FORMER MONCTON MAN.

Mayor McAnn of Kalso, B. C., Died
After Surgical Operations.

Moncton, N. B., April 1.—L. W. McAnn received a telegram yesterday morning conveying the sad intelligence of the death of his brother, Charles W. McAnn, mayor of Kalso (B. C.), which occurred Saturday evening. He had been ailing for some time and had been operated upon twice for internal trouble, and death was not unexpected by friends here. Deceased was well known in the provinces. He was educated at Mount Allison and graduated in 1884. He studied law with White, Allison and King, at Sussex, and was a graduate of Ann Arbor (Mich.) law school. He was created queen's counsel in 1896. He practised his profession in Moncton, going west in 1893 and settling in Kalso (B. C.). He was the first mayor of the city of Kalso and held the office several terms, being mayor at the time of his death. Deceased was forty-two years old and is survived by a widow and three young children. He was twice married. His first wife was Miss Bager, daughter of J. W. Bager, Victoria Corner, Carleton county. Mr. McAnn took an active part in British Columbia politics. He was the Conservative candidate against ex-Governor Mackintosh, being defeated by a few votes. Three brothers—L. W., Ezekiel, and James W. McAnn reside in Moncton, another brother, George W., lives in Petticoat. The latter was present at his brother's deathbed. Interment will take place at Kalso.

THE TREMBLE OF OLD AGE.

With the advance of years the vital functions of the body slow down. In consequence the organs of secretion suffer, the action of the bowels are lessened and there is no longer healthy circulation. The brain is congested with blood, giddiness, trembling and cold extremities are common. No assistance is so potent as Dr. Hamilton's Pills. By their direct action on the stomach, liver and kidneys they cause an immediate change. Mild, free from gripe, strengthening and cleansing the whole system, no medicine is so valuable in old age as Dr. Hamilton's Pills of Mandrake and Butternut. Try these Pills, 25c. per box at all dealers.

UPPER MAUGERRILLE.

April 1.—The ice in the river has become very weak and teams are going through nearly every day. Mrs. Thomas Robinson got out on Saturday last. Rev. Mr. Sables has finished his revival services. Mrs. C. W. Shields, who has been ill, is much easier today. Mr. Reuben Smith has returned from the woods. Mr. and Mrs. D. C. Dykeman paid a visit to Fredericton last week. Mr. Richard Maxon of Lower Maugerrille is having wood for our farmers. He is using a gasoline engine. Mr. Howard Titus is spending a few days here at Mr. Dykeman's. Mr. Willard Camp has the typhoid fever, but is doing as well as can be expected. Mrs. Osman Sewell is sick with gripe. Mr. and Mrs. A. L. Treadwell of Fredericton, are spending a few weeks with Mr. and Mrs. A. A. Treadwell. "Ald. Oldham drove past here the other day en route to Fredericton. Because a man is busy it does not necessarily follow that he has business.

YOU MAY BE SICK TO-NIGHT.

Without a moment's warning pain springs upon us. At the outset it is instantly cured by Nervine. Surprising what fifteen drops of this marvelous medicine will do. It's external action is no less certain than its wonderful effect when taken internally. Of course, Nervine is powerful or it couldn't be so penetrating. But not irritating or caustic. There are other pain remedies, but when you use Nervine you see the difference. That difference is this—others relieve, but Nervine does cure sprains, strains, swellings, earache, toothache, neuralgia, lumbago, in fact all muscular pains. Large bottles 25c. at all dealers.

I wish, said De Broque, as he ex-
tracted a folded paper from an envelope, that this bill from my tailor was like a glass of muddy water.
What's the explanation? queried his friend Wiggins.
A glass of muddy water, explained De Broque, settles itself if allowed to stand.

INVALUABLE FOR NURSING MOTHERS.

With nursing comes an unceasing strain on the mother's vitality. The blood is weakened. Nerves are irritable through loss of sleep. Anxiety and care break down even the strongest. Experience teaches that nothing is more helpful than Ferrozene. What an appetite it brings! No blood-former or nerve tonic more potent, no medicine known that so steadily brings back the health, vigor and spirit that mothers require. It's because Ferrozene nourishes, because it supplies the materials for rebuilding that it does such permanent good, 50c. per box at all dealers.

Tired Ted—Yes, madam, I've been a solicitor for fifteen years.

A TWO PIECE APRON.

Economy of time and labor is a serious question with every mother, who fashions her little ones' clothes and in the designing of apparel this must be considered. A small apron is shown which consists of two pieces and has but two seams to be sewed. It is of excellent shape and dainty enough to serve for everybody or 'best'. The shaped shoulder straps may be of embroidery or the material edged with a narrow lace while even a ribbon-run heading might serve. A button or two at the top closes the apron behind. Percale or lawn or gingham may develop it, 34 yards of 27 inches wide being needed in the medium size.
4169.—8 sizes, 5 to 12 years.
The price of this pattern is 10 cts.

DOPING A COLD DOESN'T CURE IT.

The average cough mixture doesn't cure a cold—it "dopes" it, or, in other words, temporarily holds it down, and bottle after bottle must be taken before a cure is effected. Meantime, you must suffer, and your poor stomach be burdened by the indigestion that invariably follows continual dosing with cough syrups.

If your bowels were kept open and the eliminative organs stimulated, your cold would soon disappear. Dr. Hamilton found that his Mandrake and Butternut Pills were more valuable in colds than any cough cure.

While you sleep at night they enliven the kidneys, liver and bowels, and thereby carry off the cold and all its evil effects.

Instead of deadening the stomach like cough cures, Dr. Hamilton's Pills afford this organ the greatest assistance by giving it tone, strength and healthy action.

One or two pills is sufficient. Take them just before retiring. Next morning you feel like new. The cold is broken up, your system regulated and cleansed and no time lost.

The use of Dr. Hamilton's Pills for colds, coughs and rheumatic ill is popular because efficient. Get some today, 25c. per box or five boxes for \$1.00, at all dealers, and refuse a substitute.

Fair Visitor—So you have really decided not to sell your house?
Fair Hostess—Yes. You see, we placed the matter in the hands of our estate agent. After reading his lovely advertisement of our property neither John nor myself could think of parting with such a wonderful and perfect home.

The pall of rheumatic pains—When a sufferer finds permanent relief in such a meritorious medicine as South American Cure, how glad he is to tell it. C. W. Mayhew of Talmesville, Ont., couldn't walk or feed himself for months—four years ago three bottles of this great remedy cured him—not a pain since—isn't that encouragement for rheumatic sufferers? Sold at central pharmacy, A. J. Ryan—82.

Judge (to lawyer)—Mr. Sharp, are you defending this prisoner?
Lawyer—I am, your honor.
Judge—And how much is he charged with stealing?
Lawyer—Fifty dollars, your honor.
Judge—Well, we'll let him go; he'll be punished enough anyhow.

Lawyer—What do you mean, your honor?

Judge—Why, by the time you get that fifty, and then he works out the other hundred you'll charge him, he'll be sorry enough he ever was dishonest.
