong company and every part was well taken. The specialties introduced between the acts were of a high character and seemed to please the audience immensely. It is safe to say that the contortionist work of the "Sours" has never been equalled here. This evening the Company will present the great play entitled "The Gambler's Daughter," and judging by the size of the advanced sale of seats they are sure to be greeted by a full house. A plan of the Hall may be seen at Wilkes.
