GEORGE Y. DIBBLEE,
DRUGGIST.

"I want to talk to you, Mary, about that young man of yours," said her father. "When did he say 'good-night' to you last evening?" "At 10 o'clock," replied the fair girl. "What? Why, it was 1 o'clock, at least." "Oh, that was when he finished saying it."—Philadelphia Public Ledger.

GO SIN NO MORE.

Dr. Reaume's Advice to a Minister Who Shot Fish on Sunday.

Toronto News: "Go and sin no more," wrote Hon. Dr. Reaume, applying the scriptural quotation to a divine in the northern part of the province who forwarded to the Minister of Public Works a pathetic letter appeal to escape prosecution for violation of the game laws by shooting fish on Sunday.

The minister was holding a mission in the north. He held a service on Sunday morning and in the afternoon engaged in the pastime of "shooting a fish." One of the government's eagle-eyed fishery overseers spotted the offence, hence the appeal to

the civil Minister. The letter pointed out that prosecution would bring the cloth into ill repute, and do the ministerial delinquent and his mission irreparable harm.

Hon. Dr. Reaume for one violated his rule. He granted a stay of proceedings and wrote briefly to the delinquent in the terms of the scriptural injunction to err no more.

CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY, BETTER THAN THREE DOCTORS.

"Three years ago we had three doctors with out little boy and everything that they could do seemed in vain. At last when all hope seemed to be gone we began using Chamberlain's Colic, Cholera and Diarrhoea Remedy and in a few hours he began to improve. Today he is as healthy a child as parents could wish for."—Mrs. B. J. Johnston, Linton, Miss. For sale by all dealers.

WOMAN POSED AS MAN.

Clerked For Months in an Ottawa Dry Goods Store.

OTTAWA, Ont., August 22.—An individual, who apparently was a young Englishman, secured employment in an Ottawa dry goods store last winter, and proved a success behind the counter. Articles have been missed from the store, and suspicion falling on the young man a personal search was instituted in the office of the manager. The operation revealed the fact that the clerk was not a man, but a woman. A number of missing articles were found in her room. She was dismissed from the service of the firm, but the manager decided that criminal proceedings should not be instituted in view of the circumstances.

For the good of those suffering with eczema or other skin trouble, I wish to say, my wife had something of that kind and after using the doctor's remedies for some time concluded to try Chamberlain's Salve and it proved to be better than anything she had tried. For sale by all dealers.

A STOREHOUSE FOR POISONS.

You may not think so, but that's what you become when the kidneys are affected. These organs cleanse the body; they are the filters that remove from the blood the waste matter that acts like deadly poison on the vitality and health of the system. Dr. Hamilton's Pills stimulate the kidneys, expel fermenting matter from the bowels, restore the liver and stimulate all excretory and secretory organs. This enables the blood to quickly replenish itself and establishes perfect health. No medicine does such lasting good as Dr. Hamilton's Mandrake and Butternut Pills, 25c. at all dealers.

TWO THOUSAND SLAIN.

Terrible Execution Among Moors by the French.

Casablanca, Aug. 21.—Undeterred by their great losses yesterday, estimated by Jewish couriers at two thousand dead, the Moors again advanced this morning in a great semicircle, with the evident intention of trying to envelope the city. The guns of the warships began bombarding the advancing tribesmen.

Paris, Aug. 21.—The correspondent of The Mail at Casablanca speaks in loud praise of the 75-millimetre gun, "fourteen rounds of which he says, put 2,500 Arabs to flight. In attacking the centre of the camp on the right the Arab horsemen galloped to within four hundred yards of French positions where two rapid-fire guns had been mounted on the roof of a farm building. These guns opened each with five hundred shots per minute, swept the ground with a rain of lead and covered it with the dead and dying.

HAD AN AWFUL TIME

But Chamberlain's Colic Cholera and Diarrhoea Remedy Cured Him

It is with pleasure that I give you this unsolicited testimonial. About a year ago when I had a severe case of measles I got caught out in a hard rain and the measles settled in my stomach and bowels. I had an awful time and had it not been for the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy I could not have possibly lived but a few hours longer, but thanks to this remedy I am now strong and well. I have written the above through simple gratitude and I shall always speak a good word for this remedy.—Sam. H. Gwin, Concord, Ga. For sale by all dealers.

Working Indoors Causes Anaemia

Chlorosis or anaemia is simply thinness of blood.

If confined too much indoors, anaemia develops, because the lungs are insufficiently supplied with oxygen, and the blood is consequently impoverished and half-starved.

But there is a cure! Dr. Hamilton has solved the problem in his famous pills of Mandrake and Butternut; as a blood enricher their equal is not known.

All the functions upon which life depends are helped by Dr. Hamilton's Pills.

Richness and purity are instilled with wonderful promptness into the vital fluid.

Healthy color supplants the pallid, ashen face.

Better appetite, strong digestion and dreamless sleep are sure to follow, because of the increased blood supply furnished by Dr. Hamilton's Pills.

Think it over.

Will it pay you to look and feel half-dead, to lack color and spirit, when all can be changed by Dr. Hamilton's Pills?

Better act at once!

Your case is more curable now than later on.
