

Events of a Day

ALLEGED CRUELTY CASE.

The Board of School Trustees are meeting this afternoon to investigate a complaint lodged against Miss Thompson, principal of the Charlotte Street school, by Mr. T. Amos Wilson, for ill treating his son.

HALIFAX ENGAGEMENT.

The engagement has been announced of Miss Kenney, daughter of Hon. T. E. Kenney, ex-M. P., Halifax, to Col. Weston, who is at present stationed in Bermuda. Col. Weston was stationed in Halifax for some time, several years ago.

ST. ANDREW'S DAY.

The members of St. Andrew's Society will honor their patron saint on Sunday, by attending divine service in a body at St. Paul's church. They will assemble at the K. of P. hall at ten o'clock, and march to the church by way of York street. Rev. Willard Macdonald will preach a sermon appropriate to the occasion.

MISSIONARY MEETING.

Mrs. Stott, returned missionary from China, addressed a public meeting in the lecture room of the Methodist church, last evening. Unfavorable weather and counter attractions interfered somewhat with the attendance, but those fortunate enough to be present enjoyed a genuine treat. Mrs. Stott gave a most interesting and entertaining account of her thirty-eight years experience as a missionary in China, and was followed with the closest attention.

LUCKY SPORTSMEN.

Mr. L. C. Daniels, of Worcester, Mass., who has been hunting on the Miramichi, with Mr. William Carson, of Doaktown, as guide, returned to the city by the noon train to-day. He secured a moose with a fine antler spread and also a deer.

Messrs. L. V. Houghton and A. C. Taylor, of Worcester, Mass., are also here today enroute home from a successful hunting trip to Cain's River made under the guidance of Mr. Frank Russell, of Doaktown. Their total bag consisted of three bears, a deer and a caribou. The two bears and the deer were brought out of the woods whole for shipment to Worcester.

THE LATE MR. KELSEY.

The Montreal Herald makes the following reference to the late Mr. J. B. Kelsey, the well known commercial traveller who died so suddenly in St. John last week, and who had a large circle of friends in Fredericton:

Mr. Kelsey had a wide circle of commercial and personal friends in Montreal, and the news of his sudden death, which reached town at mid-day yesterday was received with intense regret. The deceased gentleman was one of the best known jewellery travellers in the Dominion and was appointed eastern representative of his firm some two years ago. He spent a considerable portion of his time in Montreal and had a permanent sample room at the Windsor Hotel. He left on Sunday night for his regular trip to the Maritime Provinces apparently in the best of health. The deceased, who resided at 699 Manoe Street, Annex, leaves a widow and an eight-months old child. Mrs. Kelsey has gone to Toronto, where the funeral will take place.

MRS. SHAW'S SAD DEATH

The Body Brought here by Noon Train for Interment

The body of the late Mrs. H. LeRoy Shaw, who died in Montreal yesterday morning, was brought here by the noon train to-day for interment. It was accompanied from Montreal by her father, Senator Thompson, her father-in-law, Mr. A. McN. Shaw, and her sisters, the Misses Thompson, W. T. Whitehead, M. P. P., T. Carleton Allen, Willard Kitchen, Judge Barry, R. P. Randolph, Dr. Atherton and F. E. Winslow met the members of the bereaved family at Fredericton Junction, and returned with them to Fredericton.

The casket containing the remains was taken in charge by Undertaker John G. Adams, on arrival here and taken to Senator Thompson's house, Regent street. The funeral will take place at two o'clock to-morrow afternoon, with services at the house by Rev. J. W. McConnell. Interment will be made in the rural cemetery.

Montreal Star, Monday:

The death took place this morning at the Montreal General Hospital of Mrs. H. LeRoy Shaw, formerly Miss Sadie Thompson, of Fredericton, N. B., and daughter of Senator Thompson, and niece of the late Lieut. Governor Snowball, of New Brunswick.

Mrs. Shaw had been suffering from typhoid for the last eight days, and on Tuesday was removed to the hospital. On Friday pneumonia set in, and her death took place at six o'clock this morning. Mrs. Shaw had been a resident of Montreal since her marriage, which took place two years ago this week. She leaves a little daughter eight months old. The funeral of the late Mrs. Shaw will take place in Fredericton, the remains leaving tonight for the Maritime Provinces, accompanied by Senator Thompson, his two daughters, the Misses Nan and Margaret Thompson, and by Mr. A. McN. Shaw, father of Mr. LeRoy Shaw.

Mr. H. LeRoy Shaw has been seriously ill for some time at his residence, 50 Luke street, having been attacked with pneumonia before his wife was taken ill. Mr. Shaw's illness has now passed the crisis, but he is still confined to his bed. Senator Thompson has suffered heavy bereavement, for Mrs. Thompson, mother of the late Mrs. Shaw, died last November.

CHINESE MISSIONS

Interesting and Instructive Address by Mrs. Stott at the Methodist Church.

Last evening in the class room of the Methodist church a most interesting and instructive lecture was delivered by Mrs. Stott, of the China Inland Mission. Owing to the weather conditions the attendance was not large, but those who were privileged to attend were greatly pleased and edified by the lady's address.

Mrs. Stott was formerly Miss Grace Ciggie, of Glasgow, Scotland, whose deceased husband labored ardently for over twenty years in the province of Chekiang. A review of the vicissitudes they withstood for the cause of Christianity should cause a feeling of remorse to us at home, who enjoy so freely the luxuries of civilization, and should arouse in us a sense of responsibility in matters of this kind. Mrs. Stott has spent practically thirty-seven years of her life in the interests of inland China mission work, and is thoroughly conversant with the language and customs of this district, and, possessing as she does, good speaking ability, one is sure to be greatly interested in her message. The work in China is undenominational and appeals to all who have the cause of humanity at heart. Her entire life experience is a wonderful exemplification of what implicit faith in God can accomplish, for in no instance has she been the agent of any particular body of Christians or of any denomination, neither does she take up collections or charge admission fees when on lecture tours, but depends solely upon the voluntary gifts of those who are interested in mission work in inland China.

Mrs. Stott has been induced to speak tonight at 7.30 in the upstairs of the Church Hall, and we bespeak for her a large and enthusiastic audience. For all who have the cause of Christianity at heart, and now-a-days, so many really have, will do themselves an injustice if they fail to be present.

As before intimated, no collection will be taken, or admission charged, voluntary donations, however, will be welcomed.

A SUCCESSFUL SPORTSMAN.

Mr. T. P. Miller of the Grange, Eng., who made a successful hunting trip to the Miramichi during the month of September, and has recently been in Newfoundland, is among the guests at the Queen hotel. Mr. Miller hunted four weeks in Newfoundland, and shot six caribou, three of which he was allowed to take on a special permit for a museum in England. He secured one particularly fine head, with antlers containing forty-five points. Mr. Miller encountered a great deal of bad weather during his four weeks stay on the island, and as he was tenting out, the conditions for hunting were not very agreeable. On the 21st of October, he says, a foot of snow fell, but did not remain very long. Mr. Miller will sail from St. John on Saturday for England.

THE RIVER.

Just a year ago today the river steamer Majestic made her last trip of the season from this city to St. John, being compelled to force her way through ice for the greater part of the way. The river is now entirely free from ice, and from present indications it is likely to remain that way until December sets in. The Star Line boats have been taken off the route, but it is reported that the Elaine will make a trip to Fredericton some time this week.

THE WEATHER.
Fresh south and southwest-erly winds. Showery. Wednesday westerly winds and mostly fair and milder.
