## DR. PARKER DEAD

Veteran Halifax Physician and Former M. L. C.

HALIFAX, N. S., November 5.—Hon. D. McN. Parker, M. D., died yesterday afternoon at his home in Dartmouth, aged 85 years. He was a native of Windsor, graduating in medicine at Edinburgh in 1845. In 1867 he was made a member of the legislative council of Nova Scotia from which, on account of ill-health, he retired in 1899. During his four term of practice in Halifax, besides being president of the Medical Society of Nova Scotia and of Canada, he filled a large number of other offices—commissioner of schools, governor of Acadia College for twenty-five years, president of the Baptist convention, and a member of the boards governing the hospitals of the city.

Dr. Parker was for fifty years a member of the First Baptist church. He was the first surgeon in Halifax to perform an operation with the use of an anæsthetic, having first had it administered to himself to prove its safety. The first case in Halifax of the removal of ovarian tumors, which had counted their victims by the hundreds of thousands, was performed by Dr. Parker, he having assisted Dr. Keith, of Edinburgh, the distinguished specialist in such operations.

In politics Mr. Parker was uniformly a supporter of the Conservative party. He was twice married. His second wife was a Miss Black, sister of the late Mrs. L. A. Wilnot, and the late Mrs. Edward Wilnot, of Fredericton.

## BARRISTERS TO MEET.

A meeting of the council of the Barristers' society will be held this evening to receive the report of the examiners on the recent law examinations. The candidates for attorney will be sworn in before the Supreme court tomorrow morning.
