J. M. ROBINSON DEAD.

Prominent St. John Banker and Estimable Citizen Passed Away this Afternoon.

St. John, Feb. 2.—(Special).—J. Morris Robinson, banker, died this afternoon at one o'clock at his residence, Queen Square.

He was head of the private banking house of J. M. Robinson & Sons.

Mr. Robinson was born in 1843, and was in his 59th year at the time of his death.

He is survived by two sons, J. M., Jr., and Harold, who were in business with him, and four daughters, Mrs. Robt. Ellis, Toronto, and three unmarried at home.

Mr. Robinson also leaves one brother, W. H. Robinson of Smithtown, near Hampton, and one sister, Mrs. John R. Armstrong of this city.

He was a son of John M. Robinson, barrister of this city and grandson of Hon. John Robinson, former mayor of St. John, and the first

president of the Bank of New Brunswick, who was provincial treasurer at the time of his death.

Mr. Robinson's great-grandfather was the celebrated Col. Beverly Robinson, at one time president of the State of Virginia, prior to the revolutionary war. When the war broke out Col. Robinson raised a regiment to support the British cause and afterwards landed in St. John with the U. E. Loyalists.

J. M. Robinson was a good citizen. He lived at Rothesay over 20 years, coming to St. John ten years ago, was a director of the Cornwall and York Cotton Company, vice president of the St. John Railway Co., and vice president of the Bank of N. B. He has been ill less than a week, and it is estimated that he leaves a fortune of from \$300,000 to \$400,000.

the late Mr. and Mrs. Samuel Hallett, of Hampton Village, and was the last surviving member of the Hallett family.

She leaves one son, Mr. Norval H. Otty of Gagetown, who was with his mother when she passed away, and four daughters, Mrs. Albert A. Barnes of Hampton Station, Miss Margaret E. Otty, who lived with her mother, Mrs. Thos. Bain of Peters, St. John, and Mrs. George Langstroth of Hampton Station. There are also nine grand-children.

Mrs. Otty was always an active participant in social and philanthropic enterprises as well as deeply interested in Anglican Church affairs.

Although living a somewhat retired life since Major Otty's death, she has always had the love and respect of all who were privileged to know her, and regret will be felt in the community that another link with the past generation has been severed.

A short funeral service will be held at her late residence on Monday afternoon next, and thence the remains will be taken to the Parish Church at Lakeside, interment being made in the adjoining church-yard.

LATE MRS. McLELLAN.

Newcastle Paper Pays Well Deserved Tribute to Her Memory—The Funeral.

Newcastle Leader.—The death of Mrs. McLellan occurred at Fredericton on Saturday last. For the past three years she had been in delicate health but the sudden termination of her illness was entirely unexpected and came as a great shock to her family and friends.

Mrs. McLellan was the widow of the late W. W. McLellan, formerly trackmaster at Truro, N. S., on the Halifax and Moncton Division of the I. C. R. and later trackmaster of the Campbellton-Moncton Division with headquarters at Newcastle, and in his later years Trackmaster of the New-castle-Moncton Division. Mr. McLellan died here over eleven years ago and since his death his widow had made her home in Fredericton where she had two sons living.

The deceased lady was a native of Nova Scotia, having been born in Pictou County and was in her 64th year. Coming with her husband and family from Truro, N. S. she resided in Newcastle for over 16 years until the death of her husband. She is survived by three sons, namely, R. W. McLellan, barrister of Fredericton, A. M. McLellan of the engineer's office of the I. C. R. at Moncton, and W. A. B. McLellan, secretary of the John Palmer Co. in Fredericton, one daughter, Mrs. Russell, wife of Captain John Russell of this town, and two step-daughters, Mrs. R. N. Weeks of Millerton and Mrs. Jane Langille.

The funeral took place Tuesday, from the residence of Captain Russell, interment being made in St. James' Cemetery in the family lot alongside the remains of her husband and of her son John who was drowned while bathing at Newcastle in 1882. Rev. J. M. McLean conducted the services and the pall bearers were Hon. J. P. Burchill, Messrs. W. A. Parks, Chas. Fish, George Stables, Henry Bell and James Falconer.

An impressive funeral service conducted at the house and a quartette composed of Mrs. Shaw, Miss Sweeney, Mr. J. S. Williamson and A. E. Shaw, sang with fine effect the hymns "Abide with me" and "One sweetly solemn thought." The mourners were the deceased's three sons, Captain Russell, H. H. Gunter, of Fredericton, R. N. Weeks, M. C. Russell and Dr. Nicholson. Many beautiful floral offerings were received from Fredericton and Moncton.

Johnston of Fredericton. We wish the newly wedded pair every happiness.

PECULIAR.

A gentleman living at Nashwaakias one day last week, purchased a quantity of molasses from one of our leading merchants and took it home. MET WITH APPROVAL.

Government's Cold Storage Scheme Strongly Endorsed in the Commons.

Ottawa, Feb. 2.—The House of Commons considered cold storage all day yesterday.

Mr. Fisher's bill to subsidize cold storage establishments throughout Canada was taken up a few minutes after the opening and discussed throughout the afternoon and evening.

The principle of the bill found no critics, and many members on both sides of the House endorsed the plan heartily. There was some discussion over the details.

Mr. Clements thought the proposed bonus of thirty per cent. of the cost of each cold storage plant spread over five years was not adequate to produce cold storage plants as rapidly as the country needed them. Mr. Fisher said he was pleased to find the scheme met with such general approval. He thought that thirty per cent. was a general aid. He did not propose to build Canadian government cold storage warehouses in England. Private enter-

prise provided facilities there. He thought that the time for the payment of the bonus, and proposed to amend the bill and shorten it by paying half the allowance of 30 per cent. as soon as a warehouse is completed, seven per cent. more at the end of the first year, four per cent. at the end of the second year, two per cent. at the end of the third year and the final two per cent. at the end of the fourth year. The bonus would only be given to mechanical cold storage and not the ice cold storage houses, which were inexpensive and did not give as good results as were desired because temperature was not under control, where very low temperature were desired. If it was shown that trade required it, Mr. Fisher said the government would be willing to see that cold storage was provided on steamers running between P. E. I. and the mainland on the great lakes and inland waters. The meat inspection bill was given a third reading and the House adjourned at 10:30 p. m.

CAUSE FOR DIVORCE.

Husband had not Taken Bath for Three Years and Judge Severed Nuptial Knot.

Vancouver, B. C., Feb. 2.—(Special).—The fact that her husband, Christian Fredericksen, has not taken a bath for three years, enabled Mary Fredericksen to get a decree of divorce at Seattle a few days ago.

Judge Prater declared that any wife was entitled to a divorce from a man who had such an antipathy to water.

Mr. and Mrs. Fredericksen were married in Norway in 1898.

The woman told of her husband beating her and throwing a bottle of ammonia at her, and incidentally remarked that her husband had not bathed for three years.

"That's sufficient," said the judge.

SKIN GRAFTING.

London, Ont., Man Parted with Portion of Cuticle to Help Injured Brother.

London, Ont., Feb. 2.—(Special).—Samuel Anderson yesterday underwent an operation at Victoria hospital, when four strips of skin, one inch by six inches, were removed and grafted on the side of his brother, James Anderson, who was terribly

burned in September last, while underneath a G. T. Railway engine in the Guelph round-house, when the contents of the firebox were emptied on Anderson, who was as a result burned from shoulder to hip.

Both patients are doing well and a complete cure is expected.

Toronto, Feb. 2.—(Special).—G. R. R. Cockburn, former president of the Ontario Bank, will appear before Magistrate Denison today on a charge of signing a false statement of the bank's financial condition to be forwarded to the government.

Charles McGill, former manager, who was yesterday sentenced to the penitentiary for five years, or a similar charge will be called as a witness for the crown, but it is said proceedings will be purely formal and that Mr. Cockburn will leave court a free man on the ground of non-interference to deceive.

McGill, it is expected, will confirm the plea of the defence that the ex-president was himself deceived.

Hampton, N. B., Feb. 2.—(Special).—Mrs. Hannah Moore Otty, widow of the late Major Robert Otty, died at her home at Hampton Station at an early hour this morning, after about
