

Events of a Day

BROKE HIS LEG.

Mr. Robert Aitken the well known lumber operator fractured his leg last evening by falling on the slippery road near his home above town. Mr. Aitken's accident will confine him to his home for some time and his many friends will be sorry to hear of his misfortune.

THE BOSTON SHOW.

The fine game exhibit which New Brunswick made at the recent sportsman's show in New York, is to be sent to Boston and exhibited at a sportsman's show to open in that city early in April. Manager Pollett in New York, and at once applied to Surveyor General Sweeney to have it sent to Boston. The Surveyor General complied with the request, and arrangements for the show are now being made by the Fredericton Tourist Association.

A SEVERE HEMORRHAGE.

Mrs. James Lynn was seized with an attack of bleeding at the nose yesterday and it was several hours before the hemorrhage could be stopped. Her condition caused her family and friends much alarm. Today, however, while in a weak condition and some hemorrhages have occurred there is every prospect of the lady coming around all right.

SUNBURY COUNTY COURT.

The October term of the Sunbury County Court opened at Burton yesterday, Judge Wilson presiding. An indictment was presented to the grand jury in one criminal case, that of the King vs. Gustaf Norland, charged with aggravated assault and a true bill was returned. The prisoner and the complainant in the case, Victor Norland, are Finlanders, and brothers employed in the mines at Minto. Mr. R. W. McLellan, clerk of the peace, appeared for the crown, and Mr. F. H. Peters for the accused. The case will probably go to the jury this evening.

THE TELEPHONE BILL.

The following amendment to the New Brunswick Telephone Company's bill was adopted by the corporations committee last evening on motion of Premier Pugsley: "With the exception of the shares of stock of the company, which may be issued as fully paid up, for the purpose of acquiring the property stock and franchises of other companies, the shares of increased capital, stock hereby authorized shall be bona fide subscribed capital, and the monies realized therefrom shall be expended for the legitimate purposes of the company." Other amendments were suggested and a sub-committee was formed to prepare the same and report later.

DRANK CARBOLIC ACID.

Mrs. R. L. Black Died Under Sad Circumstances.

As the result of drinking carbolic acid, Mrs. R. L. Black died at Mrs. McIntyre's boarding house, on Queen Street, at noon today. The circumstances surrounding her death are unusually sad and a great deal of sympathy has been aroused. The unfortunate young woman has had considerable trouble of late, and it is generally believed that she was suffering from temporary insanity at the time she swallowed the fatal dose.

Dr. McGrath was called to her home at 10 o'clock this morning and informed that Mrs. Black had swallowed carbolic acid. He found her in a semi-conscious state, which indicated that the dose had been a heavy one, as she had only taken it a short time before.

Dr. G. J. McNally and Crockett soon joined Dr. McGrath and the three physicians worked with the patient for over an hour, but were unable to prevent the poison from getting in its work. She passed away at twelve o'clock.

Mrs. Black was formerly Miss Minnie Blackmer, and was for several years employed as stenographer by a leading law firm. She was thirty-six years of age and was married only a few weeks ago.

Coroner McNally, who attended the unfortunate young woman during her last hours, decided that the circumstances did not warrant the holding of an inquest. It is understood that Mrs. Black procured the acid herself at a local drug store.

VALUABLE ESTATE.

Timothy Eaton of Toronto Left Over Two Millions.

TORONTO, March 13.—The will of the late Timothy Eaton has been filed for probate. The estate is valued at two million seven hundred thousand. His son, John Craig Eaton; his daughter, Mrs. Burnside, and his nephew, Robert Young Eaton, are executors and trustees. Residences in Toronto and Muskoka are giving to the widow for life and on her decease to Mrs. Burnside. The continuation of these residences are given to Mrs. Eaton. She receives an income of \$10,000 a year during her life and dividends on the bank stock.

Mrs. Burnside receives an income of \$5,000 a year during her life and on the death of her mother becomes entitled to the bank stock. The son, Wm. F. Eaton, takes the factory and residence in Oshawa and the contents Mrs. Burden, the daughter was provided for by the will during her life. The residue of the estate goes to J. C. Eaton.

THE CHAMPLAIN MEMORIAL.

A delegation from the New Brunswick Historical Society, composed of the president, Col. J. R. Armstrong, Vice President Timothy O'Brien, and Mayor Sears, waited upon Premier Pugsley this morning and urged that a grant of \$1,000 be made in aid of the Champlain monument. The premier received the delegation most courteously and assured them that personally he was in favor of the province lending assistance to the most laudable undertaking. He further stated that the government now had the matter under consideration.

THOSE WATER HOLES.

Appropos of the sewerage question, much has been heard about the large number of Sunbury residents who are absolutely compelled to use the river water for domestic purposes. Yesterday, two well known citizens of Fredericton, had occasion to drive down the river as far as Burton, a distance of thirteen miles. They followed the eastern side from Sewell's and, out of curiosity, counted the holes in the ice which water is from. They were only able to find three in a distance of about nine miles, and the evidence was not lacking to prove that these are only used by cattle.

FISHING LEASES SOLD.

The sale of fishing leases at the crown land office this morning was fairly well attended. Five leases on the Restigouche, were sold at an average of \$50 on the upset price, and there was very little competition. The sale resulted as follows:

From I. C. R. bridge to Mouth of Upsalquitch, to Restigouche Salmon Club, for \$3,025.
Toad Brook to Ton's Brook, Restigouche Salmon Club, \$3,000.
Tom's Brook to Petapedia River, \$1,500.
Little Cross Point to Quatawamogedewick River, to Archibald Rogers, \$2,500.
Eight other leases were withdrawn from the sale.

THE STOCK MARKET.

Montreal, March 13.—(Special)—The stock market was decidedly weak again today. There is not much liquidation in local issues at present, but if it comes at any time with the market in its present shape, another break is inevitable, as buyers are holding off for something of that kind.

The most active features were: Canadian Pacific, 174.
MacKay, 79.
Mackay, 69.
Detroit, 74.
Toronto, 109.
Soo, Common, 113.
Dominion, 22.
Nova Scotia Steel, 75.

March 13.—dli.
An Englishman travelling in Ireland, complained that he could find none of the famous Irish wits of whom he had heard. He was advised to speak to the next farmer or teamster he met.

A little later he encountered a peasant leading a horse with a load of turf. The horse had a blazed face.

"What a white face your horse has my man," said the Englishman by way of an opening.

"Sure," replied the Irishman. "Your own will be as white when you have been as long in the halter."
