MIDDLE LIFE

A Time When Women Are Susceptible to Many Dread Diseases—Intelligent Women Prepare for It. Two Relate Their Experiences.

The "change of life" is the most critical period of a woman's existence, and the anxiety felt by women as it draws near is not without reason. Every woman who neglects the care of her health at this time invites disease and pain.

When her system is in a deranged condition, or she is predisposed to epilepsy, or congestion of any organ, the tendency is at this period likely to become active—and with a host of nervous irritations, make life a burden. At this time, also, cancers and tumors are more liable to form and begin their destructive work.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dizziness, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness, inquietude, and dizziness are promptly heeded by intelligent women who are approaching the period in life when woman's great change may be expected.

Lydia E. Pinkham's Vegetable Compound was prepared to meet the needs of woman's system at this trying period of her life. It invigorates and strengthens the female organism and builds up the weakened nervous system.

For special advice regarding this important period women are invited to write to Mrs. Pinkham, at Lynn, Mass., and it will be furnished absolutely free of charge. The present Mrs. Pinkham is the daughter-in-law of Lydia E. Pinkham, her assistant before her decease, and for twenty-five years since her advice has been freely given to sick women.

Read what Lydia E. Pinkham's Compound did for Mrs. Powless and Mrs. Mann:

Dear Mrs. Pinkham:—

"In my opinion there is no medicine made for women which can compare with Lydia E. Pinkham's Vegetable Compound, and you have no firmer friend in the Dominion than I am. At the time of change of life I suffered until I was nearly crazy, and was not fit to live with. I was so irritable, irrational and nervous that I was a torment to myself and others. I surely thought that I would lose my reason before I got through, when fortunately an old friend recommended your Vegetable Compound.

Lydia E. Pinkham's Vegetable Compound Succeeds Where Others Fail.

What Lydia E. Pinkham's Vegetable Compound did for Mrs. Powless and Mrs. Mann. It will do for other women at this time of life.

It has conquered pain, restored health, and prolonged life in cases that utterly baffled physicians.

Lydia E. Pinkham's Vegetable Compound Succeeds Where Others Fail.

Always in Stock. The Extra Quality of this Coal is so well known, that nothing further need be said.
