LEASED A RESIDENCE.

Mr. W. S. Benson, manager of the Bank of Nova Scotia in this city, has leased the lower half of the late Hon. A. G. Blair's residence, George street, and will occupy it the 1st of May.

THINGS TO REMEMBER.

The arrival at Edgcombe's of the new spring and summer styles in novi-modi costumes. Their bargain sale of Easter-kid gloves next Wednesday—and the great opportunities afforded housekeepers to secure bargains in the carpet room. There will be a special sale on tonight in the ladies' room of new embroidered corset covers at 19 cents.—d.

GOOD FRIDAY NIGHT.

There is no better way of spending Good Friday night than by visiting Palestine, and studying the Life of Christ, as represented by some of the world's greatest artists. Arrange to see the 125 magnificent views in the Methodist church Good Friday night. No better views have ever been shown in this city. Everyone invited.

HOME FROM THE WOODS.

Mr. William Stone, the well known lumber operator, is in the city, having returned from the scene of his operations at St. Honore, on the Blue River, Quebec. Mr. Stone reports having had a very pleasant season's operations. He says there is about our and a half feet of snow in the woods, and the hauling is good.

Y. M. C. A.

There will be a meeting for men at the Y. M. C. A. parlor tomorrow afternoon at 4 o'clock, to which all men are invited. The crucifixion chorus will have a rehearsal at the Methodist Church on Sunday afternoon at 4 o'clock.

UNIVERSITY OF N. B.

Hon. Mr. Pugsley has introduced a bill in the legislature relating to the University of New Brunswick, the object of which is to allow the Alumni Society to elect four members of the senate instead of two.

WHAT'S THIS MEAN.

Canada Northern Engineers Working at St. Leonards.

A commercial traveller, who came to the city from St. Leonards' last evening, reports that a party of Canada Northern engineers arrived at that place on Wednesday. They were not giving out much information in regard to the object of their mission, other than to say that they were there to look over the country. A Grand Trunk Pacific engineering party, and engineers in the employ of the International Railway Company are also working near St. Leonards at the present time.

ST. JOHN ELECTION BILL.

The St. John election bill was shown of one of its objectionable features by the municipalities committee of the legislature Friday afternoon. The committee decided to recommend that the number of aldermen at large be reduced from six to four and that should the council desire to adopt the district system or make any further change in the future in the system of electing aldermen, authority will be given them to submit the matter to a plebiscite on a two-thirds vote of the council. An amendment embodying the above was submitted to the House last evening by Premier Pugsley.

MISS GOUGH'S DEATH.

Miss Ella S. Gough, a former resident of Fredericton, died in Boston, on the 21st, aged fifty-two years. She was well known and was a sister of Mrs. D. J. Brown and Mrs. F. A. McAndrews, both residents of St. John and a daughter of the late Martin H. Gough of Fredericton. The funeral took place this afternoon at St. John, from the residence of Mrs. Brown, Leinster street.

THE ASSESSMENT BILL.

It is said that the city council may withdraw the assessment bill from the legislature, in case the municipalities committee should recommend the adoption of a flat rate for income and real estate. The real estate men feel that if the bill is amended as proposed, it will be necessary to have a revaluation of city property made in the near future.

A STARTER'S LICENSE.

Ex-Ald. D. J. Stockford has been issued a starter's license for next season by the National Trotting Association. Mr. Stockford is a turfman of long experience and will be ready to meet all demands made upon him. He will be pleased to hear from the secretaries of Maritime race tracks, who might want his services during the coming season.

THE BOSTON SHOW.

A party of guides headed by Mr. Harry Allen of Peniac, will leave on Tuesday next for St. John, where they will take passage on the steamer for Boston to attend the Sportsman's Show, to open on March 30th. They will install the splendid exhibit shown recently in New York, and remain in charge of it. The show will be kept running for two weeks.

RECEPTION POSTPONED.

The steamer, Lake Manitoba, on which Rev. J. J. Ryan of St. Mary's is a passenger, did not arrive at St. John today as expected, and will probably not arrive in time to make connection with the evening train. The reception in Father Ryan's honor which was to have come off this evening at St. Mary's, has been postponed.

A NEW MARCH.

Bandmaster George Offen, of the R. C. R. Halifax, formerly of this city, has presented the Fredericton Brass Band with a march of his own composition entitled the F. B. B. March. The band boys are naturally much pleased with the compliment thus paid them, and will play the piece in public at the first opportunity.

Duncan of Bathurst was the only absentee. Satisfactory reports from the treasurer and registrar were read and adopted. Dr. Murray MacLaren was elected president for the ensuing year, Dr. Thomas Walker, treasurer, and Dr. Skinner registrar.

CONDITIONS HAVE CHANGED.

Notwithstanding one of the most severe storms of the season, our old friend Mr. James K. Pinder, ex-M. P. P., was able to come down to the city yesterday from his home in Nackawick to hear Mr. Flemming's deliverance on the budget. Under the old highway act, Mr. Pinder was frequently put to great inconvenience by snow storms, and on one memorable occasion the Herald recalls when Mr. Pinder was to have been nominated for the legislature he was snowed up for the best part of a week.

The bill to vest the property of the Fredericton Boom Company in the St. John River Log Driving Co., will come before the corporations committee on Monday morning. The Fredericton assessment bill will be further considered by the municipalities committee of the legislature on Tuesday morning. A bill to enable the Miramichi Lumber Company to construct a dam on the Southwest Miramichi at Boiestown will be taken up by the corporations committee on Wednesday next.

ROLLER POLO MATCH.

The roller polo match at the Arctic rollaway last evening between St. Stephen and Fredericton resulted in a victory for the former by a score of five to one. It was a very interesting game and attracted a very large crowd of spectators of both sexes. The Fredericton boys gave evidence of lack of practice, and proved an easy mark for the visitors from the border town. Sandy Staples umpired the game in a very satisfactory manner.

A memorial service to the memory of the late Moses Peterson will be held at the Main St. Baptist Church, Gibson, tomorrow afternoon, at three o'clock. Rev. Dr. McLeod will address the meeting.

THOSE BAD ROADS.

Dr. H. H. McNally has a letter in a local paper complaining that the roads between this city and Lincoln were so blockaded as result of the recent storm that on Friday, he was unable to get through with a span of horses to see a patient. Of course the doctor lays all the blame on the government and the act. In this connection The Herald's attention is called to the fact that a son of Mr. Parker Glasier, M. P. P., was able to drive to the city from his home on Thursday, the day following the big storm. It might also be well to point out that the high drifts Dr. McNally claims to have found near the residence of Ex-Ald. Boyce, would be within the limits of the city, and under the jurisdiction of Roadmaster McKay.
