PAINFUL ACCIDENT.

Lillian the three year old daughter of Mr. and Mrs. George W. Adams, had the misfortune to fall from a sofa at her home a few days ago and broke her left arm at the elbow.

"JOLLY KIND OF MAN."

The young man sent to Fredericton by the Montreal Star to report the libel suit proceedings in the police court is responsible for the following: "Mr. James H. Crockett, the defendant, goes about as blithely as if criminal cases were an item of daily routine. He is a bright jolly kind of a man who seems to have been built mentally if not physically upon some what the same lines as George Ham, always full of good spirits and with

a joke or a kind word for everybody. It is said openly here in Fredericton that Hon. Mr. Emmerson has a great personal liking for him."

PROPOSED ESPLANADE.

A delegation from the Local Improvement Association, composed of Messrs. T. G. Loggie, T. C. Allen, and Henry Chestnut, waited upon the government this morning and asked for a grant to aid in the construction of an esplanade on the river between St. John and Church streets. They showed plans of the work and estimated that it would cost \$10,000. Of this amount it was proposed that the government should pay one half, the payments to be extended over a period of five years, and the city council the other half. The government seemed much impressed with the arguments of the committee and promised careful consideration. Another meeting of the government is being held this afternoon, and it is possible that before adjournment the premier's resignation will be in the hands of the Lieutenant Governor.

Prof. Salmon, who has resigned from the chair of physics at the U. N. B. left for Montreal last evening in company with Mrs. Salmon, and will take passage by steamer there for his home in the old country.

SCHOOL BOARD MEETING.

Many Important Matters Dealt With by Trustees on Wednesday--Woman Principal for Charlotte Street School.

The May meeting of the School Board, took place Wednesday afternoon, with Trustees Dr. Atherton (chairman), Sheriff Sterling, Messrs. Kitchen, Weddall, Sharkey, Dr. Vanwart, Mrs. W. G. Clark and Mrs. Lynch, in attendance. Considerable routine work was put through. Secretary Sampson first read a requisition of Miss Currie of the York St. school, for one year's leave of absence, which after consideration was granted. Miss Currie expects to take a trip to British Columbia. Then came the resignation of Miss Lucas from the charge of the sloyd school on Charlotte street, which was accepted. It is Miss Lucas' intention to devote a year to the study of Domestic Science at Mount Allison University. The question of an appointment to temporarily fill the position of Principal Perry at Charlotte Street, came up, and four applications therefor had come in, the last being that of W. C. R. Anderson, now of Fairville. The board decided to transfer Miss Sarah Thompson of the York Street school to this school, and upon the question of a temporary successor to her, Miss Sarah Sterling of the St. Stephen high school was appointed.

Mr. Weddall presented the report of the committee appointed to prepare for compulsory education in the city schools. It recommended the appointment of four enumerators to take a census of all eligible school children in Fredericton from six to 16 years of age. The committee was continued with power to appoint and to prepare enumeration lists for the work of the census. The officials will get \$1.50 per day. In connection with the sloyd department it was decided to submit a requisition to the government for the payment as before, of one half of the expenses of maintenance which by an order of the Board of Education had been discontinued throughout the province, which it is claimed would vacate an act of the legislature. Half holidays were granted to York street school for Encoenia day upon request of the teachers, and all the public schools of the city for Tuesday, June 4th, circus day. Mrs. W. G. Clark and Mrs. Lynch, the committee upon prizes for English literature for boys and girls in Miss Thorne's department, and who decided to each grant a book prize for competition, were tendered a vote of thanks for their kind interest shown in the matter.

VERY SUDDEN DEATH.

Mr. James S. Jackson, a well known Citizen, Called Away.

The death occurred at his home on Saunders street at seven o'clock this morning of Mr. James S. Jackson, a well known and esteemed citizen, who for the past nine years has filled the position of night watchman at the New Brunswick Foundry. He was on duty Wednesday night as usual, and yesterday morning was seized with a severe illness, brought on by internal hemorrhages. A physician was called and everything possible was done to save his life, but to no purpose and early this morning he breathed his last.

The deceased gentleman was a native of Scotch Lake and was sixty six years of age. He is survived by a widow and one daughter, Miss Agnes Jackson, deputy secretary treasurer of the Municipality of York. He also leaves a step son Mr. John Hood of this city, and one brother, Mr. Adam Jackson of Scotch Lake. Mr. Adam Moore the well known guide, is a nephew of the deceased. The funeral will take place at 3.30 o'clock on Sunday with Mr. George W. Adams in charge of the arrangements.

COLLEGE BOYS CELEBRATE.

The University boys had their usual celebration on college hill last evening to mark the closing of the institution. They had the bonfire all right, but the cannon, a brass one, lately imported from St. John, refused to roar. The discovery was made that it had been spiked, many years ago, probably during the war of 1812, and an attempt to drill it out proved unsuccessful. A large crowd of the boys marched down town, and incidentally pulled in an alarm of fire from Box 46, just to let the citizens know that they were on deck. It is said to be their intention to engage in artillery practice this evening.

DEATH AT GIBSON

Mr. Brazilian Webb, died at his home at Gibson this morning after a lingering illness brought on by the infirmities of age. He was seventy years of age and leaves one son, Burdick, with whom he resided, and three daughters, Mrs. J. H. Bradley and Miss Webb of Gibson, and Mrs. Hartley Smith of this city. Rev. Beyer will conduct services at the house at seven o'clock on Saturday evening and the body will be taken to station by the nine o'clock train. The funeral will take place Sunday afternoon, John G. Adams undertaker.
