MONCTON BUDGET.

F. W. Sumner Going to England on Oil Business--Concession to a Fredericton Man--I.C.R. Employee Injured.

Moncton, March 5.—(Special)—Arthur Triton, a well known employee of the I. C. R. round house while at work Monday night fell from the top of a locomotive and badly dislocated his shoulder.

The city council has appointed W. Simms Lee of Halifax, auditor for the city at salary five hundred dollars a year. A local auditor was tried last year but the majority of the council favored an outside man this year.

F. W. Sumner leaves shortly for England in connection with the sale of N.B. of Petroleum Company's oil fields at Memramook to an English syndicate. M. Lodge, secretary of the company has been in England on the same business for the last two months.

City council has reduced the license fee on bowling alleys from fifty to thirty dollars per bed. The license was increased last year, closing down the bowling alley run by A. E. Hanson, Fredericton.

Magistrate Ritchie of St. John who passed through Moncton last night to Ottawa, was asked his opinion regarding the proposal to place the Moncton police in commission. He said it was a good move and an effectual way of dealing with the police.

He also expressed himself in favor of the license law rather than the Scott act in dealing with the liquor question.

BY ACCLAMATION.

Mr. Pius Michaud, Liberal, Elected M. P. for Victoria--Madawaska Today by Show of Hands.

Grand Falls, March 5.—(Special)—This was nomination day in the by-election to fill the vacancy in the House of Commons for Victoria-Madawaska, created by the appointment of Hon. John Costigan to the Senate.

Quite a large crowd gathered at the hall where the nomination proceedings were held, among the number Senator Costigan, who came down from Ottawa to be present.

Mr. Pius Michaud, barrister of Edmundston, was nominated by the Liberals, and no other man being

placed in nomination, he was declared elected by acclamation.

The M. P. elect, who is a graceful and eloquent speaker, returned hearty thanks for the great honor conferred on him, and was very cordially received, and an address was also made by Senator Costigan, who expressed his thanks for the long continued confidence the constituency had reposed in him.

The proceedings wound up with cheers for the King, for Laurier, Costigan and Michaud.

UNPLEASANT SITUATION.

St. John Tenement Families Turned Out in Cold by Early Morning Blaze.

St. John, March 5.—(Special)—Twenty-six people, half clad, were turned out in the freezing cold weather early this morning by a fire in Patrick McCann's 2½ storey tenement house on Brin street.

The fire is supposed to have started in a grocery store kept by McCann's son, on the ground floor of the building, and it spread to the upper floors, where several families lived.

The fire spread so rapidly that the inmates of the house had no time to dress, consequently they were forced out into the snow half clothed.

The firemen fought for hours before bringing the fire under control. The main house, oil and barn were gutted so badly that they will have to be practically rebuilt.

The damage was about \$2,500, total insurance \$3,400.

A BITTER FIGHT.

Manitoba Elections Cause of Much Heart-burning--Meddling Professors.

Winnipeg, March 5.—(Special)—There is a great deal of feeling among Methodists on account of the part two Wesley college professors have taken in the local election campaign.

Prof. Osborne has been continually on the stump, while Dr. Bland came out very strong, in a letter in a Liberal organ denouncing the present administration.

Some Methodists, of the Conservative persuasion are to be incensed that they say they will bring charges against Dr. Bland of teaching doctrines in Wesley college contrary to the Methodist discipline.

The fight throughout the whole province is just as bitter and both sides are confident of success.

KILLED IN COMMITTEE.

Ottawa, March 5.—(Special)—The railway com. of the Commons this morning considered W. P. MacLean's bill to amend the act respecting the sale of railway passenger tickets. The amendment would remove the penalty attached to the sale of unused portions of railway tickets.

McLean said that the law which stigmatized as a criminal the man who sold a railway ticket, had been enacted at the request of railway companies. It had been introduced by the late Hon. G. A. Kirkpatrick, and had been prepared by the late John Kerr, Grand Trunk counsel. It was maintained in the interest of the railways, and was the only legislation of the sort in existence on the continent.

The contention of the railway companies against MacLean's proposition was that it opened the way to fraud. Unused tickets can be redeemed at their full value.

The vote on the bill resulted in its being killed by 36 votes to 6. These after were Messrs. MacLean, prout, Finley, Christie, Wilnot and Walsh of Huntingdon.

THE THAW TRIAL.

Prisoner's Marriage May be Annulled Under Certain Conditions.

New York, March 5.—(Special)—At the Thaw trial alienists testified they believed Thaw insane at the time he made his will. This was on Thaw's wedding night and if he is adjudged insane on that night then according to the laws of Pennsylvania he was not competent to make a contract.

As marriage is a contract the effect may be to nullify his marriage to Evelyn Nesbit.

When the court resumed this morning Dr. Wagner was recalled for cross-examination by Jerome. It is expected that Thaw's mother will take the stand today to testify as to her son's suffering from severe nervous disorders in his youth.

Burpee, engineer of the I. C. R. and W. O. Schwartz, who made the valuation of the lands for the railway department.

It was decided to do this and to hear the evidence a week from Friday next.

THE STOCK MARKET.

Montreal, March 5.—(Special)—The one of the stock market was decidedly weaker today, partly on account of Wall Street and doubtless in part due to the fact that Dom. Steel Coal troubles are again making themselves felt as a disturbing element.

Dom. Coal sold off to 67, while the ruling price for Iron was 22.

The balance of the market was weak, the most active issues being: Montreal Power, 89½; Montreal Street, 220; Rio, 46, bonds 7½; Twin City, 100; MacKay, 72; Canadian Pacific, 180.

LIEUT. GOV. TWEEDIE.

Formally Took the Oaths of Office This Afternoon--Dr. Pugsley Called on to Lead Government, Will Announce Completion of His Task Tomorrow.

Hon. Lemuel J. Tweedie, the new Lieutenant Governor of New Brunswick, arrived from Ottawa by the noon train, and was formally sworn into office in the Assembly chamber at three o'clock this afternoon by Chief Justice Tuck.

The Lieutenant Governor was accompanied to the city by Attorney General Pugsley, and they were met at the depot by the members of the government, Speaker Robinson and C. J. Osman, M. P. P. After congratulations had been extended to the new Lieutenant Governor and the prospective Premier, the party boarded coaches and were driven to the Queen hotel. Mrs. Tweedie and her daughter, Mrs. Benson, awaited the Lieutenant Governor's arrival at the hotel, and were among the first to extend congratulations to him. His Honor was also congratulated by members of the legislature and other friends whom he met about the hotel corridors.

The genial Attorney General also came in for a good share of attention, and was kept busy for some time shaking hands with friends who crowded about to extend congratulations on his elevation to the premiership.

The Lieutenant Governor was sworn into office in the Assembly Chamber at three o'clock in the presence of a large gathering, including many ladies. Mr. Rudolph Boudreau Clerk of the Privy Council, who came from Ottawa for the purpose, read His Honor's commission and the oath of office was administered by Chief Justice Tuck. Hon. Mr. Tweedie's resignation as a member of the legislature, had previously been tendered to Speaker Robinson.

After the swearing in ceremony had been concluded the new Lieutenant Governor received the hearty congratulations of the members of the legislature and other friends.

Mrs. Tweedie, her daughter Mrs. Benson, Mrs. LaBelle and Mrs. Jones were among those who occupied seats on the floor of the house during the swearing in ceremony.

All the members of the executive have placed their portfolios at the disposal of Premier Pugsley, but so

far as can be learned there will be no changes made at the present time. Hon. C. W. Robinson will enter the government without portfolio, and will, at the close of the present session succeed to the position of Provincial Secretary. Mr. C. J. Osman, the senior member for Albert, will be elected to the Speaker's chair. It is rumored that Mr. Daniel J. Purdy, M. P. P. of St. John, will enter the government without portfolio. Premier Pugsley will announce the personnel of his cabinet to the legislature tomorrow afternoon.

Lieutenant Governor Tweedie and the Attorney General were presented with beautiful bouquets of flowers on their arrival here by Landlord McCaffrey of the Queen hotel. The governor's commission was read by Mr. R. W. L. Tibbitts deputy provincial secretary and the swearing in took place near the small table in the centre of the floor of the house.

The Lieutenant Governor was accompanied by the members of the government, and by Mr. R. S. Barker who acted as private secretary.

After administering the oath and signing his name to the privy council record the chief justice presented the new governor with the Bible which he used in the ceremony.

At the conclusion of the swearing in ceremony, the government supporters repaired to the executive council chamber, where in caucus they selected Attorney General Pugsley as leader.

When the house opens tomorrow Mr. C. J. Osman will be elected Speaker.

Mr. W. T. Whitehead, M. P. P., was elected chairman of the government caucus in place of Mr. Osman. When the House resumed this afternoon Hon. Dr. Pugsley arose in his place and after mentioning the appointment of Hon. L. J. Tweedie as governor and pronouncing a eulogy on that gentleman, announced that His Honor had called upon him (Pugsley) to form a ministry, and he hoped to complete the task and present the personnel of the government to the legislature tomorrow afternoon, to which time the House was adjourned.
