

OLD TIMES RECALLED.

A Glance Into the Local News of Fredericton Twenty-six Years Ago.

(Farmer Files, Aug. 18, 1881)

Mr. Justice Wetmore is holding divorce court this week.

St. Dunstan's Society is to have an excursion to Woodstock early in September.

Mr. Charles S. Beverley is here on a short visit to his friends, after an absence of seventeen years.

Only one of the eight applicants for grammar school licenses at the recent examination has been successful.

The Coadjutor Bishop is to conduct the services in Rev. Canon Medley's church at Sussex next Sunday.

Rev. Mr. Mowatt, pastor of St. Paul's church, has returned from his brief holiday trip, much invigorated.

Lieut. Governor Wilnot was a passenger on yesterday's train which met with the accident on Tuesday, but His Honor, we are glad to say, escaped uninjured.

Mr. William Lemont, of this city, was elected president for the ensuing year at the Sunday School Convention of the Maritime Provinces at Woodstock on Friday.

Miss Maud Narraway, daughter of Rev. Mr. Narraway, of St. John, is to assume control of the third department of the model school at the expiration of the present holidays.

The Rev. Peter Melville, formerly assistant to the Rev. Dr. Brooke, St. Paul's church, has been inducted into the pastorate of the West Branch Kirk, Pictou, N. S.

Mr. George T. Scully has safely reached his destination, Missoula, Montana, and on the second day after his arrival he stepped into a lucrative mercantile position.

Mrs. J. Billop Mauger, formerly of Fredericton, was married recently at Chicago to Mr. William Hugo, of that city. We believe it is Mr. and Mrs. Hugo's intention to visit their friends here shortly.

The delegates from this city to the Baptist Convention, which opens at Yarmouth on Saturday, will be Messrs. A. F. Randolph, H. C. Creed, M. S. Hall, R. H. Phillips, Dr. Rand, and Rev. B. N. Hughes.

The St. John cricket club have been challenged to play here Sept. 1st or 2nd, and the Longwood Club, of Boston, have also been communicated with, for a match here after they play at St. John next month.

There was a pleasant gathering in the vestry of St. Paul's church last Thursday evening, at which music, social intercourse and refreshments were features. The music was furnished by a male quartette, led by Mr. E. A. Smith.

A cricket match was played Monday afternoon between the elevens of juniors and seniors, the latter winning by one run—score 51 to 52. Botsford and Hawthorne for their respective sides, batted finely, each scoring 12 runs. Richards' bowling was the best he has done this season.

Paymaster Macmahon, Surgeon Winslow and Chief Engineer Kierstead, of the United States warship "Vandalia," now at St. John, were at the Barker House on Monday. They were shown the principal points of interest in and about the city during the afternoon, and driven to Springhill by E. Byron Winslow and Collector Street.

Dr. Atherton's horse ran away Saturday evening and in his wild career up Queen street, which was well filled with people, he narrowly escaped doing serious damage. Turning to York street he dashed into several pedestrians and

two or three had a very narrow escape. One, a Miss Sutherland of St. John, was knocked down and sustained some slight bruises about the body.

INDUSTRIAL NOTES

Farm hands are receiving one dollar per day and board this season.

Mr. John B. Grieves is to open a grocery store next door to his hotel, the Waverley, on Saturday.

Mr. J. S. Neill is doing a flourishing dog collar trade in consequence of the recent dog law passed by the city council.

Mr. George S. Miller, late with Hon. T. R. Jones, St. John, is about opening a grocery store in Spahn's building, Queen street, which is being refitted for that purpose.

Messrs. Edgecombe & Sons, Mr. R. Colwell and Messrs. Cooper & Pinder have more orders than they can fill. They have not experienced such a prosperous season for a decade, and all the other carriage manufacturers report a similar favorable state of affairs.

Mr. Henry B. Clarke, the contractor for the improvements on the Methodist church, expects to have his job completed about the first of October. The addition will contain accommodation for the choir, a new organ which is to be purchased shortly by the ladies of the congregation, and some of the Sunday school classes.

Mr. J. L. Inches' new brick building on York street is about completed exteriorly. It will contain accommodations for a shop on the first floor, and the second flat will be a large hall. The masonry and brick work were very satisfactorily done by Mr. T. M. Graevell and Mr. Nehemiah Vradenburg did the carpenter work. The upper flat will be completed early in September and the entire building will be ready for occupation this fall.

The plate glass has been put into the Parliament buildings, which are making very satisfactory progress towards completion. The plastering will be finished by the 1st of September and Messrs. Bond and Milne are rushing the woodwork inside. The legislative council chamber is about finished and presents a very fine appearance. A great many visitors are inspecting the new Parliament Buildings daily, and express admiration for their appearance and for the liberality of the legislature that is carrying through the work. Parties visiting the Parliament Buildings should enquire for Inspector Harry McGrath, who is always happy to extend any courtesy, and give any information in his power.

Messrs. McFarlane, Thompson & Anderson, of the New Brunswick Foundry & Machine Company, King street, have recently completed a very handsome fifteen horse power engine for Mr. Wheeler's new grist mill at Florenceville. It has a ten-inch cylinder and is a perfect piece of machinery.

THE MEDICINAL VALUE OF FRESH FRUIT JUICES

One of the Greatest Wonders of the Age.

Hundreds Have Been Made Well by Taking Advantage of an Ottawa Physician's Discovery.

Everyone knows how beneficial fruit is, when eaten regularly. Fruit is nature's laxative—the finest kidney regulator—and the ideal skin tonic. Unfortunately, the medicinal principle of fruit occurs only in minute quantities. In order to consume enough fruit to relieve biliousness, one would also consume a large amount of woody fibre or pulp, which would upset the stomach and impair digestion.

An Ottawa physician discovered a way to get around these difficulties. He pressed the juice from apples, oranges, figs and prunes—and then forced one more atom of the bitter principle from the discarded orange peels, into the concentrated juices. This formed a new compound, having all the curative effects of fresh fruit—and

in a highly intensified degree. Then valuable tonics and internal antiseptics were added and the whole pressed into tablets.

These are "Fruit-a-tives" the wonderful Liver Tablets you hear so much about. "Fruit-a-tives" cure the most obstinate cases of non-action of the bowels, biliousness, headaches, sleeplessness, nervousness, kidney trouble, rheumatism, sciatica and neuralgia. They are the greatest blood purifying medicine in the world, while their action on the skin, in clearing and beautifying the complexion, is nothing short of marvelous. Ask your druggist for "Fruit-a-tives" and see that you get them. 50c a box, 6 for \$2.50. By mail, postpaid, from Fruit-a-tives Limited, Ottawa. 113

John Perkins to Miss Sarah Logan, both of Fredericton.

In this city, on the 4th, inst. by the Rev. Jacob Gunter, Mr. Benedict Kingston, of Gladstone, Sunbury County, to Miss Annie M. Mersereau, of the same place.

On the 9th, inst., by the same, Mr. Charles Mersereau, of Blissville, Sunbury County, to Miss Phebe Anderson, of the same place.

At Chicago, Ill., at the Cathedral of St. Peter and St. Paul, July 21st., by Rev. E. H. Cleveland, William H. Hugo, to Jane Billop Mauger, of Fredericton, N. B.

DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

D. H. Morris, ex-president of the Automobile Club of America, was describing in New York the success of a certain early automobile.

"The man's cleverness is wonderful," Mr. Morris ended. "In some ways it reminds me of the cleverness of old John Jones."

"I thought you said you were going to bring a friend home to dinner with you this evening?" snapped Mrs. Jones, as they seated themselves at a beautifully appointed table.

"He couldn't come," John answered calmly.

"And then, with no little enjoyment, the clever fellow fell to upon the first decent meal he had sat down to for some weeks."

When a horse picks up a nail in his foot what does the driver do? Does he whip the limping, lagging animal and force him along? Not unless he wants to ruin the horse. At the first sign of lameness he jumps down, examines the foot and carefully removes the cause of the lameness. What is called "weak stomach" is like the lameness of the horse, only to be cured by removing the cause of the trouble. If you stimulate the stomach with "whiskey medicines" you keep it going, but every day the condition is growing worse. A few doses sometimes of Dr. Pierce's Golden Medical Discovery will put the disordered stomach and its allied organs of digestion and nutrition in perfect condition. Ninety-eight times in every hundred "Golden Medical Discovery" will cure the worst ailments originating in diseases of the stomach. It always helps. It almost always cures. To cure constipation use Dr. Pierce's Pleasant Pellets. They're sure.

A STOREHOUSE FOR POISONS.

You may not think so, but that's what you become when the kidneys are affected. These organs cleanse the body; they are the filters that remove from the blood the waste matter that acts like deadly poison on the vitality and health of the system. Dr. Hamilton's Pills stimulate the kidneys, expel fermenting matter from the bowels, restore the liver and stimulate all excretory and secretory organs. This enables the blood to quickly replenish itself and establishes perfect health. No medicine does such lasting good as Dr. Hamilton's Mandrake and Fennel Pills, 25c. at all dealers.
