Rapid changes of temperature are hard on the toughest constitution.

The conductor passing from the heated inside of a trolley car to the icy temperature of the platform—the canvasser spending an hour or so in a heated building and then walking against a biting wind—know the difficulty of avoiding cold.

Scott's Emulsion strengthens the body so that it can better withstand the danger of cold from changes of temperature.

It will help you to avoid taking cold.

ALL DRUGGISTS: 50c. AND \$1.00.

BOILER EXPLOSION.

Five Thousand Killed. One of Them Torn to Pieces.

Norristown, Pa., Jan. 16.—(Special)—The boiler of a Philadelphia and Reading R. R. freight engine exploded at Bridgeport, near here, today and five trainmen were killed.

All the killed resided at Allentown. The rear portion of the boiler was hurled about 150 yards, while the wheels of the engine remained on the track.

Roy Scheder, a brakeman received the full force of the explosion, and was torn to pieces. The others were scalded to death.

LOWER HAYNESVILLE.

Jan. 14.—The weather is stormy today but not so cold. Every one in the lumber work is hustling now to get their logs and lath and telephone poles to Burnside while there is room to pile them prior to sending them to their different destinations. Our popular merchant is busy getting his goods from Burnside to his store at the corner.

Allan Brown hauls the largest load of logs that passes here. He knows how to handle the strings on the grays.

Coy Woodworth and his intended returned to this place yesterday from a visit to Burt's Corner. We hear a faint tingle of wedding bells.

Percy Haines, and his sister of Marysville made a visit here. John Woodworth and wife were visiting Miles Elliott and wife yesterday.

E. N. Reynolds and family were visiting friends in Middle Hainesville yesterday.

HEALTH FOR RUN DOWN WOMEN.

From the experience of Mrs. Jno Panke, Saskatoon, nothing compares with Ferrozone. "At times I was confined to my bed and couldn't work I was run down in flesh, lost strength my appetite failed, my color was pallid. Weary and cast down, it seemed I couldn't catch up. Ferrozone began a new kind of life in my blood built me up, vitalized and strengthened my nerves and finally cured my heart and stomach pains." Ferrozone is a re-builder that has special virtue in female ailments. Sold every where in 50c. boxes; try Ferrozone.

THE COUNTY COUNCIL.

An Increase of \$150 Made to the Victoria Hospital Grant.

TWO AUDITORS DREW PAY FOR PART OF LAST JANUARY.

Agricultural Society No. 34 Wants Grant for an Exhibition.

WEDNESDAY AFTERNOON.

At Wednesday afternoon's session Warden McFarlane announced that he intended entertaining the councillors and county officers to a dinner at Windsor Hall on Thursday evening. The councillors were at liberty to bring their friends.

On Coun. McKee's amendment that the grant to the Victoria Hospital be \$500, the council divided as follows:

Yeas—McKee, Reynolds, Fraser, McMullin, Fox, Scott, Simmons, Marston, Brooks, Voysey, Pand, C. W. Timmons, McNally—13.

Nays—Robinson, Thompson, Carr, Grosvenor, Cropley, Goodspeed, Pond, Brewer, Haining, Skene—10.

The warden declared the amendment carried.

Coun. McNally said that he had voted for the amendment because he did not think the grant should be increased permanently. However he was willing to make a special grant to help wipe out the deficit.

Coun. Brooks was willing to give the hospital an extra \$100.

Coun. Robinson moved, seconded by Coun. Scott, that a special grant of \$100 be made to the hospital.

Coun. Fred Pond moved in amendment, seconded by Coun. Cropley, that the amount be \$150.

Coun. Robinson wanted to withdraw his amendment but Coun. Scott objected.

On the vote being taken on the amendment it was declared carried by a vote of 12 to 11.

The report of the Scott Act Inspector was received and referred to the Scott Act committee.

Coun. McNally from the committee appointed to look into the question of taxing I. C. R. employees in the parish of St. Mary's submitted a report. The committee, he said, had learned that in St. John and Moncton, where a large number of men were employed by the I. C. R., no income tax was collected. The committee recommended that the matter be dealt with by the council.

On motion of Councillor Timmons the report was adopted.

Coun. Goodspeed claimed that if the I. C. R. employees in the parish of St. Mary's, the amount of their incomes should be deducted from the valuation of the parish.

Mr. Bliss promised to look carefully into the question and make a report on Thursday morning.

Coun. Grosvenor wanted some information in regard to the cost of supporting patients at the provincial hospital.

Mr. Bliss explained that the act relating to the provincial hospital had been amended and the inmates reclassified. He then read out a list of eight patients and asked the councillors for information in regard to them.

Couns. Goodspeed and Fox claimed that patients set down to their parishes were not properly chargeable to them.

Mr. Bliss promised to go over the list with the councillors at a later stage. He said that patients were chargeable against the parish where they had a legal settlement.

Coun. Robinson wanted to know how long a patient had to be on the asylum before acquiring a legal settlement there. There were being charged with the support of a patient from Manners-Sutton, whom they had not heard from for five years.

On motion of Coun. McNally the list of parish officers for Queensbury was confirmed.

On motion of Coun. McKee a by-law was ordered to be prepared dealing with the running at large of cattle in the Parish of Bright.

The list of parish officers for New Maryland, Prince William and Stanley and Canterbury were confirmed.

On motion of Coun. Douglas it was ordered that a by-law be enacted to prevent the running at large of cattle in certain districts of Stanley.

PARISH ELECTIONS.

Coun. C. W. Pond thought that the date for holding the Parish elections should be changed from October to August. At present he said, when the elections were called on in October a great many young men in the Parish were absent in the lumber woods and were consequently disfranchised. He would like to hear an expression of opinion on the subject.

Mr. Bliss, in reply to Coun. Cropley, said that the change could only be made by authority of the legislature.

Coun. Goodspeed said the conditions in St. Mary's were practically the same as in Stanley. He was in favor of having the elections in August.

Coun. Scott said that he had no objection to the change.

Mr. Bliss said that the council could change the date to any time in October but the elections had to be held during that month.

The warden expressed himself as being in favor of holding the elections

earlier.

Coun. Brewer thought that August was too early, as people would be busy haying and harvesting.

Coun. C. W. Pond moved, seconded by Coun. Goodspeed, that the election be held on the third Tuesday in August.

Coun. Robinson moved that the elections be held in September instead of October.

Coun. Brooks moved in amendment that the elections be held on the first Tuesday in September. This was seconded by Coun. McMullin.

After some discussion Coun. Pond amended his motion by substituting September for August.

Coun. Grosvenor wanted to know if the chairman of the administration of justice committee had made any arrangements for a conference with the city committee to adjust the accounts.

Mr. Bliss stated that no arrangement had yet been made.

The lists of parish officers for the parishes of North Lake, Manners-Sutton and Bright were confirmed.

Coun. McKee moved that his bill of \$84.81 for road damages incurred in the Parish of Bright be paid.

Mr. Bliss explained that the amount would be assessed on the Parish of Bright under the Highway Act.

Mr. Bliss in reply to Coun. C. W. Pond said that a roadmaster having a claim for work done before the new highway act came into force would have to be rendered to the highway superintendent.

A DOUBLE PAYMENT.

Coun. Robinson said according to the auditor's report the council had paid two auditors for the first nineteen days in 1906. The amount drawn by Mr. McCready was \$7.82, and Mr. McLeod had drawn the quarter's salary ending April 1st.

Mr. McLeod explained that he had been appointed for a year and had drawn his salary. If there was any over charge he had nothing to do with it.

Mr. Bliss explained that Mr. McCready considered that under the law remained in office until his successor was appointed and therefore was entitled to his salary down to January 19th.

Coun. Robinson said that he was not yet satisfied. He thought that either McCready or McLeod had drawn money they were not entitled to.

Mr. McLeod claimed that in addition to his regular work he had audited accounts for the previous year.

Coun. Fred Pond said he did not think that Mr. McLeod had any right to draw salary before he was appointed. Mr. McLeod's time did not commence until he was appointed on Jan. 19th.

Mr. Bliss said that it was necessary for Mr. McCready to continue discharging his duties until the council met and his successor was appointed.

Mr. McLeod claimed that although he was appointed on January 19th he had done the work for the whole year, and could rightfully claim the salary. Mr. McCready had remained in office up to Jan. 19th, but he had only done one year's work.

Coun. Grosvenor thought that such a small matter should be disposed of without taking up the time of the councillors. It would not take long to use up a larger amount in talk.

Coun. Brewer said if the council appointed a new auditor every year, and had to pay the old one and his successor for a period of nineteen days, it would soon amount to quite an item. At present it looked as if somebody had got ahead of the country to the extent of \$7.82.

After some further discussion the matter was allowed to drop.

Coun. Goodspeed claimed that the charge of \$20 made by the sheriff for summoning juries was excessive. In former years he had only charged half that amount, and the committee wanted to know if there had been any change in the law.

AN EXHIBITION GRANT.

On motion of Coun. Pond, it was decided to hear a delegation from the York Agricultural Society, No. 34.

Mr. F. P. Robinson, who spoke first, said he had been appointed a committee to wait on the council and ask for a grant. He went on to say that the exhibition was not a city enterprise, but one in which the county was equally interested. If the county gave a grant it was the intention of the society to devote it to special prizes for York county. He would be willing to have a committee from the council assist in its apportionment. The Fredericton exhibition had always been successful, and they proposed to make it more successful than ever this time. It

had been suggested that a grant of \$500 would not be out of the way. It was a small amount, but could be used by the society to good advantage. He hoped that the council would see its way clear to grant the request.

Mr. F. W. Hatheway supplemented what Mr. Robinson had said. He was much interested in the breeding of pure bred stock, and thought it important that York county should not be behind other counties of the province in this respect. It would be no more than right for the council to show that they had the interests of the farmers at heart, by making the grant asked for by Mr. Robinson.

In reply to Coun. Fred Pond, Mr. Robinson said that the last exhibition had been a financial success.

Coun. Goodspeed remarked that exhibitions were only held once in two years, and a good deal of expense had to be incurred to keep the buildings in repairs during the interim.

On motion of Coun. Brewer the delegates were tendered a vote of thanks, but no intimation was given that it would be backed up by anything more substantial.

The following parish assessments were ordered:

PARISH ASSESSMENT. BRIGHT.

Support of Poor	\$100.00
Parish indebtedness	100.00
