MONGTON'S VISITOR

Deer Appeared on the Streets and Visited
a China Shop---Pursued by
Excited Multitude

MONCTON, Aug. 7--(Special)--The
meteoric appearance and dramatic
disappearance of a large deer caused
a great deal of excitement on Main
street this morning.
The animal entered the city at the
north end, crossing the width of the
town, chased by children and finally
found its way to Main street.
Bewildered by this abrupt debut
into the business life of the city the
animal fell on the pavement and
arising, dashed into a china store.
The latter was heavily stocked
with glassware, but the animal ran

the length of the shop breaking on-
ly one cuspidor and leaped through
a window at the rear and then con-
tinued on towards the river.
Quite a crowd pursued it but the
animal was too fleet, and easily dis-
tanced the pursuers.
This is the second time that a for-
est denizen had appeared around the
streets. A large moose entered the
city last fall and caused some ex-
citement.
Game is especially plentiful just
now and Moncton seems to be head-
quarters, as deer and moose are
often seen within the city limits.

SMITH---SCHOFIELD

Pretty Society Wedding Solemnized at St
John This Afternoon.

ST. JOHN, Aug. 7 (Special)--Trin-
ity Church was the scene of a quiet
but very pretty society event this
afternoon, when Miss Florence D.
Schofield, daughter of the late Sam-
uel Schofield, was married to Mr.
Donald A. Smith of the C.P.R. offices
Montreal.
The ceremony was performed by
Rev. A. W. Daniel, rector of Rother-
say, assisted by Rev. R. A. Arm-
strong, rector of Trinity Church.
The bride was given away by her
brother, wore a travelling suit of
grey cloth, with hat to correspond,

and was attended by her cousin, Miss
Clara Schofield, who was attired in
a dainty costume of cream silk, with
a black feather hat, and bouquet of
crimson roses.
The groom was supported by Mr.
G. Farabee of Montreal.
The newly married couple will leave
for a tour of American cities, after
which they will take up their resi-
dence at Montreal.
Mrs. Jas. H. Smith and the Misses
Smith, Montreal, mother and sisters
of groom were in the city to attend
the wedding.

TRIP TO NORTH POLE

The Bazaar Under That Name a
Decided Success--The Committees

A trip to the North Pole has been
advertised for the past couple of
weeks and a good deal of curiosity
was manifested as to what was the
nature of the entertainment.

The large number who were pres-
ent at St. Dunstan's Hall last even-
ing had their curiosity gratified as
well as enjoyed a most pleasant ev-
ening.

The entertainment took something
of the form of a bazaar and the dif-
ferent booths represented different
countries through which a person
would pass in going from Ireland to
the North Pole.

The hall was nicely decorated and
the different games and booths did
a rushing business during the even-
ing. The different young ladies and
gentlemen were however equal to the
demands made upon them and pre-
sided over their several departments
in a most creditable manner.

Those who presided over the games
are:

Ladies' Bean Toss, in charge of
John Feeney--Prize, picture of Queen
Victoria, won by Miss McGaghey.
Gent's Bean Toss in charge of Leo
Maloney--Prize, gent's suit case won
by Arthur O'Brien.

Ladies Bagatelle in charge of John
McGaghey--Prize, ladies glove box,
won by Miss Nellie Carter.

Gent's bagatelle, in charge of Miss
Quigley and Miss Wetmore--Prize,
set of brushes, won by Fred Logue.

Cigar guessing contest in charge of
Frank Burns--Prize, box of cigars,
won by Miss Ella Hanlon and Jack
McGaghey.

Doll guessing contest, in charge of
Misses Clara Ryan and Dorothy
Dever (to be continued this evening.)

Grab bag, in charge of Miss Mar-
garet Hanlon and Miss Daisy Walsh,
(to be continued this evening.)

Wheel of fortune, in charge of
James Jones, and Mike Burns.

The postal card booth was in
charge of Miss Stella Lynn.

The 1st Regiment Band and Han-
lon's orchestra furnished excellent
music during the evening.

The affair was under the auspices
of the Young Men's Society of St.
Dunstan's parish, which was organ-
ized some months ago, and has
since become one of the leading young
men's societies in the city.

Messrs. Harry Cox, James Jones
and Ernest Hanlon, were the com-
mittee in charge of the function, and
to these young men is entitled much
of the credit for its success.

The "Trip to the North Pole" will
be continued again this evening.

DISASTROUS STORM

Hail Destroyed Vast Areas of Crops
in the Canadian West

WINNIPEG, Aug. 7 (Special)--Des-
patches from various points in this
province report that the worst hail
storm in the experience of the oldest
settlers, occurred on Sunday evening.
Thousands of acres of splendid crops
were destroyed near Sinclair, in a
belt two miles long and fully ten
miles wide.

A Minto despatch says, that the
hail which fell there was as big as
hen's eggs, and much damage was
done to grain and grass.

At Renton, windows were smashed
in every house in town, garden stuff
pounded into the ground and grain
fields reaching four and five miles on
each side of the town were more or
less damaged.

NEW CANADIAN COIN.

Soon after the opening of the new
mint at Ottawa, next December, it
is understood that there will be one
or more new coins put into cir-
culation. It is practically arranged
that there shall be a new penny piece
of the value of two cents and coined
from nickel.

exciting finish the Garrison defeated
the Massachusetts cricketers by ten
runs, in the match played on the
former's grounds Monday afternoon.
The visitors scored 165 runs and the

not go down until the score had
reached 125. The next four men up
were retired when the score touched

Americans had cinched the game.
Dunstan batted steadily, and he was
joined by Summers, who after add-
ing two was retired, and the score
stood 160 for nine wickets. Pvt. Bell
was the last man up, and he and
Dunstan made a stand and won the
game, their partnership resulting in
adding 15 runs, and sending the score
to 175. The result of the game de-
