NEW COMPANY TALKED OF.

Messrs. A. T. Presson and J. D. Goss, young men hailing from Moncton were here yesterday interviewing business men and others in regard to a new telephone line, which they are promoting. They claim that they have ample capital to establish a long distance line, and they are anxious to find out what the prospects are for establishing a local exchange. It is understood that most of the citizens whom they interviewed, were apparently well satisfied with the service being given by the New Brunswick Company.

THE CITIZENS' LEAGUE.

Several Aldermanic Candidates Proposed at Last Night's Meeting--Officers Chosen.

The newly organized citizen's league held a meeting in the I. O. G. T. hall last evening, and discussed matters in connection with the approaching civic election. About thirty citizens were in attendance, and the proceedings were harmonious, although not very much of a practical nature was accomplished.

On the recommendation of a nominating committee, appointed at a previous meeting, the following officers were elected for the ensuing year:

President—John J. Weddall.
Vice President—Dr. Creed.

Treasurer—A. H. Vanwart.
Secretary—W. H. Osborne.

In the course of a discussion in regard to the object of the league it was pointed out by several speakers that it was not a temperance society, but an organization formed for the purpose of securing good government. Capable and trustworthy citizens are wanted by the league for the council board, and it is recognized that while they will be expected to enforce the Scott Act, they will also be expected to give the city progressive and clean government.

The committee appointed to select aldermanic candidates, reported that there was a strong inclination on the part of leading citizens to keep out of civic politics. A number of citizens had been interviewed, and had expressed a willingness to enter the field, providing a strong ticket was put out in every ward. The

names proposed for aldermen were as follows:

Wellington Ward—Messrs. Mitchell and W. J. Osborne.

St. Ann's Ward—Ald. Everett and Hedy Vanwart.

Carleton Ward—Joseph Walker and P. D. McKenzie.

Queen's Ward—J. D. Phinney and E. Eardley.

Queen's Ward—J. D. Phinney and George N. Babbitt.

Evidently the meeting was not altogether satisfied with the list of names proposed, as the committee was instructed to continue the work and report at the next meeting. It is quite probable that there will be some changes. So far the league has put forth no effort in the direction of looking up a candidate for the mayoralty.

Ald. Colter, who has been slated by the league as a candidate for Queen's ward, gave the meeting some information in regard to the bills which the city council will send to the legislature at the approaching session. The bill to take the control of the police out of the hands of the police magistrate was especially referred to, and also the bill to provide a new form of ballot, and Ald. Colter intimated that he was not altogether satisfied with these bills as drafted by the city clerk, and would have some amendments to propose at the council meeting on Wednesday evening.

After some discussion on general matters, the meeting adjourned to meet next Tuesday evening.

TILLERS OF THE SOIL.

Farmers and Dairymen of New Brunswick in Annual Session.

The annual meeting of the Farmers' and Dairymen's Association of New Brunswick opened at the church hall at three o'clock this afternoon. The president, Mr. Donald C. Innes of Tobique river, occupied the chair and there was a good attendance, nearly every county in the province being represented.

President Innes, who is one of the most intelligent and progressive farmers of the province, discussed matters of practical interest in his annual address. He expressed pleasure at seeing such a large attendance and extended a cordial welcome to the delegates.

The occupation of the farmer he considered a noble one, and it was up to the farmer to endeavor to attain the highest ideals in his work. The farmer's home should be made attractive, and nothing should be left undone to hold the interest of the young people.

President Innes, came one flat foot-

ed against the dog nuisance, and decried the arrival of the time when radical measures should be taken to stamp it out. The presence of so many dogs throughout the country made it impossible for the farmers to engage extensively in sheep raising, an industry which he had reason to believe could be carried on with profit in this province. Mr. Innes spoke with great vigor and his remarks were heartily applauded.

In the absence of Mayor McNally, Alds. Hooper and Everett, extended a welcome to the delegates in a few brief, but well chosen remarks.

Hon. L. P. Farris, commissioner of agriculture was introduced as the next speaker, and was given a very cordial reception. After expressing pleasure at seeing such a large and representative attendance, he proceeded to speak of what had been accomplished in the Province last season from an agricultural standpoint.
