

Events of a Day

SPECIAL TRAIN.

A special train will leave the C. P. R. depot at 8.35 this evening for St. John.

COLD FOR FOSTER.

Even Mr. Hazen seems to have forsaken the celebrated land dealer Foster. The Opposition leader was billed to speak at Amherst last night with Mr. Foster, but failed to turn up. There was a time when Mr. Hazen would have travelled hundreds of miles to appear on the same platform with Mr. Foster.

PRAISE MR. BARNHILL.

The St. John Globe, which is unfriendly to the local government, discussing the possible entrance of Mr. A. P. Barnhill into the local government says:

"There is general admission that Mr. Barnhill would be a most popular candidate and that he would prove a capable administrator of any department."

GOVERNMENT MEETING.

The local government held a meeting here yesterday and heard a number of delegations including one from Campbellton, composed of Messrs. William Currie, M. P. P. James Reid, M. P. Ald. Joudrey, and Edward Alexander who are interested in fishing rights in Quebec. The Quebec government is trying to compel them to pay license fees and they want our government to intercede in their behalf. It is likely that steps will be taken to settle the difficulty. Col. McLean and Mr. M. Lodge were heard in regard to share deposits in Albert County. A delegation from Victoria County will be heard today in regard to the disposal of the lumber on the lands purchased by the government from the N. B. Railway Company. Messrs. A. H. Hanington and Hon. A. S. White will be heard in regard to the dispute between the Maritime Dairy Company and Empire Cream Separator Company.

Mr. Carey Wright, of this city, a graduate of the University is home on his holidays from Pittsburg, U. S. A.

Mr. A. H. Hanington, the well known St. John barrister is among the exhibition visitors and is a guest at the Queen.

THE TORY POW WOW.

Rumored that Mr. G. J. Colter has Been Induced to Accept a Nomination.

The Opposition party in York will meet at the county court house tomorrow morning to nominate candidates for the House of Assembly. There has been a great deal of manipulating and wire pulling going on during the past few days, and the whole program will be cut and dried beforehand. It is said now that Mr. Pinder, who has been working strenuously for a place on the ticket, is willing to stand aside in favor of Mr. George J. Colter of Keswick, but it is not certain yet that the latter will accept a nomination. It is well known that Mr. Colter has accommodated Mr. Pinder in financial matters in the past, and the King would have to step down and out if he said the word. It is certain that Mr. Colter can have the nomination if he wants it, but he will be expected to come down handsomely with the stuff. Mayor McLeod, John A. Young and Coun. Robinson will likely be the other members of the ticket.

SALE OF SHEEP.

Ninety-two sheep, purchased in Ontario for the provincial government, are being sold at public auction to-day in the pasture on Smythe street. The sale is attended by representative farmers from all parts of the province. The Cotswold rams were sold first, and brought good prices, ranging from \$8 to \$31, the latter figure being paid by Mr. Donald Innes of Tobique, for a ram. Most of the animals are being bid in by representatives of agricultural societies. Mr. D. J. Stockford is the auctioneer.

TOMORROW'S RACES.

The big race meeting at the driving park will be brought to a close tomorrow with the 2.35 and 2.17 classes. There is a big list of entries in both events, and good sport is anticipated.

CRISIS OF GIRLHOOD

A TIME OF PAIN AND PERIL

Miss Emma Cole Says that Lydia E. Pinkham's Vegetable Compound has Saved Her Life and Made Her Well.

How many lives of beautiful young girls have been sacrificed just as they were ripening into womanhood! How many irregularities or displacements have been developed at this important period, resulting in years of suffering!

A mother should come to her child's aid at this critical time and remember that Lydia E. Pinkham's Vegetable Compound will prepare the system for the coming change and start this trying period in a young girl's life without pain or irregularities.

Miss Emma Cole of Tullahoma, Tenn., writes:

Dear Mrs. Pinkham: "I want to tell you that I am enjoying better health than I have for years, and I owe it all to Lydia E. Pinkham's Vegetable Compound."

"When fourteen years of age I suffered almost constant pain, and for two or three years, I had soreness and pain in my side, headaches and was dizzy and nervous, and doctors all failed to help me."

"Lydia E. Pinkham's Vegetable Compound was recommended, and after taking it my health began to improve rapidly, and I think it saved my life. I sincerely hope my experience will be a help to other girls who are passing from girlhood to womanhood, for I know your Compound will do as much for them."

If you know of any young girl who is sick and needs motherly advice ask her to write Mrs. Pinkham, Lynn, Mass., and she will receive free advice which will put her on the right road to a strong, healthy and happy womanhood. Mrs. Pinkham is daughter-in-law of Lydia E. Pinkham and for twenty-five years has been advising sick women free of charge.
