

Events of a Day

PARLOR SOCIAL.

There will be a parlor social at the Neil Strett United Baptist church, Gibson, on Wednesday evening next at 8 o'clock.

CURLING NOTES.

In the senior rinks' competition last night J. H. Hawthorn defeated R. F. Randolph 16 to 10, and T. L. Fowler beat Col. Loggie.

GOING TO ST. STEPHEN.

Three rinks of Marysville curlers are to leave this evening for St. Stephen where they play tomorrow afternoon and evening. The skips are Dr. Fisher, George Tapley and James S. Inch. The St. Stephen curlers have promised a return match.

EPWORTH LEAGUE SOCIAL.

The Epworth League and the Men's Bible Union of the Fredericton Methodist church extend a cordial invitation to all members of the congregation over fifteen years old to be present at a social tomorrow (Wednesday) evening in the Sunday School room.

VALUABLE ESTATE.

The will of J. Morris Robinson of St. John was admitted to probate Monday, and letters testamentary were granted to J. M. Robinson, Jr., and Mrs. Fannie Robinson, the executors. The estate is valued at \$10,800 real and \$112,500 personal property. The estate is bequeathed to Mrs. Robinson for her life and then to the children; J. R. Armstrong, proctor.

MARRIED AT BOSTON.

Miss Emma Agatha Ward, formerly of this city, was married at Boston on Sunday, February 10th, to Dr. E. J. Hayes of that city. After the ceremony the happy couple left on a wedding tour, which will include leading American cities. The bride, who has many friends here, is a sister of Mrs. Joseph Mysherrall of this city.

CITIZENS' LEAGUE.

A meeting of the Citizens' League to further consider matters in connection with the approaching civic elections, is to be held in the Good Templars' Hall, this evening.

Basket Ball Team Defeated St. John Algonquins 30 to 9.

St. John Telegraph.—U. N. B. 30; Algonquins, 9. This score represents the superiority of combination play by skilled players over conscientious, brilliant individual work by novices as illustrated in the basketball game in the Algonquin gym, last evening.

From the first the U. N. B. men outclassed the local boys and at no time did the latter have a chance. Dunphy and Hayward seemed to have a little combination trick that baffled every effort of the Algonquin defense men. Dunphy would toss to Hayward from the centre of the floor then by the time "Biscuit" was ready to return, Dunphy would be under the basket and had little difficulty in scoring. Woods, for the visitors, put up a strong game and "Sandy" Thorne, formerly of the U. N. B., played a wonderful game for the Algonquins. He was easily the best man on the floor. D. Roberts was quick, but weak at shooting.

The score at the end of the first half was 14 to 3, in favor of the U. N. B., and at the end of time 30 to 9. M. Rutledge, of the U. N. B., referred quite impartially. The line-up was: U. N. B. Forwards. C. McLatchy, W. Jones, M. Hayward, D. Roberts, Centre. K. Dunphy, A. Thorne, Defence. W. Woods, N. Finley, Wood, A. Roberts, G. F. Baird, spare. A number of U. N. B. boys came with the team, and aided by several graduates now residing in St. John, were able to give quite a respectable yell. A pleasant feature of the game was the presence among the spectators of many young ladies who, judging by their enthusiastic coaching, seemed to have a great interest in the game.

In all probability a return game will be played in Fredericton soon. The Portland Y. M. A. also would like to get a game on with the Fredericton players.

Y. M. C. A. BASKET BALL LEAGUE.

Representatives of the various basketball teams who are members of the Y. M. C. A. met last evening evening with the gymnasium committee and made arrangements for running a Y. M. C. A. Basketball League. Six teams were represented. A series of fifteen games will be played and the league will be run under the official Y. M. C. A. Basketball rules of Canada. The following schedule was adopted.

A LAUDABLE AMBITION.

The Daughters of the Empire have a special plan in view for giving assistance to Victoria Hospital. It remains with the public to decide whether or not their ambition will be realized. A bumper house on Wednesday evening, Feb. 27th is all that is required, and the programme to be put on that evening will be a satisfactory return for the price of admission. This programme is quite out of the ordinary, and is of course on entirely patriotic lines. The plan of the hall will open at McMurray's bookstore tomorrow, Feb. 20th. Secure your seats early and remember the date.

SURGICAL OPERATION.

Miss Maggie Hughes, daughter of Mr. John Hughes, Queen street, who was operated on about two years ago for appendicitis and has since been under medical treatment underwent a successful operation at Mrs. Richards' private hospital yesterday afternoon. Dr. Atherton performed the operation assisted by Dr. McGrath of this city and Dr. Fisher of Marysville. While the young lady's condition was serious there is now strong hope for her recovery.

GOVERNMENT CAUCUS.

The first government caucus of the session was held in the executive council chamber last evening, and was well attended. Mr. Osman of Albert presided, and Mr. King of King's acted as secretary. It is understood that only matters having to do with the legislative program were discussed and that the meeting was a most harmonious one.

A VETERAN OFFICIAL.

Mr. John Payne Has Been Forty-three Years in the Employ of the Legislature.

Mr. John Payne, the popular head messenger at the house of assembly on Saturday last completed his forty-third year in the service of the local legislature. Mr. Payne, then a small boy entered upon his duties as page on Feb. 16 1864, at the time when the late Sir John Allen was speaker, and has served the house in one capacity or another ever since, never missing a session or scarcely a day. He has served during the administration of the leading men of the province and has witnessed many political changes. Governments have come and gone but Mr. Payne still goes on in the faithful performance of his duties continuing to win the esteem of all with whom he comes in contact.

THE NEW YORK SHOW.

New Brunswick Will be on Deck With a Fine Game Exhibit.

Arrangements are about completed for sending a first class game exhibit from New Brunswick to the sportsmen's show, which opens at Madison Square Garden, New York, on Friday March 1st. The St. John and Fredericton Tourist Associations are co-operating with the Guides' Association in the undertaking and are confident of their ability to carry it through successfully. Five of the leading guides of the province will go to New York at their own expense, instal the exhibit and take charge of it. They will distribute tourist literature to the visitors, participate in canoe races and other sports, and do everything in their power to make the resources of this province better known to the sportsmen and tourists of New York and vicinity. The guides who will accompany the exhibit are: Charles Cremin and Adam Moore of Scotch Lake, David and Hiram Manderville of Derby and perhaps one or two others. The privilege of the New Brunswick booth will be available to all guides from the province who may care to visit New York while the show is in progress.

Mr. W. H. Allen has completed work on a log cabin 10 x 12 and it will be taken to New York as part of the exhibit. It is the intention of the guides to take along several wild animals including lynx and sable and the Manderville brothers will exhibit their pet bear. Surveyor General Sweeney has offered to loan for the exhibit of the mounted specimens in the Crown Land office.

It is expected to send the exhibit forward on Friday of this week, the government having arranged with the Washington authorities to admit it free of duty. The guides will leave for New York on Tuesday next.

This will be the first time that New Brunswick has made a game exhibit at a New York sportsmen's show, and undoubtedly satisfactory results will accrue from it.

THE DEATH ROLL.

Mr. J. H. Dickson, K. C., clerk of the executive council, received word yesterday of the death at Hopewell Cape, Albert County after four weeks illness of an old friend in the person of Mr. Samuel Stewart, trade instructor at the Dorchester penitentiary. Mr Stewart was a native of Londonderry, Ireland and had resided in this province since 1864. In politics he was a staunch Liberal and prior to his appointment to the penitentiary staff took a prominent part in political contests in Albert county. He was a great friend and admirer of the present minister of railways. He is survived by a widow, one son and one daughter. Miss Eliza Dixon, one of the brightest students in attendance at the provincial Normal School here, is a granddaughter of the deceased.

IMPORTANT CHANGE.

It is understood in railway circles that there will be an important change next season in the train service between Boston and St. John. The different railway companies interested now have under consideration a proposal to put on a last express, which will leave Boston late in the afternoon and arrive at St. John at nine o'clock the next morning, or about three hours earlier than at present. The train will pay very little attention to local traffic, and will therefore only stop at the most important stations. If the plan is carried out as it is very likely to be, passengers from Boston will be landed in Fredericton at nine o'clock in the morning.

Mr. John Anderson, ex-M. P. P., of the Barony, is among the visitors to the city today, and is receiving a hearty welcome from his many friends.

Messrs. Cyprien Martin and Thomas Clair, M. P. P.'s for Madawaska arrived last evening for the session and are guests at Windsor Hall.
