

Events of a Day

THE FIRST MEETING.

The first meeting of the new city council will be held on Tuesday evening for the purpose of appointing standing committees for the ensuing year.

A NEW FIRM.

Mr. George W. McEwin, the well known auctioneer and late proprietor of the York Hotel, and Mr. C. Burnett, have decided to go into the auctioneer and commission business and have leased suitable quarters in Phoenix Square. Both gentlemen have had considerable business experience and will no doubt make a success of their new business venture.

RETURNED FROM EUROPE.

Miss J. A. Morgan, who has been visiting the leading millinery establishments in Europe, returned last evening.

Miss Morgan has selected millinery at the leading establishments in the old country and is prepared to give her patrons the benefit of her selections. A call at her parlours on York Street, would be worth while.

THE ASSESSMENT BILL.

The city assessment bill will be further considered by the municipal committee of the legislature on Monday morning at eleven o'clock.

A committee representing the fixed income men of the city will be heard in opposition to the section which proposes that the rate of taxation on income shall be four times greater than that to be imposed on real estate. The real estate owners will protest against any change being made, and have engaged Mr. J. H. Barry, K. C., to champion their cause.

ON THE TOBIQUE.

Mr. R. A. Estey, returned on Thursday evening from an extended trip to the Tobique woods. He says that the past winter has been a very severe one in that section, and lumbering operations have been carried on under great difficulties. The work is now well advanced, there being only two camps to finish up. Mr. Estey says that la grippe has played havoc among the crews during the past few weeks, and he tells of one camp where eleven men were down with it at one time.

BOWLING MATCH.

Mr. D. B. Winslow won the monthly bowling match at the Queen Hotel alleys last night with a score of 468 for three strings. His prize was a beautiful silver ring. Mr. Joseph Hanlon was in second place and received a box of cigars.

Education is the cheap defence of nations.

SENATE MEETING.

Dr. Bailey Granted a Pension of \$400 per Year—A Gratuity for Dr. Brittain.

The senate of the U. N. B. held an important meeting at the education office this morning, those present being Dr. Inch, Judge Barker, Chancellor Jones, Principal Bridges, J. D. Hazen, M. P. P., Hon. G. F. Hill and J. H. Barry, K. C. Dr. Bailey's resignation as a member of the faculty was accepted and he was granted a pension of \$400 per annum, as a mark of appreciation of his forty years of faithful service. Dr. Brittain, who has acted as lecturer in chemistry for several years past, was voted a gratuity of \$300. A resolution was passed expressing appreciation of the splendid service he had rendered the University. A similar resolution was adopted in the case of Dr. Bailey.

RHODES SCHOLARSHIP.

J. Arthur Estey, a Fredericton Boy, Secures Coveted Prize in Nova Scotia.

Wolville, N. S., March 16.—J. Arthur Estey of Fredericton, N. B., who will graduate this year from Acadia University, has been awarded the Nova Scotia Rhodes scholarship. Mr. Estey's splendid record both in sports and scholarship admirably qualifies him for his success and the appointment is deservedly popular. At the age of thirteen, Mr. Estey entered the Fredericton High School with an average of 95 per cent, and with comparative ease maintained a most creditable record through all his high school course. His career at Acadia has been conspicuously brilliant. He won the freshman prize for all round scholarship and has

taken first class honors in mathematics and classics through the rest of his course.

He is a born leader in sports, being captain of both the football and hockey teams in his senior year. He is also an accomplished musician and has often presided at the organ of the Wolville Baptist church and at the Brunswick Street Baptist Church, Fredericton.

Mr. Estey is a son of the late Henry Estey of Fredericton, for many years on the People's Bank staff and an alderman of Fredericton a grandson of the late Dr. J. W. Spurgeon and is a nephew of Mr. J. W. Spurgeon of the People's Bank in Fredericton.

LONG'S HOTEL PROPERTY

Knocked Down to J. W. McCready at Auction for \$14,600.

The Long's Hotel property, on the corner of King and York Streets, was put up at public auction in front of the city hall at noon today by the executors of the estate of the late B. A. Everett. There was a large crowd in attendance and the bidding, which started at \$12,000, was fairly lively. Mr. J. Hugh Calder, a local real estate dealer, bid the property up to \$14,500, but was raised \$100 by Mr. J. W. McCready, solicitor for the Everett estate. Mr. Calder declined to make any further bids, and the property was knocked down to Mr. McCready for \$14,600. Mr. G. W. McEwin was the auctioneer.

The lot has a frontage of 92 feet on King Street and extends out York Street a distance of 207 feet. The late Mr. B. A. Everett bought the property eighteen years ago for nine thousand dollars, and has since expended about \$2,000 in improvements.
