BASE BALL.

NOTES OF THE GAME.

Wrigley and Hulswitt have resigned with Columbus.

Hanton is enjoying his winter. He is away from Cincinnati.

Brown of Detroit, who was secured from Newark, has been leased to Toronto.

"Bill" Dahlen and Witte of the New York "Giants" are skating themselves into form.

Los Angeles has released Shortstop Gochaur, the former Brockton infielder, to San Francisco.

Manager Hugh Jennings of Detroit says he has no fear at all about McIntyre reporting this spring.

Secretary Farrell of the national association predicts there will be 50 minor leagues in the organization this year.

The North Attleboro club is hustling to secure a strong team, and is after Catcher McCarthy, formerly of Fordham and Beverly.

They still persist in alluding to Charley Wagner of the Boston Americans as a brother of Hanton.

The two are not related in any way.

A son of the former catcher of the Baltimore, "Billy" Robinson, is trying for the position of catcher of the Cleveland club who played in St. John College team at Annapolis.

Pitcher Oberlin, who will play with the Boston Americans, is minus the index finger on his pitching hand. He came in contact with a buzz saw, but pitched better ball after the hand healed than before.

The railroad trip of the New York "Giants" which begins this month, calls for 9000 miles of railroad travel.

Three games will be played with the San Francisco team in that city March 17, 18, and 19.

President Comiskey of the Sox and Irving K. Pond, architect, acted as judges at the Chicago School of Architecture in a contest of 20 students to determine the ownership of a \$200 prize for a drawing of a model baseball park.

Flick says he would not be leaving Cleveland in the lurch if he quit the team for it has four good men in Birmingham, Bay, Congalton and Hinchman. Flick was the only one of every game last season.

THE RING

LEWIS AND SULLIVAN.

If Mike (Tw) Sullivan does not whip Harry Lewis when they meet in Denver, next Thursday night, the New England boxing followers will be surprised, for though Lewis is a light-weight champion of the world, he is not a fighter of the world, they feel that the Cambridge man should win.

White Sullivan is not as clever a boxer as Lewis, he is every bit as fast, and just as hard a hitter, and has the advantage of having met better men, which gives him greater experience.

As a ring general, Mike has much in his favor, and is the more foxy boxer of the two.

When Sullivan left Boston for Denver to prepare for the fight he was confident. He had little weight to take off and was as strong as an ox. The only reason advanced by many who think Lewis will win is that he has whipped a few men in less time than has Sullivan stopped them.

But Sullivan has always been a careful fighter, one who wears his man to a stage of helplessness before trying to win decisively. Lewis likes to win quickly.

The battle should prove one of the best between lightweights since Gans and Nelson met. If Sullivan wins he will probably be matched with Honey Melody of New York for the welter-weight title.

The week will be the biggest in several months in fighting circles. One of the interesting events will be the meeting of Joe Thomas and Eddie Chambers in Philadelphia on Friday.

Thomas has been asking for another chance with Melody and it is said Melody has consented to meet him in Philadelphia.

If they meet, Honey is certain to wipe out the defeat he received the only time he ever entered the ring for a fight out of condition. Thomas has been asking for another chance with Melody and it is said Melody has consented to meet him in Philadelphia.

The local fraternity will have an opportunity to see some boxing to-night, when the Winnisimmet Club of Chelsea will hold a show for its members, in which George Murray of Lynn and Johnnie Lynch of Cambridge will measure their wits.

The other bouts for the evening will be: Denny Ryan of Chelsea vs. Kid McDonald of Chelsea; Young Murray of Lynn vs. Young Ryan of Chelsea, while in addition to these there will be wrestling and musical numbers.

In the other New England centres where boxing is permitted there are shows billed for the week, while the schedule for the six days show that there will be plenty of action everywhere.

Horses Cry For It.

Thirty horses per hour is the average work per currying machine done in many stables. Furthermore, the animals thoroughly enjoy the massage, for this is virtually what the operation is, and when released from their stalls will often run over to the machine of their own accord. The look of perfect peace and contentment depicted on the face of the animal is an excellent testimonial in behalf of the currying machine.—Scientific American.

Let another praise thee and not thine own mouth; a stranger, and not thine own lips.—Book of Proverbs.

A Correction.

Bertie—Father, what is an egotist? Father—He is a man who thinks he is smarter than any one else. Mother—My dear, you are scarcely right. The egotist is the man who says that he is smarter than any one else. All men think they are!

THE ORIGINAL CORN CURE.

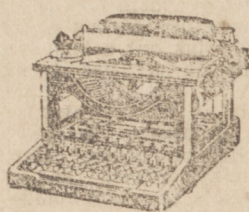

That doesn't cure the corn. Just apply the old standby, Putnam's Corn Extractor. It acts like magic. Kills the pain—cures the corn, does it without burn or scar. Get the best—it's "Putnam's."

Valuable Pebbles.

Between the northern point of Long Island and Watch Hill are a number of little islands, two of which, from a land and Goose Island, possess a peculiar form of pebbles. It consists in heaps of many colored quartz pebbles, showing red, yellow, purple and other hues, which are locally called agates
