LIQUOR DEALERS SCORE

Judge Duff of Supreme Court of Canada
Grants Order for Habeas Corpus in
Case of Moncton Scott Act
Violator.

ON THE GROUND THAT FINE IMPOSED WAS
EXCESSIVE.

Moncton, March 9.—(Special).—Another victory has been scored by C. Lionel Hamington, barrister of Dorchester, in the interest of the Moncton liquor dealers.

He has secured from Justice Duff, of the Supreme Court of Canada at Ottawa, an order for habeas corpus in the case of Placide Richard, now serving a month's sentence in jail in default of the payment of two hundred dollars fine, imposed by Magistrate Kay, for Scott Act violation.

The order was granted on the ground that the fine was excessive

and is contrary to the decision recently given by the supreme court of New Brunswick.

In face of the late decision from the higher court, Magistrate Kay this morning dropped from two hundred dollars he has been imposing of late to fifty dollars in the case of the Hotel American convicted of a violation of the C. T. A.

This means that until the point is definitely settled, Moncton liquor dealers convicted of violation of the Scott act will likely get off with the old fine of fifty dollars.

DOWIE IS DEAD.

Man Who Organized New Sect and Claimed
to be "Elijah the Restorer" Passed
Away Suddenly at Zion City.

Chicago, March 9.—(Special).—John Alexander Dowie died this morning at 7.30 at Shiloh House, Zion City.

He was ill since yesterday afternoon.

Last night he became delirious and passed away this morning.

The death of Dowie was unexpected and a large number of his followers gathered at Shiloh House.

Mrs. Dowie, Judge Dowie, the prophet's father, and his son who are at Ben Meil Hugh's Michigan were notified.

Judge Barnes who at the bedside

Dowie was a member of Voliva's council but remained friendly to Dowie, believing him to be insane, and not responsible for his actions.

Dowie's wife, father and son held the same view. It is therefore believed that though they have been estranged, they will attend the funeral.

The Christian Catholic church of which Dowie was the head had been organized by him in 1896, Dowie being general overseer for four years. Later he claimed to be "Elijah the Restorer" spoken of in Malachi.

REVENUE BUOYANT.

Canadian Finances Show a Marked Improvement Over Last Year.

Ottawa, March 9.—(Special).—The statement of revenue and expenditure of the Dominion for eight months ending with February, shows a revenue of \$57,986,531, an increase of over eight million dollars, as compared with the same time the previous year.

The expenditure was \$27,629,000 an increase of about a half a million dollars, so that there was a betterment in the finances of over seven and a half millions.

In capital expenditure there was an increase of one and a quarter millions. This leaves a total increase of revenue of five millions.

ROASTED TO DEATH.

Live Stock Cremated in Disastrous
Fire at Crock's Point.

Two large barns belonging to Mr. Goodrich Sloat, who resides at Crock's Point, in the parish of Bright, were completely destroyed by fire at an early hour this morning, with all their contents, including four horses and fourteen head of cattle.

The fire was discovered at 5.30 o'clock, but was then so far advanced that with the limited amount of help available it was found impossible to save the buildings or their contents. The barns were well stocked with hay and grain, and in one of them was a quantity of farm implements, all of which went up in smoke.

There were five horses in one of the

barns but by hard work one of them was rescued. The others, all heavy draft horses, were roasted alive. The same fate befell thirteen head of cows and young cattle, which were quartered in another barn.

A portion of the live stock destroyed belonged to Dr. Wilby of King's, who is living on the place, having secured a lease of it from May 1st next. As far as can be learned there is not a dollar of insurance.

No one seems to have the slightest idea how the fire originated. Only two years ago Mr. Sloat had the misfortune to lose his dwelling house by fire, and he has since rebuilt on the old site. The house being some distance from the barns escaped destruction on this occasion.

CRESCENTS WON EASILY.

St. John Marathons no Match for Marysville's Crack Hockey Team.

The first of the play-off series between the St. John Marathons and the Marysville Crescents, for the championship of the New Brunswick Amateur Hockey League was played at the Marysville rink last night and resulted in a glorious victory for the Crescents by the score of 5 to 1. Nearly five hundred people were present and enjoyed a good fast game. It was a little strenuous at times but clean and manly all the way through. Capt. Mooney of the St. John team told a Herald representative that he had brought the best team with him that St. John could produce. The Marathons depended largely on their long lifts to win them the game but they were watched too closely to be dangerous.

The line-up and officials were as follows:

Marathons	Goal	Crescents
Page	Point.	Fullerton
Paterson	Cover.	Brogan
Woodworth	Centre.	Gibson
Clawson	Rover.	Inch
McAvity	Right Wing.	Robinson
Mooney	Left Wing.	Hovey
Rising		Dennison
Referee—Wilfrid Black, Marysville.		
Goal judges—F. J. Burr for St. John, Wm. McConaghy for Crescents.		
Timers—H. J. Paisley and Clara Downing.		
Penalty judge—George Hulme.		

SUMMARY.

1st half.
1st goal—Marysville—Gibson.
2nd goal—Marysville—Robinson.
3rd goal—Marysville—Hovey.

2nd half.
4th goal—Marysville—Inch.

5th goal—St. John—Clawson.

6th goal—Marysville—Dennison. It was 9.55 when Referee Black blew his whistle to start and off they went. St. John setting the pace which proved too fast for them before the game was over as they could not keep it up and the playing became slow at times. There was a great deal of slashing, knee cheating and tripping indulged in by both sides.

Woodworth of St. John, was put off twice for slashing and inch once for the same offence.

The first goal was scored by Fred Gibson from his position at cover point, where he was playing in place of Captain Cain, who was unable to play on account of a sore foot.

The Marysville team broke up the St. John boys' combination work in such a way that they were kept guessing and had no chance to distinguish themselves in that line. After a good rush Robinson netted No. 2 for his team shortly followed by Hovey scoring again. This ended the scoring in the first half—Marysville 3, St. John 0.

The second half was faster than the first and a little rough work was displayed by both teams. Inch was the first man to score on a pass. The St. John boys worked hard to get a goal. Clawson made several attempts but was unable to pass the Marysville defence. Presently he did break through and secured the only goal for his team.

Dennison got the puck soon after the face-off at centre and ended the scoring by netting No. 5. From this out honors were about even.

There was the usual row at the close of the game, but this time some Fredericton bloods were the chief actors. One young man from this city came out with a fractured nose.

The next game of the series will be played at St. John on Tuesday.
