JUMPED THE TRACK.

Fourteen Persons Believed to Have Been Killed in Pennsylvania Railway Train Wreck.

Train Leaped Over Sixty Foot Embankment into River.

Johnstown, Pa., Feb. 23.—(Special)—The Pennsylvania special, the fast 18 hour train on the Pennsylvania R. R., between New York and Chicago, was wrecked at Black Diamond, Pa., seven miles east of Johnstown, shortly after midnight.

From 40 to 50 persons were injured and 14 are missing.

Many prominent Chicago men on the train were seriously injured.

The train was running 50 miles an hour, and was 35 minutes late.

When rounding a sharp curve, at Black Diamond, the whole train swayed.

The engine and smoking car remained on the track, but the Pullman coaches left the rails and plunged over a sixty foot embankment.

All attempts to obtain information from railroad officials met with rebuffs, on every hand.

At an early hour today, while it was reported that 54 passengers were on the train when it left Altoona, only 40 have been accounted for.

It is believed that the missing are dead in the wreckage in the river into which the train plunged over the embankment.

WAR DECLARED.

Honduras and Nicaraguas in a Conflict into which all Central America may be Drawn Except Costa Rica.

City of Mexico, Feb. 23.—(Special)—"War is an actual condition in Central America," said Under Secretary State Algers.

"We have received a message from the Mexican consul general of Honduras, which says: 'Minister of foreign affairs Cullon, declares that war has been started against Nicaragua. President Bonilla is now at the head of Honduran troops marching to the front to meet the army of Nicaragua.'"

This upheaval will perhaps be the most formidable that has ever occurred in Central America.

At first it will be Honduras and San Salvador against Nicaragua, but Guatemala will be an ally of Nicaragua.

Whether the aid of President Carreras' country will be open or secret, is not yet known.

This will mean that all Central America will be in a state of war, with the exception of Costa Rica.

MRS. TWINING'S SUIT.

Former Fredericton Lady Sues New Yorker for \$5,235.25—Def't. Claims Part Has Been Paid.

New York World, Feb. 21.—As the result of a suit which has been instituted in the Supreme Court of this country by Mrs. Ada L. Twining, to recover \$5,235.25 from Charles T. Allen, whom she met in London some years ago, an order has been entered for a commission to take in London the testimony of Mrs. Twining's daughter, the Marchioness of Donegal whose eighty-year-old husband died a few years ago, after she had presented him with a son and heir.

Mrs. Twining seeks to recover the value of a bill of exchange for £1,075 which Allen gave to Mrs. Twining in London on Aug. 15, 1902.

The bill was drawn by Allen on himself, and was payable four months after date at the Bank of British North America in London.

In due course of time Mrs. Twining presented the bill at the bank for payment, but she says it has never been met, and she sues for its equivalent in American money, with interest from the date when the bill became payable.

Allen in his answer admits he gave the bill of exchange, but says he does not owe the full amount. He declares that on one occasion he paid \$400 on account and \$50 at another time. These payments, he says, were made through David Russell, a banker of Montreal, and Allen adds that he is not at all sure that the whole amount of the bill has not been paid by Mr. Russell.

Wasserman & Jacobus, Allen's law-

yers, obtained from Justice Greenbaum, a stay and an order directing Charles A. Hess, Mrs. Twining's lawyer, to show cause why a commission should not issue for the examination of witnesses in the suit.

This order was returnable before Justice Greenbaum yesterday, and he after reading Allen's affidavit, in which he declared that the payments made on account were made through Banker Russell, of Montreal, in the presence of the Marchioness of Donegal and Herman Peller, of Montreal, made an order directing that Russell and Peller be examined by the United States Consul at Montreal and that the Marchioness of Donegal be examined in London by the United States States Consul-General in that city.

In the meantime there is to be a stay of the trial of the suit pending the return of the Montreal commission, but not of the London commission, unless Allen shall furnish a bond to secure Mrs. Twining for the amount of any judgment she may recover.

Mrs. Twining is the widow of a wealthy New Brunswick merchant from whom she inherited a large fortune. The present suit is said to have grown out of some financial schemes in which she engaged with Russell, of Montreal. One of these was the flotation of the Abbey Edwescant Salt Company, Ltd. None of the lawyers engaged in the case were willing to talk about it.

COUN. MURRAY DEAD.

Esteemed Resident of Kingsclear Succumbs After Lengthy Illness.

The death occurred at his home at Central Kingsclear at six o'clock last evening of Coun. John C. Murray, one of the best known and most highly esteemed residents of York county. He had been ailing for several months from senile gangrene, and it has been known for some time that he had no possible chance for recovery. He was tenderly cared for during the last days of his illness, and while he suffered a great deal he was perfectly resigned to his fate. News of his death was telephoned to the city last evening and was received on all sides with expressions of deep sorrow and regret.

The late Mr. Murray was a native of Springhill, his father being the late Mr. Joseph Murray of that place. All his life the deceased resided in the parish of Kingsclear, and carried on extensive farming operations. He was elected a municipal councillor for Kingsclear in 1875, and with the exception of one year represented the parish continuously up to the time of his death. His municipal record was a thoroughly honorable one, and he rendered good service not only to his parish but to the whole county. A man of broad views, sound judgment and genial disposition he endeared himself to all with whom he came in contact, and no man was more universally esteemed. The late Mr. Murray was probably the oldest municipal legislator in the province, both in years and length of service.

Mr. Murray held advanced views on agricultural matters, and was a firm believer in exhibitions. For a number of years he held the office of president of the Kingsclear Agricultural Society, and for a time he was a director of the Fredericton society. He was also chairman of the public building committee of the county council.

The deceased gentleman was in his seventy-ninth year and is survived by a family of one son and six daughters—Mrs. Z. R. Estey of Kingsclear, Miss Mabel Murray of St. John, and Misses Alice, Maggie, Minnie and Bessie and Mr. Charles Murray at home. There are also two sisters, Mrs. Straton and Miss Elizabeth Murray of Kingsclear, and three brothers, Thomas of Kingsclear, George of St. John, and Christopher, who resides on the Isle of Wight. Mr. John A. Campbell, M. P. is a cousin of the deceased. The late Mr. Murray was a widower, his wife, who was a sister of Mr. Thomas Gray of Kingsclear, having died some years ago.

The funeral will take place at three o'clock on Sunday afternoon from Mr. Murray's late residence at Kingsclear. The remains will be taken to the Episcopal church at Springhill, where Rev. Canon Montgomery will conduct the burial service. Interment will be made in the cemetery near the church. Robert B. Adams is the officiating undertaker.

A glance at the York municipal record shows that of the gentlemen elected with the late Coun. Murray in 1875, only seven are now alive. The list is made up of Senator Thompson, who was warden at the time; Luke Lawson of Canterbury, now customs officer at McAdam; Luther Goodspeed of St. Mary's, George L. Hoyt of Prince William, H. A. Davidson of Dumfries, James Jewett of Bright, and Alex. Munroe of Southampton. H. B. Rainsford was secretary-treasurer, and J. A. Vanwart auditor.

When she opened the door the eldest girl ran out and the mother rushed in and saved the baby, which was badly burned, but the boy perished.

Mr. McLeod's address was in good taste, and fully expressed the community's feelings respecting Mr. Logan's life, and the grief felt at his death.

The Church of England people propose building a hall for general church purposes during the coming summer on the upper corner of Brunswick and Carleton Streets. A spirited public meeting to discuss the matter was held in the church hall last night. It was presided over by the Metropolitan and there was a large attendance of prominent people. Resolutions including expressions of the need of such a building, and as to the question of ways and means were passed. The probable cost of the building was put at \$5,000. Over one-fourth of this amount is now at the disposal of the church and the remainder is to be raised by subscription. Rev. G. G. Roberts, Chief Justice Allen and Mr. George E.
