MANY CHILDREN IN CONGESTED DISTRICTS VICTIMS OF CONSUMPTION.

S. Goodfrend, a specialist from New York, declares that ten per cent of the children in the congested districts of Cleveland are victims of tuberculosis.

The same deplorable conditions have been found to exist in other cities, and the eradication of the white plague among children has been started in earnest. Sanitary conditions are being improved, treatment, affording fresh air, is given, and nourishing food is being supplied.

Children with weak lungs are susceptible to colds, which cause the lungs to become sore. The tubercular germ settles in the sore places and sets up what is called a "mixed" infection, the starting point of consumption.

Parents are warned against giving children cough or cold remedies containing opiates, as narcotics only stifle the lungs and render them more susceptible to the deadly tubercular germ. The following simple formula, the ingredients of which can be obtained from any good prescription druggist at small cost, will break up a cold in twenty-four hours, and cure any cough that is curable: Virgin Oil of Pine (Pure), one-half ounce; Glycerine, two ounces; good Whisky, a half pint. Use in teaspoonful doses every four hours.

An eminent authority on lung trouble says if this simple and effective formula was known and generally used, throat, lung and bronchial affections would seldom reach an acute stage. Care should be used in selecting pure ingredients, and, to avoid substitution, it is best that they be purchased separately and mixed in your own home.

The Virgin Oil of Pine should be purchased in the original half-ounce vials, put up expressly for druggists to dispense. Each vial is securely sealed in a round wooden case, with engraved wrapper, with the name—Virgin Oil of Pine (Pure), prepared only by Leach Chemical Co., Windsor, Ontario—plainly printed thereon. There are many rank imitations of Virgin Oil of Pine (Pure), which are put up under similar names and style of package. Never accept these as a substitute for the Virgin Oil of Pine, as they will invariably produce nausea and never effect the desired result.

CATHEDRAL LENTEN SERVICES.

Bishop Richardson Addresses His People on the Subject—Program of Addresses.

His Lordship Bishop Richardson has addressed the following communication to the members and adherents of the Anglican Communion in Fredericton.

MY DEAR FRIENDS:

Let me take this way of saying a few very simple words to you about the season of the Church's year, upon which we are about to enter. I want to say how much I hope that you will make the very most of what it brings to you,—that you will let nothing stand in the way of making this Lent a real source of strength to your souls. For that is what it ought to be. It is an opportunity given you by God. Make no mistake about it. Do not let yourself think that the observance of Lent as a time of special penitence and self-denial, is only a man-made custom. It may not be mentioned in the Bible, but it came into being under the guidance of God's Holy Spirit, and all down the ages, wherever the custom has been honoured, there has come through it to the Church, and to the individual, the strength that He alone can give. And that will be true again, true of this congregation, and true of the men and women who make up the congregation, if only we give ourselves to Lent as Lent waits to give itself to us. But everything depends on that. There are no purely formal avenues of grace. It is when we seek God with all our hearts that we find Him. I invite you, therefore, to help me make these forty days a really forceful factor in our Cathedral life, and to that end special provision has been made for Lent's observance. There will be service, as usual, twice daily, only this year in the Cathedral instead of in the vestry. It may be found necessary sometimes to hold the morning service in the vestry, but that in the afternoon will always be in the church itself. There will be, therefore, plenty of room, and I hope very much that many will be regularly present. As you will see later in this leaflet, there will be an address each day at 5 o'clock, except on Wednesdays, when there will be a service with a sermon at 7.30 in the evening. I wish to lay special stress upon these daily services. I hope to be able to spend the greater part of Lent in Fredericton, and propose to give a connected series of addresses on the Epistle to the Romans, a certain section being set aside for every day, so that it will be possible for members of the congregations to make themselves familiar beforehand with the text. During the two weeks, when I shall be away, the Sub-Dean will deliver a series of addresses on the Gospel of St. John. I need only add that these afternoon services will last very little more than half an hour.

In Holy Week there will be some slight departures from the custom of former years. Instead of the ordinary service on Wednesday night, there will be "A Quiet Hour," in preparation for the Easter Communion; whilst on Good Friday, in addition to Morning Prayer at 10, and Evening Prayer at 7.30, there will be the "Three Hours' Devotions" from 12 to 3 o'clock, which addresses on "The Seven Last Words."

Faithfully your friend,
J. A. RICHARDSON,
Coadjutor Bishop.
