TWENTY-FOUR KILLED.

Shocking Head-on Railway Collision---Disaster Occurred on Boston and Maine.

WHITE RIVER JCT. VT. CIPHER CAUSED TRAGEDY.

Sept. 16.—A fearfully fatal head-on collision between the south-bound Quebec express and a north-bound freight train on the Concord division of the Boston & Maine railroad occurred four miles north of Canaan station early Sunday morning, due to a mistake in train dispatcher's orders.

From a demolished passenger coach there were taken out twenty-four dead and dying and twenty-seven other passengers more or less wounded.

Nearly all those who were in the fatal car were returning from a fair at Sherbrooke, Quebec, 160 miles north.

The conductor of the freight train was given to understand that he had plenty of time to reach a siding by the night operator at Canaan station, receiving, according to the superintendent of the division, a copy of a telegraph order from the train dispatcher at Concord, which confused the train numbers 30 and 34.

The wreck occurred just after the express had rounded into a straight stretch of track, but owing to the early morning mist, neither engineer saw the other's headlight until it was too late.

The southbound train from Quebec consisted of the locomotive

FUR DISPLAY.

The beautiful display of fine fur goods at the Fred B. Edgecombe & Co.'s Booth in the Exhibition building is calling forth great admiration from the crowds of visitors who are continually hovering around. Their showing of fur coats and fur lined garments and fine furs generally is the most extensive and elegant ever shown in Fredericton, while people having a good opportunity for comparison are convinced that they can save money by purchasing their goods from the Fred B. Edgecombe Co., Ltd.—d.

THE STOCK MARKET

MONTREAL, Sept. 16 (Special).—Dominion Steel, Rio and Toledo were prominent in the stock market today. The latter was weak in sympathy with heaviness in American trolleys and sold off from 21 1/2 to 20 1/2, the lowest in some years.

Dominion Steel after breaking to 20 on Saturday was firmer, opening at 20 1/2 and reaching 21. Rio was firm at 43 to 42 1/2.

Other trading was slight, consisting of transaction in Halifax railway at 95 1/2 the lowest in some time and Montreal Power at 91 1/2.
