BAND CONCERT.

The 71st Regiment Band will give an open air concert at the down town band stand Thursday evening weather permitting. This will probably be the last concert of the season.

NEW CHURCH BELL.

sion tickets, and one of 2 admission tickets. Prizes of half above value at Matinees.

Seven pictures and Boy Soprano give good value.—d.

CRANNEL-DELCURY.

A pretty wedding took place at St. Anthony's church St. Marys at six o'clock this morning when Mr. John Crannel of North Tay was married to Miss Ellen Delcury daughter of Mr. David Delcury of the same place. Miss Annie Owens acted as bridesmaid and Mr. Leo Owens was best man. At the conclusion of the services nuptial mass was celebrated by Rev. Father Ryan after which the happy couple returned to their future home at North Tay. The bride received a number of handsome and useful presents.

OFF FOR THE WOODS.

Mr. Frank A. Jannay has quite recovered from his recent illness, and leaves this evening for the Miramichi woods accompanied by Mrs. Jannay. They have leased one of Mr. Henry Braithwaite's camps and expect to remain in the woods until spring.

THE MATRON WILL STAY.

Hospital Trustees Decline to Ask for Miss McCallum's Resignation.

While the report of the sub-committee of the Victoria Hospital Board on the charges preferred against Miss McCallum has not yet been made public, it is understood that it has been unanimously approved by the full board. The committee feels that Miss McCallum has acted indiscreetly in some instances but under the circumstances they do not feel justified in recommending that her resignation be asked for. A number of changes in the rules and regulations, some of them of quite a sweeping character, have been recommended, and the board will undertake to carry them out.

Dr. Atherton when seen by a Herald representative this morning admitted that he had received a type written copy of the committee's report from Secretary Sampson, but did not feel that he would be justified in handing it over to the press for publication. Asked if he was satisfied with the report he replied with a most emphatic "no." "It is just as I expected," said he, "the matron has come out ahead. She appears to be able to do about as she pleases with the present board of trustees, therefore I don't look for any important changes in the rules. I intend to insist on my resignation being accepted."

A report is current about the city today that Mrs. Daniel Richards has made a proposition to the trustees to close her private hospital and accept the position of matron of the Victoria Hospital, providing she is guaranteed the position for three years.

PRETTY HOME WEDDING.

Popular I. C. R. Man and Miss Annie Miles of Gibson, United in Marriage.

The home of Mr. John F. Miles of Gibson was the scene of an interesting event this morning at 8 o'clock when Lewis Sterling of the I. C. R. was united in marriage to Miss Annie Miles. Rev. H. R. Boyer tied the nuptial knot in the presence of immediate friends of the contracting parties.

The bride was very attractive in a pretty dress of brown cloth with hat to match and carried a bouquet of roses and carnations. She was unattended. After the ceremony a wedding breakfast was partaken of and the happy couple took the 9.20 train for a short wedding tour. On their return they will reside at Gibson.

BIG GAME NOTES.

Mr. Albert Tilt of New York, who has been hunting on Cain's River with Mr. Chipman Bartlett as guide, returned to the city at noon today bringing with him the head of a moose with an antler spread of forty eight inches.

Dr. W. A. Morris of Boston arrived in the city by the noon train and is among the guests at the Queen. He is on his way to the Miramichi woods to hunt big game. The doctor is a brother of Miss Morris, at one time matron of the Victoria Hospital here.

Three fine caribou heads from Newfoundland arrived by express today consigned to Emack Brothers.

LAI'D TO REST.

The funeral of the late Mrs. Joseph Vancine took place from her late home on Brunswick street at 3 o'clock this afternoon and was attended by a large number of sorrowing friends and relatives. Rev. J. W. McConnell conducted an impressive service at the house and interment was made in the rural cemetery. A large number of beautiful floral offerings attested the great esteem in which the deceased was held by her family and friends. The chief mourners included Messrs. Dow Vancine, J. M. Palmer, R. B. Vandine, and F. J. McCausland.

AMERICAN SILVER.

A report has been in circulation for several days that the banks of the city had decided not to accept the American silver dollar in future except at a discount of ten per cent. On making enquiry the Herald learns that all the banks except the Bank of Montreal, as well as the express offices, still accept the "bung-down" at par.

WILL HUNT BIG GAME.

Mr. E. D. Simon of Manchester, England, arrived here this morning and registered at the Queen. He is on his way to the headwaters of Little River to hunt big game with Lorenzo Savage as guide. Mr. Simon has been spending the past few weeks in Newfoundland hunting caribou.
