

OUTSIDE PALE OF HONORABLE MEN.

Toronto Globe Claims Mr. Fowler's Performance Should Ostracize Him.

Under the heading "The Deepest Depth," The Toronto Globe Tuesday comments on the Fowler incident in the House of Commons as follows: "Mr. Geo. Fowler, the member for King's, New Brunswick, after making unwarranted insinuations against the motives actuating Mr. Ralph Smith in his attitude on the Labor Disputes Bill, was himself twitted about the facts brought out in the insurance investigation concerning his dealings with Mr. Foster and others in western lands. He thought fit to reply in a manner that is happily without precedent in the history of parliament. What can be said of a man occupying the position of a representative of the people who announces that he had instituted a system of espionage, of spying on the private life of some of his fellow members, and proposed to reveal what he had ascertained if his own conduct is challenged. The unfortunate man had inflicted his own punishment."

MEN REQUIRE NERVE AND BLOOD TONIC.

How Are Your Nerves?

The daily grind of life burns up a man's vitality faster than he renews it. He gets shaky, starts at trifles, tosses in his sleep is ready to fly off the handle any minute. The nervous man is nervous because his blood is so thin his nerves are starved to death. He needs Ferrozone! Its first action is upon digestion. It stimulates secretion of gastric juice, ensures perfect digestion, prepares the food so it can be at once assimilated. Hence the blood is nourished, is fortified, made redder, richer, stronger. To the whole organism is imparted a vim endurance and reserve of vigor that the nervous man never knew before. The restorative power of Ferrozone is marvellous. In a month it will make you feel like new, just as it did make you feel like new, just as it did Mr. Karl E. Newtome of Rethesay, who writes: "I owe a debt of gratitude to Ferrozone which saved my life after a severe seizure of nervous prostration. About a year ago my health gave out, I was in such a weak, irritable condition I couldn't work, and found that three doctors did nothing for me. My drug bill recommended Ferrozone as the best preparation for nervous troubles, so I commenced with one tablet at meals. Every box of Ferrozone I took did me more good than the previous one, and it wasn't very long before I was strong enough to move around again. In three months I was completely cured. Ferrozone braced up my nerves, gave me a strong, healthy constitution, and is certainly a marvellous restorative and tonic." Try Ferrozone—sold everywhere by druggists in 50c. boxes.

Old Sam had been for several days patiently sitting on the bank of the Rappahannock River, near the dam, holding his shotgun in his hand. Finally he attracted the attention of a passerby, who asked: "Well, Uncle Sam, are you looking for something to do?" "No, sah," answered Sam, "Ise gettin' paid for what I doin'." "Indeed!" answered the stranger, "And what may that be?" "Shootin' the muskrats dat am underminin' de dam," answered Sam. "Well, the muskrats are now," exclaimed the stranger excitedly, "Why don't you shoot it?" "S'pose I wants to lose my job, sah?" answered Sam complacently. Mobile Register.

A CORDIAL INVITATION TO DISEASE.

This is an apt description of constipation. It's an unnatural condition to begin with, and it's made worse because it brings about blood deterioration, interferes with digestion, renders you susceptible to infectious diseases and causes anaemia. Not so much a purgative as a natural stimulant to the bowels is what you need. You get it in Dr. Hamilton's Pills which increase liver activity, restore the bowels to perfect action and positively cure constipation and its attendant evils. Insist on having only Dr. Hamilton's Pills of Mandrake and Butternut, 25c. per box at all dealers.

WOMEN REFUSED RIGHT TO SUFFRAGE.

Bay State House. Bill One of the Worst Ideas in Several Years.

Boston Herald:—"When I go home at night I want to find my mother or my wife there with a hot supper, and not a mile away jabbering on politics," said Representative "Bill" Newton from ward 13, at a meeting in the house yesterday afternoon against the motion to substitute for the adverse report of the committee on constitutional amendments, the bill for woman suffrage. The representative from South Boston seemed to express the general sentiment of the house, and once

Mr. Briefem, the most famous K.C. of his day, had retired from practice for good and all, and most people were content that it should be so. He bought a fine plot of land and had a magnificent house built upon it. But now came an important point. What should he call the house? It was a very puzzling question, and though he pondered it night and day a successful solution evaded him. As a last resort he wrote to a brother lawyer begging a suggestion for a suitable name. In due course the name came. "Dear Briefem," it ran, "What is wrong with 'Dunrobin'?" English Magazine.

"Why, William!" exclaimed Mrs. Jorkins the other morning early, as she met him at the door. "How dare you come home in this condition at this outrageous hour? You promised faithfully that at New Year's you would stop your loose conduct and turn over a new leaf. Catching at an extenuating suggestion he thought he saw, in these words Jorkins hastened to explain: "Thurs, just it, Mari! I did turn over a new one, but it belonged to the loath-leaf system."

The stomach's 'Weal or Woe!'—The stomach is the centre from which the standpoint of health, flows 'weal or woe.' AN INDIAN NOT AN INDIAN.

When He Is Living Away From His Band or Tribe.

When is an Indian not an Indian? This point was recently argued before Magistrate D. J. O'Connell in a judgment recently given in the case of Roszel against Kelly. This was a charge by Chief of Police Roszel laid under the Indian act C. S. O., chap. 43, and under which James Kelly, a Peterboro hotelkeeper, was charged with having sold intoxicating liquor to Richard Cornelius, an Indian. The case was tried on Monday, the 14th, and judgment given on a day or two after.

On the morning of the 8th of January Kelly sold to Cornelius and two white men three rounds of whiskey. To sell to the white men is no offence at law, but the statute makes the sale to an "Indian or non-treaty Indian" an offence subjecting the seller to imprisonment for a period not exceeding six months nor less than one month or to a penalty not exceeding \$300 nor less than \$50.

Mr. Haverson, for the defence, submitted that Cornelius was not an Indian within the meaning of the act. Whether or not one is an Indian is not determined by the color of his skin or the amount of Indian blood in him. Cornelius is two-thirds Indian and is very dark, but he is an Indian within the meaning of the act.

Mr. Haverson argued that under the act the expression "band" means "any tribe, band or body of Indians who own or are interested in a reserve or

MILBURN'S HEART AND NERVE PILLS

she writes: "For the past fourteen months I was nervous all the time, and became so run down I was unable to walk across the house without getting dizzy. My friends told me I looked like a living ghost and advised me to try Milburn's Heart and Nerve Pills. I got two boxes and within two weeks I had improved wonderfully and after finishing the fourth box I was completely cured. They are the greatest pills I ever used and I can recommend them to all sufferers."

Milburn's Heart and Nerve Pills act directly on the disordered heart and nerves, and restore them to healthy action. They have no equal for reviving and strengthening the heart beat, invigorating the nervous system, and acting as a food for the blood, improving its quality, making it rich and red.

Indian lands in common, of which the legal title is in the Crown or who are alike in distribution any annuity or interest money for which the Government of Canada is responsible.

The expression "Indian" means: "Any male person of Indian blood reputed to belong to a particular band."

The expression "non-treaty Indian" means: "Any person of Indian blood who is reputed to belong to an irregular band or who follows the Indian mode of life." The onus of proof here lay upon the prosecutor, and it was not established that Cornelius came within the class "Indian or non-treaty Indian," as defined by the act. Cornelius himself swore that he was not a member of any "band" and that he did not receive any "annuity." In fact, he was an Orinda, but he had no permanent home. At present he was living in a rented house at Indian River engaged in contracts with the white men in cutting cordwood.

The case was dismissed by the Police Magistrate. A similar action against Mr. M. C. Tooley of the Queen's Hotel, Peterboro, was also dismissed under this judgment. Tooley had sold to an Indian named Johnston.

ACROSS CANADA IN 3 YEARS.

Remarkable Trip Made by English Lecturer Gathering Material.

A walking geography of Canada arrived recently in Vancouver, B.C., in the person of Mr. H. Haywood, a fellow of the Royal Geographical Society of London, and lecturer, with Canada as his subject.

To master his subject Mr. Haywood has traveled from Halifax to the Terminal City by daylight, the tour having taken him three years. He has traveled thousands of miles by rail, steamer, and stage, also many hundreds of miles on foot, visiting large and small centres, new and old settlements, farm and mining districts, lumber camps, industrial centres, places that would afford him an opportunity of obtaining particulars respecting the resources of the country.

Mr. Haywood's aim has been to thoroughly know the country, from Atlantic to Pacific, its means and methods of transportation; its population; its products, and general resources; its cities and towns, and what they are noted for, so that he may make use of such knowledge during his lecture tours round the world. The views, with which his lectures are to be illustrated, will show the beauty spots that are of note and interest, besides the views of cities, towns, rivers, waterfalls, public institutions, and such scenes as would be an inducement to travelers and tourists generally to visit.

He also desires to induce travelers from Bombay, Madras, Ceylon, Calcutta, Australia, and New Zealand to favor the Canadian route in visiting England, so that they may become acquainted with Canada, its people, and the many picturesque spots that are to be seen from Vancouver to Halifax. His lectures will also be given in the United States.

He will try, while in British Columbia.

The Badge of Honesty

Is on every wrapper of Doctor Pierce's Golden Medical Discovery because a full list of the ingredients composing it is printed there in plain English. Forty years of experience has proved its superior worth as a blood purifier and invigorating tonic for the cure of stomach disorders and all liver ills. It builds up the run-down system as no other tonic can in which alcohol is used. The active medicinal principles of native roots such as Golden Seal and Queen's root, Stone and Mandrake root, Bloodroot and Black Cherry bark are extracted and preserved by the use of chemically pure, triple-refined glycerine. Send to Dr. R. V. Pierce at Buffalo, N. Y., for free booklet which quotes extracts from well-recognized medical authorities such as Drs. Bartholow, King, Scudder, Coe, Ellingwood and a host of others, showing that these roots can be depended upon for their curative action in all weak states of the stomach, accomplished by indigestion or dyspepsia, as well as in all bilious or liver complaints and in all wasting diseases where there is loss of flesh and gradual running down of the strength and system.

The "Golden Medical Discovery" makes rich, pure blood and so invigorates and regulates the stomach, liver and bowels, and through them, the whole system. Thus all skin affections, blotches, pimples and eruptions as well as scrofulous swellings and old open running sores or ulcers are cured and healed. In treating old running sores, or ulcers, it is well to insure their healing to apply to them Dr. Pierce's All-Healing Salve. If your druggist don't happen to have this Salve in stock, send fifty-four cents in postage stamps to Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y., and a large box of the "All-Healing Salve" will reach you by return post. You can't afford to accept a secret nostrum as a substitute for a medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

To obtain a perfect correction of views descriptive of the country, so that outsiders, that is, people in other parts of the world, who may attend his illustrated lectures, may gain a good idea of British Columbia and its many beautiful scenes, with which the whole province is so richly endowed; its great resources, stores of wealth, and the advantages to be derived by making it the great highway to Europe.

Criminals Like Canada.

A number of offenders, have recently endeavored to escape conviction in London, Eng., by promising to emigrate to Canada, which seems to have a fascination for the ordinary criminal. Two corporals of the Irish Guards who stole regimental moneys had tickets for Canada when arrested, and a burglar when brought before the court said he had committed his crime with the best of intentions, wanting the wherewithal to go to Canada for a new start.
