

Events of a Day

A MIGHTY HUNTER.

Mr. Lorenzo Savage the well known guide of Penniac, shot two bears near his camps at Bear Brook on Saturday.

MEETING TONIGHT.

The members of the local government are due to arrive here this evening, and will hold a meeting in the executive council chamber.

READ AND PONDER ON.

Our friends should read Fred B. Edgcombe & Co.'s advertisement in this paper if they wish to save money. They give style and value, you know.

CURLING MEETING.

The annual meeting of the Fredericton Curling Club for the election of officers and transaction of other business will be held at the rink tomorrow evening.

SCHOONER CLEARED.

The schooner Frank and Ira, Capt. McLean, cleared on Saturday for Salem, Mass., for orders, with a cargo of hemlock boards belonging to the Misses Babbitt, of Gibson.

CLEAR STEADY PICTURES.

Those who saw the great improvement in the clear cut smooth running motion pictures at the Opera House Saturday will be sure not to fail to see every program put on. That prepared for tonight is probably the best yet, particularly that of the abduction, chase, battles and rescue as shown in the "Pirate Ship", with the delegates of the White city a close second.

SUCCESSFUL SEASON.

Mr. Adam Moore, the well known guide and trapper of Scotch Lake, who has been at his camps on the Tobique since early in September, returned home last evening. With the assistance of his son he has guided nine sportsmen into the woods this season, and their total bag of big game was six moose, four deer and three caribou.

AUTHORITATIVELY DENIED.

Mr. Martin Butler's friends deny that he is editing the local Tory organ. They say Mr. Butler would not be guilty of inflicting such trashy articles on the public, and that he has a great deal more respect for himself than to accept a position on the staff of the greatest political newspaper acrobat in Canada.

A CASE FROM CORK

Residents of that place Charged with Blocking the Highway.

A rather interesting case from the village of Cork, in the parish of Manners-Sutton, is engaging the attention of Col. Marsh at the police court this afternoon. Mrs. Gorman and her two sons of that place, and John Riordan and his adopted son are charged with obstructing the highway road. The complainant is Mr. Martin Kennedy, and his interests are being looked after by Mr. Walter Limerick of this city. The parties to the suit are neighbors, who it seems have not been living on friendly terms for several years past.

The road which the defendants are accused of obstructing, was opened some years ago, but until quite recently had not been much used. Kennedy it seems, had some arrangement with the railway authorities by which he was able to reach his farm by crossing the track. Recently this privilege was taken away from him, and he was obliged to fall back on the old road in order to get his produce to market.

As this road traverses some property owned by Mrs. Gorman, she refused Kennedy permission to use it, but he got ahead of her by having it declared a public highway by the chief commissioner. After this had been done Riordan and the Gorman boys, acting under orders from Mrs. Gorman, it is alleged, erected a wire fence across the road, and then plowed up the ground. Kennedy then consulted his solicitor and decided to bring an action under the highway act.

Mr. Riordan was the only one of the defendants to appear when the case was called in the police court, and it was decided to proceed against the others ex parte. As the case is the first of the kind brought under the highway act, it is naturally creating a good deal of interest.

ST. DUNSTON'S Y. M. S.

At the regular meeting of St. Dunstan's Young Men's Society held Sunday afternoon, the following officers were elected for the ensuing term:

There is a large membership roll and during the coming winter months St. Dunstan's Society rooms will be the scene of numerous social reunions.

LAI'D TO REST.

The funeral of the late Miss Mary E. Phillips took place at four o'clock this afternoon from her father's residence at the corner of Westmorland and Charlotte streets, and was attended by a number of sympathizing friends and relatives. An impressive service was conducted at the house by Rev. J. H. MacDonald, and a quartette from the Baptist choir rendered appropriate hymns. Interment was made in the family lot in the rural cemetery. The pall bearers were Messrs. R. B. Wallace, E. W. Vavasour, Matthew Tennant and Frank D. Creed. A number of beautiful floral tributes attested the esteem in which the deceased was held. Mr. George W. Adams was the officiating undertaker.

WILL WED TOMORROW.

The nuptials of Rev. Edward E. Annand, Presbyterian clergyman of Windsor, N. S., and Miss Mina A. Reade, daughter of Capt. J. A. Reade, of Hopewell Cape, Albert Co., will be celebrated at the Brunswick Street Baptist church at nine o'clock tomorrow morning. Rev. J. H. MacDonald will perform the ceremony, assisted by Rev. COUNCIL MEETING.

The city council met in committee last evening, with the full board in attendance, and passed the accounts contracted during the month.
