

THE MYSTERY OF GOUT.

Some Interesting Pointers from the Pen of Dr. Hamilton.

"The real cause of gout is due to the excessive use of certain articles of food and drink, which in time leads to a disturbance of the function of the liver. As a result harmful products such as uric acid are grown into the blood, causing the condition known as gout.

"Consequently it follows that having proper diet and maintaining liver activity, a cure can be effected.

Probably no physician has achieved such success in liver disease as Dr. Hamilton.

His Pills of Mandrake and Butter-nut are everywhere acknowledged to be a specific for slow, weak or sluggish liver; they give tone and vitality to this organ that enables it to perform its duties with ease and certainty.

Once the liver is corrected, Dr. Hamilton's Pills apply their peculiar merit to the kidneys and eliminating organs. This cleanses the blood and sends it back through the system, full of nourishment and strength.

Rheumatic tendencies are no longer noticed, for pure blood kills the poison that causes rheumatic aches.

Dull, aching twinges, stiff joints and difficulty of exertion become things of the past.

Of course by rheumatism such complaints as sciatica, lumbago and neuralgia must be included, for after all what are they but manifestations of rheumatic poison?

Thus it is easily seen that a world of good is accomplished by Dr. Hamilton's Pills. Acting as a blood renovator and a general tonic for the system their benefit is incalculable. 25c. per box or five boxes for \$1.00 at all dealers, and be sure you get the genuine Dr. Hamilton's Pills.

GREATEST OF CRUISERS

The Indomitable Launched on the Clyde.

London, March 21.—The Indomitable, the first of the new class of armored cruisers, was successfully launched in the Clyde today. She is of 17,250 tons, is 520 feet long exceeding the older armored cruisers by 50 feet, has turbine engines and is expected to attain a speed of 25 knots per hour. Her armament includes eight twelve-inch guns, almost equalling the main battery of the Dreadnought.

By special order of the Admiralty the greatest secrecy is being maintained concerning the details of the construction of this, the largest cruiser in the world. The cost of the Indomitable is approximately \$8,720,000. While ostensibly a cruiser, her actual status has not been definitely set forth, and it is believed she approaches nearer to a battleship in armor and armament.

Sir William Pearce, the chairman of the Fairfield Company, the builders of the warship, presided at a luncheon after the launching. He said he was not permitted to give any information regarding the cruiser, and that she must remain a mystery until the official trials or until the Admiralty saw fit to take the public into its confidence. Rear-Admiral Boscawen also spoke at the luncheon. He said he was confident that the Indomitable, if occasion arose, would carve out for herself a record that would live in the annals of naval history.

The two sister cruisers, the Invincible, building at Elswick, and the Inflexible, building at Clydebank, will be launched within a fortnight.

A CASE IN WEST ARICHT.

Mrs. A. P. Ferguson a well known Cape Bretoner has cured asthma by "Catharhazone." Her statement is convincing: "Although I was troubled for years it was only recently I tried Catharhazone. When an attack started I got out my inhaler and invariably got quick relief. Feeling satisfied Catharhazone would cure, I continued the treatment till one bottle was finished. I didn't use more because I was cured and the asthma has never returned." Catharhazone is sure death to asthma and bronchitis. Try it and be convinced. Two sizes, 15c. and \$1.00 at all dealers.

MAUGERVILLE.

March 20.—Mr. Harry Burns of Fredericton, is visiting his old home here. He is accompanied by his wife and children. Mr. and Mrs. Sandy King of Queensbury, spent Sunday with Mr. and Mrs. Emory Keetch.

Miss Josephine Brown, is visiting her sister, Mrs. J. J. Creswell, Lakeville Corner.

The Independent Order of Foresters held their regular monthly meeting last Saturday evening in the Upper Temperance Hall.

Mr. W. M. Thurott spent Sunday at his home here.

Mrs. Scott of Burton, was busily engaged sewing for several of our young people last week.

WHEN THAT COLD COMES.

How is it to be cured? This method is simplicity itself. Rub the chest and throat well with Nerviline, use it as a gargle and take some in hot water before retiring along with one of Dr. Hamilton's Pills. Next morning finds you refreshed, free from cold and bright as a dollar. These household remedies are wonderfully successful, and certainly won't fail in your case. For sale at all dealers.

"Jane," asked Mrs. Hiram Offen, "are the eggs boiling?"

"Most assuredly not, madam," replied the new servant, lately from Boston, "but I may safely say that the water in which the eggs are immersed are."

6839

A CHIC COAT IN BROADCLOTH.

Now and then one sees a garment which, though plain even to severity has an air of elegance which places it in a class by itself. Few realize what the reasons are for this condition of affairs and the artist will tell you that it is the lines and contours which render it out of class with all mediocrities. There has been much favor bestowed upon clothing jackets with cutaway fronts and these are seen in all degrees of extravagance. A very attractive coat of this style in moderate outline is sketched and will not fail to please the woman who likes to suggest the best of the modes in her season's gowning. The fronts are double-breasted, the buttons being arranged so as to suggest the tapering waist. The back is closely gored so as to assure a perfect fit. The sleeves are the regulation muttonleg and very smart. Velvet collar and cuffs are optional. The new fabrics may any of them be suitable to this style of coat, broadcloth, cheviot, panama and serge being suggested. Two lengths of coat are provided for in the pattern and the most becoming one should be chosen. For the medium size 2 1/2 yards of 53-inch material are needed for the longer outline.

6839—Sizes 32, 34, 36, 38, 40 and 42 inches bust measure. The price of this pattern is 10 cents.

To the Fredericton Herald:

Please send the above mentioned pattern, as per directions given below, to

Name..... Street.....

No..... Province.....

To..... Measurement—Waist..... Bust.....

CAUTION.—Be careful to send size of pattern wanted. When the pattern is sent measure you need only mark 32, 34, or whatever it may be. When in waist measure, 22, 23, 26, or whatever it may be. If a skirt, give waist and length measure. When miss or child's pattern write only the figure representing the age. It is not necessary to write "inches" or "years." Patterns cannot reach you in less than three or four days from the date of order. The price of each pattern is 10 cents in cash or postal order or stamps.

CHAMBERLAIN'S COUGH REMEDY IS BOTH AGREEABLE AND EFFECTIVE.

Chamberlain's Cough Remedy has no superior for coughs, colds and croup, and the fact that it is pleasant to take and contains nothing in any way injurious has made it a favorite with mothers. Mr. W. S. Polham, a merchant of Kirksville, Iowa, says: "For more than twenty years Chamberlain's Cough Remedy has been my leading remedy for all throat troubles. It is especially successful in cases of croup. Children like it and customers who have used it will not take any other." For sale by all druggists.

An author was once called upon to pay a bill he owed. The creditor spoke strongly, and insisted upon some definite date being mentioned for settlement.

"Certainly," the author replied, "though there seems to be a rather unnecessary commotion about this trifling matter. I will pay the bill as soon as I think of it after receiving the money which the publisher will pay me in case he accepts the novel which I will write and send him just as soon as I feel in an energetic mood after a really good idea for a plot has occurred to me!"

Rheumatism Will Succumb to South American Rheumatic Cure because it goes right to the seat of the trouble and removes the cause. Many so-called cures but deaden pain temporarily only to have it return again with doubled violence. No so with this great remedy. It eradicates from the system the last vestige of the disease and its cures are permanent. Sold at Central Pharmacy, A. J. Ryan.—74.

Mrs. Jaggsby—I was very much surprised at the condition in which you came home last night.

Jaggsby—There you go again! I'd be willing to swear that I came home perfectly sober.

Mrs. Jaggsby—So you did; that's what surprised me.

Clerk—You can't get a room here for that man; he's drunk.

Man (supporting a weary friend)—That's all right. What of that?

Clerk—This is a temperance hotel.

Man—Well, he's too drunk to know the difference.—Army and Navy Life.

House Work

Need Not Wear Her Out

The drudgery of house work seems never ending to tired-out, dispirited women who suffer from female complaints or irregularities. Inflammation and ulceration cause fearful bearing-down pains which are aggravated by much standing on the feet, and lifting necessary in house work.

But let no woman despair of relief from this torture. That famous tonic reconstructor of diseased or disordered female organism.

Lydia E. Pinkham's Vegetable Compound

has cured more than one million American women, and it will cure you. When troubled with painful irregularities, when backaches and headaches drive out all ambition, Lydia E. Pinkham's Vegetable Compound will bring back health, strength, and happiness.

It Made Me a Well Woman

Dear Mrs. Pinkham:—Lydia E. Pinkham's Vegetable Compound has done more for me than doctors or medicines. I suffered for four months with suppression of monthly periods. Headaches were a daily occurrence. Pains in my back and limbs made it hard for me to attend to my domestic duties.

The medicines I had taken did not help me, and I was in misery and despair until one day I read an account of your Vegetable Compound, and decided to try it, and I thank God that I did so, for it not only regulated my monthly periods, but made me a well woman.

MADAME CAROLINE MARTINEAU, 22 La Chapelle St., Quebec, Que.

Do not let disease make headway. Write at once to Mrs. Pinkham, Lynn, Mass. Her advice is free and will contain information of great value to you. Mrs. Pinkham is daughter-in-law of Lydia E. Pinkham, and for twenty-five years under her direction and since her decease, she has been advising sick women free of charge.

Lydia E. Pinkham's Vegetable Compound Cures Where Others Fail

Speaking with a young lady, a gentleman mentioned that he had failed to keep abreast of the scientific advance of the age.

"For instance," he said, "I don't know at all how the incandescent electric light which is now used in some buildings is produced."

"Oh, that very simple," said the lady; "you just turn a button and the light appears at once."

PITY THE BUSY OFFICE MAN.

He feels half dead, a sense of nausea, headache and nerve strain. He is on the verge of breakdown through overwork and lack of exercise. These difficulties are best overcome by Dr. Hamilton's Pills, which make the bowels active, stimulate kidneys and liver and thereby free the system of impurities.

To revitalize and stimulate your whole being, to shake off lethargy and tiredness, nothing compares with Dr. Hamilton's Pills which do make good looks, good spirits, good health. Sold everywhere in 25c. boxes.

WHISKY MEDICINES.

The temperance press is emphasizing the danger to the home in the use of "medicines" which are loaded with whisky or alcohol. In this respect, as well as in the remarkable character of their cures, Dr. Pierce's medicines differ from other preparations. Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, indigestion, biliousness and, bowel derangements, and "Favorite Prescription" for woman's derangements and weakness, contain no alcohol. Their full ingredients are printed on the bottle wrappers, therefore they are not secret or patent medicines. Write to Dr. R. V. Pierce, Buffalo, N. Y., for free booklet giving list of medicinal roots from which these remedies are extracted by the use of triple-refined glycerine, also the eminent medical writers who recommend their ingredients for the cure of the diseases for which these medicines are advised.
