EMMERSON'S DENIAL.

Minister of Railways Declares Gleaner's Allegations Concerning Him are "Absolutely and Unqualifiedly False."

CRIMINAL ACTION WILL BE TAKEN AGAINST TORY ORGAN.

Ottawa, March 30.—(Special)—Instructions have been given on Mr. Emmerson's behalf for legal proceedings against the Gleaner, and the action will be taken under the Criminal Code. The attention of the Minister of Railways has been called to an article in the Gleaner connecting him with the rumor referred to by Mr. Bourassa, that one of the members of the cabinet had been put out of hotels and public places of amusement with women of ill-repute, and intimating that he was one whom Mr. Fowler had in mind when he threatened to discuss the character of honorable gentlemen opposite, whether they be ministers or private members, and their connection with women, wine and graft. Mr. Emmerson gives the assertion emphatic and comprehensive denial. He said: "The statements are absolutely and unqualifiedly false, and any repeating them will be held responsible." The only Upper Canadian paper which has republished the Gleaner's statements is the Toronto World, which printed the substance of the libellous article in a despatch from Frederickton. Yesterday the World gave publicity to Mr. Emmerson's denial.

SURGICAL WONDER.

Man's Artery Severed and his Heart Pumped Blood into Dying Wife's Veins—Operation Successful.

Philadelphia, March 30.—(Special)—For the first time in this city, the transfusion of blood was resorted to yesterday to save the life of a patient. Mrs. Anderson was dying from anaemia in the Polyclinic Hospital, and the doctors decided on a bold stroke to save her life. The husband of the dying woman cheerfully permitted a quantity of his blood to be pumped into his wife's veins. The woman was brought back to consciousness, and now has more than a slight chance for complete recovery. Anderson, himself, though weak by loss of blood and the ordeal of the operation, soon rallied, and bids fair to be himself again in a few days. Anderson was anaesthetized, and the pulse artery in his left arm was severed. The large vein in Mrs. Anderson's left arm was also severed, the artery of the husband inserted in the incision, and for an hour the man's heart pumped blood into his wife's veins. Then the arteries were loosened and the proper connections made.

SUSPECT FOUL PLAY.

English Laborer Found Unconscious on Railway Track with Head Gashed and Money Gone.

Toronto, March 30.—(Special)—With his neck on one rail, with four ghastly wounds in his head, and with his clothing partly torn off, Edward Elliott, an English laborer, was picked up unconscious at midnight on Thursday on the G. T. R. main line between Port Credit and Lorne Park, and died shortly after. From the attending circumstances there are grave suspicions of foul play, robbery apparently being the motive. Elliott had been working for the past two weeks with a section gang laying rails in the vicinity of Port Credit. On Thursday evening he called up on the station there with a discharge ticket for two weeks pay and received a few dollars. No money was found on the body.

STOCKTON ESTATE.

Deceased M. P. Left Property Valued at \$27,130.

St. John, March 30.—(Special)—The will of the late Dr. A. A. Stockton, M. P., was probated this morning. The estate is valued at \$27,130, of which \$10,000 is real and \$17,130 personal. It all goes to the widow. Western parliamentarians made another inspection tour of the harbor this morning. All expressed surprise at the excellent port facilities, and the amount of business apparently done. They were entertained at luncheon on the Empress of Britain at 1 p. m. The Empress of Britain arrived this morning with 1,115 passengers.

A LANDSLIDE.

Canadian North Train and Tracks Hit by Falling Bank.

Toronto, March 30.—(Special)—A bad landslide occurred on the Canadian Northern Railway at Barnsdale yesterday. The sudden change in the weather caused a bank to give way, and it slid down just as a freight train was passing. The train and tracks were carried away by the force of the earth-quake avalanche, the tracks being shifted for some distance. No serious damage was done however, and nobody was injured, but it took several hours to get the track in shape again.

DOMINION REVENUE.

Past Nine Months Shows Large Increase Over Same Period Last Year.

THE EASTER MARKET.

The country roads are still in a very good condition and the market this morning was quite up to the average for Easter times. Eggs were of course the principle commodity and the demand for them was brisk. The price seemed to be governed to a considerable extent by what the purchaser was willing to pay. It ranged from twenty-one to twenty-five cents per dozen, some small lots bringing the higher figure. Eggs are said to be fairly plentiful in the country and a drop to fifteen cents may be expected in the near future. A few turkeys sold this morning at twenty cents a pound, and beef sold by the quarter for seven and eight cents. Butter is now worth twenty-four cents per pound.

His operations were conducted on McLean Brook, Parish of Douglas, and he employed sixty men and twenty-one pair of horses. Mr. Humble is one of the very few operators for Mr. Gibson on the Nashwaak, who com-

pleted his contract. Nearly all the others were unable to do so for lack of men, although wages have not been so high for several years. Mr. Gibson will be short some ten million feet of his intended cut.

LOST AT SEA.

Mrs. D. E. Morgan on Saturday last received the sad intelligence that her only son, Capt. PRESENTATION.

There was a pleasant gathering in the school trustees' room, Officers Barracks, Monday afternoon, when the officers of the 71st battalion presented Lieut. Col. Mansell, D. A. McKenzie, Harry Beckwith, Quartermaster Lupton, Capt. Loggie, Capt. Cropley, R. M., Capt. Barker of St. Mary's, Lieut. Jared Boone, Lieut. J. D. Hazen and Mr. L. C. Macnutt of the Maritime Farmer. The proceedings were opened by Lieut. Col. Marsh reading an address to Col. Mansell, and making the presentation to that gentleman. Col. Mansell made a very happy reply, in which he expressed his regret at leaving Fredericton. A pleasing episode occurred when Col. Mansell presented Capt. McKenzie with a beautiful silver pitcher, "for zealous and efficient services." A round of toasts and speeches followed and the afternoon was very enjoyably spent. Col. Mansell, we understand, will not leave here before April 14th. He is to be succeeded in New Brunswick by Lieut. Col. Taylor of London, Ont.
