A LAW.

To regulate the Use of the Common
Sewers of the City of Fredericton
and to Establish the Rates
to be Charged Thereof.BE IT ENACTED by the
(L. S.) Mayor, Aldermen and Com-
(Copy) monality of the City of Fredericton
as follows:
[Sgd.] H. F. McLeod, Mayor.1. The City Engineer under the
direction of the City Council, shall
have the general supervision and in-
spection of the construction and main-
tenance of all common sewers built
or owned by the City, and of all
connections of particular sewers
built and constructed under the pro-
visions of this law. The Engineer
shall cause accurate plans thereof to
be made, representing the location,
depth and material, with a section
plan of each sewer, indicating the
size, shape, thickness and construc-
tion and shall cause to be shown up-
on said plan all existing connections
of said sewers and all other connec-
tions as they are made.2. All applications for the con-
struction of particular sewers, and
their entrances into the common sew-
ers, and for permits to enter the
same, shall be in such form as the
City Council shall prescribe, and be
filed with the City Engineer. All
that portion of any particular sewer
laid within the limits of any public
street, square and alley-way of the
City of Fredericton, and its entrance
into the common sewer, shall be con-
structed, maintained and kept in re-
pair by the City Corporation, and
shall be the property of the City
and the cost thereof shall be paid by
the owner of the estate connecting
before the same is used or house con-
nections made therewith. The cost
of all repairs, or removal of stop-
pages, made upon any particular
sewer, shall be paid by the owner of
the estate connecting.3. No work of laying a particular
sewer shall be commenced or allowed
to continue unless and until the de-
posit hereinafter required shall have
been paid to the City Treasurer and
a permit in Form "A" prescribed in
schedule hereto, shall have been is-
sued by the City.4. Applications for permits to
connect any particular sewer with a
common sewer shall be made in writ-
ing signed by the owner or owners of
the property to be connected, accord-
ing to Form "B" of the Schedule
hereto. At the time of making such
application the applicant shall de-
posit with the City Treasurer an
amount equal to the estimated cost of
making the required connection in
no case less than TEN (\$10.) dol-
lars, and no permit shall be issued
until the amount of the required de-
posit has been paid. This deposit
shall be credited to the cost of in-
stallation, and should such cost of
installation exceed the deposit, the
applicant will be required to pay the
difference to the City Treasurer, to-
gether with the amount of his sewer
rate for the same or half-year con-
nections made therewith. In case
the deposit should exceed the cost of
installation and rental, the surplus
shall be refunded by the city treas-
urer to the applicant.5. Every particular sewer shall be
of such size and laid at such grade
as the City Engineer or his assist-
ant shall direct.6. The City Engineer, or other
person appointed by the City Coun-
cil for such purpose, shall have the
right at all reasonable hours to en-
ter the premises and inspect any par-
ticular sewer and its connections
and plumbing.7. The inside of every particular
sewer, after it is laid shall be smooth
and clean throughout its entire length
and all work and plumbing on same
must be done to the satisfaction of
the City Engineer.8. When any change in direction is
made in the pipe, either in horizontal
or vertical direction special bends
shall be used.9. No live exhaust or waste steam
or blow off, or drip pipe from any
steam boiler, waste from acetylene
or other illuminating gas plant, or
any drainage shall be discharged di-
rectly into any common sewer or
any particular sewer or house
drain, connected therewith.10. No permit to connect with the
common sewers shall be issued to
any manufacturing establishment un-
til the owner or owners, shall have
fulfilled any special requirement re-
commended by the City Engineer.11. No person shall throw into any
sewer or drain, inlet, manhole or
catch-basin, any earth, dirt, stones,
bricks, saw-dust, ashes, cinders,
shavings, hair, grease, oyster, clam
or lobster shells or any other sub-
stances detrimental to the sewers or
the use thereof.12. Every particular sewer, which
shall enter into any common sewer,
shall be built of such materials, di-
mensions and description, with such
grade and in such manner as City
Engineer shall direct.13. Every person owning or occu-
pying property situate on any street
along which there is a common sewer
shall make immediate connection
with the same within such time as
the City Engineer, shall direct, by a
written notice served on each person
by delivery of the same personally,
or by leaving same on the premises.
In case any person shall neglect or
refuse to comply with the terms of
such notice the City Council may or-
der such sewer connection to be made
and the expenses of same shall be a
lien upon the property so connected
and may be recovered from the owner
by suit in any court of competent
jurisdiction.14. Any person convicted of a
breach of any of the provisions of
this by-law, shall forfeit and pay, at
the discretion of the convicting mag-
istrate, a penalty not exceeding
FIFTY DOLLARS and costs for each
offence.15. Every person or owner who
connects his particular sewer with a
common sewer shall pay for the use
of such common sewer, an annual
rent, to be fixed by the City Council.
Such rental shall be paid semi-annu-
ally on the first day of May and the
first day of November in each year,at the same time the water rates are
now payable, and no water permit
shall be issued upon any premises
having sewer connection unless the
sewer rental has been paid. Unless
the water rates and sewer rental
are paid within sixty days after the
time hereinbefore mentioned, it shall
be the duty of the engineer to cause
the water to be shut off such pre-
mises. In any case where the water
supply has been shut off for non-pay-
ment of water rates or sewer rental,
or both, the sum of three dollars
will be charged for turning on the
water and inspecting the water and
sewer connection.The following shall be the rentals
to be charged for the use of the com-
mon sewers, to be paid semi-annu-
ally in advance on the first day of May
and the first day of November as
aforesaid:SCHEDULE FOR
SEWER RENTALS.One kitchen sink in dwelling.....\$2.00
One kitchen sink and one bath
room, (to include wash bowl,
seat and tub) in dwelling..... 4.00
Each additional bath..... 2.00
Each " closet..... 2.00

Each additional urinal..... 1.00
Each " wash bowl..... 1.00
Each " sink..... .50Hotels, boarding houses, etc., shall
pay the same as for family rates and
in addition shall pay a fixed sum of
twenty-five cents per bed.All government buildings, federal
and provincial, one half the amount
of the water rates.
Buildings occupied as stores, or of-
fices, or for other business or com-
mercial purposes, when not otherwise
specified, an amount equal to the wa-
ter rates.School buildings and churches, one
half the amount of the water rates.Manufacturing establishments, when
discharge is properly protected to
the satisfaction of the engineer, em-
ploying fifty persons or less, ten dol-
lars; for each additional 25 or less
two dollars.Steam laundries, when discharge is
properly protected to satisfaction of
engineer, fifteen dollars.In no case shall the minimum rental
be less than two dollars.

Form A.

FREDERICTON SEWERAGE
SYSTEM.Received from street,
Eo..... Dollars
the sum of Dollars
the estimated cost of making con-
nection from said premises to common
sewer. The above payment is receiv-
ed and this permit issued, subject to
the regulations and by-laws of the
city of Fredericton.

Form B.

APPLICATION FOR A
PARTICULAR SEWER
OR HOUSE DRAIN.To the Mayor and Aldermen and Com-
monality of the City of Frederic-
ton:The undersigned, being owner of
the estate requests that a private
sewer be laid from the..... at
No..... street,
and that the same may be connected
with the..... street sewer,
and that..... may be allow-
ed the use of such sewer for the pur-
pose of disposing of the sewerage of
said.....And the undersigned agree to pay
to the said city before connect-
ing said..... with
said particular sewer, all of the cost
of said sewer, including labor and
materials or any other expense in-
curred necessary for the proper con-
struction of said sewer.And the undersigned further agree
to strictly conform to the laws and
ordinances relating to sewers and
to the rules and regulations that are
now in force or may be hereinafter
adopted in relation thereto and also
to the plumbing laws and ordinances
so far as they relate thereto.And the undersigned further agree
that no claim for damages which may
be occasioned to such estate, or any
property thereon in any manner, by
the construction, use or existence of
such particular sewer or connection,
shall be made against the city of
Fredericton.And the undersigned further agree
that the said city engineer and other
parties authorized by the city shall
have access at all reasonable hours,
to the said premises, to see that all
laws, ordinances and rules relating
to the sewer are complied with.

(Address)

Passed and enacted this fifth day
of July, A. D., 1907.J. W. McCREADY,
City Clerk

CITY OF FREDERICTON, S. S.:

I, James W. McCreedy, city clerk of
the city of Fredericton, in the
province of New Brunswick, do hereby
certify, that the foregoing pages,
numbered from one to nine, both in-
clusive, contain a correct copy of a
by-law passed and enacted by the
city of Fredericton on the fifth day
of July instant, under authority of
59 Victoria, Chapter 52, Section 15
(1896), the same having been com-
pared by me with the original law so
passed and on file in my office.In witness whereof I have hereto
set my hand and affixed the corpor-
ate seal of said city this tenth day
of July, A. D., 1907.JAMES W. McCREADY,
City Clerk.

his vote that is corrupt, not the man
who buys it.

HOUSEHOLD HINTS.

Some Interesting Information for Busy
Housewives.

PLAIN WHITE SAUCE.

Melt a tablespoonful of butter in
a saucepan, stir in a tablespoonful of
flour until smooth, add slowly a tea-
cupful of stock or milk, stirring rap-
idly, and cook five minutes. Season
to taste with salt and white pepper.
Always use white pepper in white
sauce.

BROWN SAUCE.

To a tablespoonful of butter, well
brown, add a tablespoonful of flour,
mix, and brown, but do not scorch;
add slowly a teaspoonful of stock or
water, and cook five minutes. Season
with salt and black pepper.A little caramel is sometimes added
to brown sauce, but it must be used
sparingly or it will detract from the
flavor. To prepare caramel, put two
teaspoonfuls of granulated sugar in a
saucepan, add a tablespoonful of wa-
ter, heat it over the fire, stirring con-
stantly until it takes on a dark
brown color, is brittle and slightly
bitter. Watch that it does not burn.
Now add two cupfuls of hot water
and stir while it boils ten minutes.
If it candies when cold, add not wa-
ter, and boil again. Keep in a glass
can hermetically sealed.

TOMATO SAUCE.

With roast veal or pork, or with
baked beans in place of vinegar. Cook
six or eight tomatoes with a chopped
onion, rub through a coarse sieve or
fine colander to remove the seeds, and
add to plain white sauce. Canned to-
matoes may be used.

OLIVE SAUCE.

With roast duck or game. Soak a
dozen olives in warm water, thirty
minutes. Pare them close to the
stone and simmer ten of fifteen min-
utes in a teaspoonful or more of brown
sauce.

HORSE RADISH SAUCE.

For cold meat. To four tablespo-
ons of freshly grated horse radish, adda heaped teaspoonful of granulated
sugar, half a teaspoonful of salt, a
dash of pepper and two teaspoonfuls
of prepared mustard. Add vinegar to
make it smooth and creamy. To
serve with hot meats, add two table-
spoonfuls of thick cream, and heat
in a dish set in boiling water. Do
not let the mixture boil.

A TESTED RECIPE.

CAKE

Cream together one cup butter and
one cup sugar; break four eggs, one
by one into the mixture, beating well
each time, then add two cups of flour,
one level teaspoonful soda and two
of cream tartar and flavoring. Bake
in two layers and put together with
a boiled icing made by boiling one
pint of granulated sugar and half cup
of water, till it spins a thread then
pouring over the well beaten whites
of two eggs. Beat hard till thick and
cool and add lemon flavoring and half
cup chopped raisins and the same of
nuts. There will be plenty of icing
left for top of cake also. It is very
good.

HOUSEWIVES' HELPS

Lace curtains can be mended very
neatly by taking strips of net or
good parts of old curtains, and dip-
ping them into starch. Ally these
pieces to the worn places while the
starch is hot and they will adhere
and will not show as much as darns.
Hang the back of a skirt next to
the wall in the closet; then, if there
is any wrinkling, it will not come to
the front where it would be more
conspicuous.Silverware does not become tarnish-
ed when a piece of camphor is
placed in the trunk, chest, or drawer
where the silver is kept.A closet wall may be made to look
neat by tacking white cheese cloth on
it. This will not only cover defects
in the wall, but also protect light
clothes.

DAT'S LAURIER.

Who's dat raise hall de row 'e can.
When 'e's small boy, also beg man,
An' gets dere firs' mos' hevery tam?
Dat's Laurier!Who's dat, when 'e's young lad at
school,
Was at de top 'es class—no fool,
Can fight lik' mischie' an' keep cool?
Dat's Laurier!Who's dat when partee Liberal
Was all bus' up on N. P. wall,
'E save dat ship s'ide troo it all?
Dat's Laurier!When partee Conservateur was run,
An' an 'es sice got all de fun,
Who's dat was firin' off 'es gun?
Dat's Laurier!Who's dat, when Boer in Africa
Raise beg hurrah about some law,
Feck 'im wid sogder from Canada?
Dat's Laurier!Who's dat, when our goad Queen she
die,
Advise dem people fer to try
Dat young fello' de Prince so sh!
Dat's Laurier!Who's dat, when in politiq' dey fight
An' knock each oder out of sight,
Was settle heverything hall right?
Dat's Laurier!Who's dat, when 'e's gooe far away,
De people's lonesome hevery day,
De crop is bad, an' cere's no hay?
Dat's Laurier!Who's dat dey blame for heverything,
When dere's damp wedder an' cole
spring,
But 'e jus' smile an' says "By jing?"
Dat's Laurier!(Joe Monfont in the Montreal
Herald.)Woman is often referred to by man as
"doubling his joys and halving his
sorrows." That may be complimen-
tary but it would seem to be rather
hard on the woman. For in plain
terms it means that where things are
going well with the man his wife
makes them go better. But when
things are going ill with him, he ex-
pects the wife to share half his bur-
den. And there is more truth than
poetry in this presentation of mas-
culine selfishness. Men don't appre-
ciate the fact that the strain of
motherhood alone is a burden bigger
than all the loads that rest upon
male shoulders. They see the wife
grow thin, pale and nervous and
wonder without a thought that she is
over-burdened. Among the pleasant
letters received by Dr. Pierce are
those from husbands who have waked
up before it was too late to the
crushing burdens laid upon the wife,
and in the search for help have found
in Dr. Pierce's Favorite Prescription
a restorative which has given back to
the mother the health of the maiden
and the maiden's happiness. "Fav-
orite Prescription" always helps,
and almost always cures. It has per-
fectly cured ninety-eight out of every
hundred women who have used it
when afflicted with diseases peculiar
to women.

A MOTHER'S HEROISM.

Sacrificed An Arm Under Car Wheels
to Save Little Girl.New Liskeard, Ont., July 19.—Word
has been received here from Boston
of a terrible accident in which Mrs.
James Storing, who formerly resided
here was concerned.Mrs. Storing went to a spring about
160 yards up the railway track far a
rail of water. Her four-year-old girl
followed. A lot of cars were standing
on the track, and there was no indi-
cation that they were about to be
moved. Just as the mother stepped
off the track, and the daughter was
close to the rear end of the last car,
there was a sudden shunt of eight
cars.The child was knocked down, her
face being on the ground, but in a
moment she raised her head, when
the mother love asserted itself, and
her mother put her arm in front of
the car wheel and held the child's
head down and shouted to her to
keep still. One wheel passed over
the arm, and until the eight cars
passed over the little girl, Mrs. Stor-
ing kept calling to the child to keep
her head down, and in this way the
child's life was saved. Then the
mother was carried home in a faint,
Mrs. Storing may recover.

SUMMER BOARDERS' RIGHTS.

Ottawa Citizen: While nature has
done much to encourage the summer
boarder in this region, it cannot be
said that man has exerted himselfIn that age when wealth becomes
the standard measure for greatness,
then money will be a world-power.
