

Events of a Day

AT DIVINE SERVICE.

Lieutenant Governor and Mrs. Tweeddale accompanied by Private Secretary Barker, attended divine service at St. Paul's church yesterday morning and in the evening they went to Cathedral and heard Bishop Richardson.

GRAND LIGNE MISSION.

Rev. Mr. Bosworth of the Grand Ligne Mission, Quebec, occupied the pulpit of the Brunswick street Baptist church last evening. He spoke very entertainingly of the work being accomplished at Grand Ligne, and presented its claims for support.

A SLIGHT BLAZE.

The firemen were called out between eight and nine o'clock on Sunday morning for a slight blaze at the residence of Mr. Newton Jarvis, George street. Some clothing hanging near the kitchen stove pipe caught fire and was partially destroyed. No other damage resulted and the flames were extinguished before the firemen arrived.

IMPROVEMENT.

Mr. George Y. Dibblee, the enterprising druggist, is having a new hardwood floor placed in his drug store. Mr. Moses Mitchell is doing the work.

REPAIRS TO JAIL.

Mr. Moses Mitchell has a contract to place new ceilings in the corridors of the county jail building. They will make quite an improvement in the internal appearance of the jail.

HOCKEY LEAGUE.

The result of the meeting at St. John Saturday of members of the N. B. A. H. league with the president of the M. P. P. A. A. is that Sackville and Moncton will play for the best out of two hockey games and the Marathons and Marysville will play off for the championship of the N. B. A. H. L.

TONIGHT'S ROLL-OFF.

Following are the names and score of those who will roll-off in the weekly ten pin bowling competition at the Queen hotel this evening:

GOVERNOR'S RECEPTION.

His Honor the Lieut. Gov. and Mrs. Tweeddale will receive at the Queen Hotel tomorrow from 4 to 6 p. m.

McLELLAN CUP.

St. John Thistles Defeated Moncton and Keep the Trophy for the Present.

With bright hopes of winning the McLellan cup, three rinks of Moncton curlers came to St. John on Saturday but they returned home disappointed, as the Thistles, the holders of the cup, defeated them by sixteen points in a hard-fought game.

Every rink from the railway town went down to defeat the three majorities being two, five and nine.

The scores were:—
Thistles Moncton
A. G. Stevens, A. Dunn, 17
F. A. McAndrews, C. B. Trites, 19
W. A. Shaw, C. C. Allan, 20
D. R. Willet, W. N. Rippey, 15

A. P. Paterson, A. J. Tingley, 15
J. Watson, A. C. Chapman, 20
A. D. Malcolm, R. P. Dickson, 11
Jas. Mitchell, E. W. Given, 43

F. D. Miles, C. Mitchell, 43
J. W. Cameron, J. Edwards, 20
W. A. Shaw, Geo. Ackman, 11
J. F. Shaw, W. W. Maddison, 11

Majority for Thistles 16.

The cup was taken from Truro early in the season, by Chatham then New Glasgow captured it, the Thistles brought it from that town and have since successfully held it against St. Stephen and Moncton. Fredericton has the next try for the trophy.

A COOL TRICK.

The big deer head belonging to the Crown Land office, which is part of the New Brunswick exhibit at the New York sportsman's show, was stolen from the guides while the exhibit was being installed on Tuesday last. The head was lying on the floor along with other specimens when a well dressed man came along picked it up and disappeared in the crowd. The door keeper, however, refused to let him leave the building, and took the head away from him. It was soon missed by the guides and with the aid of an officer they were not long in solving the mystery. The head was recovered and the thief placed under arrest and held in \$1000 bonds. It is likely that he will get a term on Blackwell's Island for his smartness.

THE CIVIC ELECTIONS.

An election for the city council is taking place today and is probably the quietest the city has experienced for a number of years. Only two wards, St. Anne's and Carleton, are being contested, and for that reason the contest is not near as exciting as it would have been with full tickets in the field. The majority of the citizens were absolutely indifferent as to the result of the contest, and did not take the trouble to go to the polls. There are upwards of 1100 names on the list but it is doubtful if more than 400 will be polled. Those taking an interest in the contest predict the return of Everett and Kelly in St. Anne's and Hanlon and O'Brien in Carleton. As there are only six names on the ballots the result should be known before five o'clock.

HARD ON WATER PIPES.

The past winter has been a severe one on water pipes, and the thawing out engine has been kept steadily at work day and night for some weeks. Last night a main on Westmorland street burst near the King street corner, and has made quite a flood in that vicinity. Repairs will be made as soon as possible. Chairman Moore of the water committee talking to a Herald representative, said that more service pipes had frozen during the past few weeks, that during any other winter since the water system was installed. He thinks that the worst of the trouble is now over.

CHANGES OF RESIDENCE.

Mr. C. J. B. Simmons will remove to Gibson on May 1st and occupy the Simmons homestead. He will begin the erection of a new residence on Brunswick street early in the spring. The dwelling on St. John street, to be vacated by Mr. Simmons, has been leased by Mrs. G. W. Merrithew.

Mr. John C. Allen has rented the house on Regent street now occupied by Mr. E. J. Payson, who is to remove his family to Sydney on May 1st.

Mr. Geo. J. Colter of Keswick, has quite recovered from his recent injury and was in the city today.

THE ABERDEEN MILL.

Reported That Messrs. Fraser Will Rebuild Early in Spring.

The presence in the city today of Donald Fraser, sr., the well known millman, and his son, Mr. Donald Fraser, jr., has revived the report that the Aberdeen mill, destroyed by fire nearly two years ago, will shortly be rebuilt. It is said that one of the conditions will be that the city council extend the water works to the mill site, and it is generally understood that this will be done for the asking. The city may also be asked for exemption from taxation.

Mr. Donald Fraser, sr., interviewed by a Herald representative in regard to the report, declined to either confirm or deny it. He made the significant remark, however, that his firm did not propose to allow a profitable business enterprise to slip through its fingers. His firm, he added, were out for business and could probably handle a mill as successfully in Fredericton as others could.

Mr. Fraser went on to say that lumbering operations on the Tobique were about over for this season, and that the output would be about equal to that of last year. From another source it is learned that the company will rebuild the mill on condition that the city grants free water, and the C. P. R. builds a siding to the mill site. If these concessions are granted it is proposed to have the mill ready for operation in the spring of 1908.

ANOTHER STRIKE.

Employees of John Palmer Co. Demand Higher Wages.

About sixty larriagans makers employed by the John Palmer Company Limited, went on strike this morning.

A week ago the men employed at piece work made a demand upon the company for a higher rate of pay, and on Saturday evening were informed by President Palmer that the request could not be granted at the present time. Mr. Palmer explained to the men that he had made up the scale of prices for the ensuing year based on the present rate of wages, and if an increase was granted now it would mean a direct loss to the company. He gave them to understand, however, that he would probably be in a position to grant an increase in December next, when the scale for the next year would be made up.

Mr. Palmer's answer was not satisfactory to the men, and this morning, sixty of them who work by the piece, declined to return to work.

The men on strike claim that their demand is a very reasonable one and the company can very well afford to comply with it.

Movements of People in whom our Readers are Interested.

MUNICIPALITIES COMMITTEE.

The municipalities committee of the house met this morning for consideration of the bill relating to certain agreements between the town of St. Stephen and the Maine Water Company. Mr. Hill having briefly explained the same, after some discussion it was decided to let the matter stand over for the attendance of Mr. Gummer who has charge of the bill. The bill relating to the waterworks of the town of St. Stephen also stood over for the same reason.

SPECIAL SERVICES.

Revs. J. W. McConnell, J. C. Berrie and W. B. Thomas conducted a successful evangelistic service in the Methodist church last evening. There was a large congregation present, and a deep interest aroused. Tonight and every other evening this week excepting Saturday the services will be continued. All are invited.

BADLY BEATEN.

The Fredericton curlers who played at St. Stephen Saturday were badly defeated by the club of that town. The score by rinks was as follows:—

Fredericton	St. Stephen
C. J. B. Simmons 4 F. C. Murchie 23	J. A. Winslow 10 J. E. Ganong 19
A. S. McFarlane 12 W. L. Grant 22	C. F. Randolph 16 S. N. Hyship 20
Totals 42	84

Majority for St. Stephen 42 points.
