THE CIGARETTE EVIL.

Parliament Discusses the Question, But Got Nowhere With it, as Usual.

Ottawa, March 5.—Mr. Blain (of Peel) moved in the house of commons yesterday a resolution in favor of prohibiting the importation, manufacture and sale of cigarettes. He supported his resolution in a rather lengthy speech.

E. M. MacDonald (Pictou) said that he had some correspondence from his constituency in favor of giving the dominion parliament the jurisdiction to the provincial legislatures to deal with this subject. He wanted to know what the mover of the resolution thought of this.

W. F. MacLean (York)—Has the dominion parliament the right to do so?

Mr. MacDonald—I would not like to give an answer off hand.

Mr. Blain—He would not attempt to answer that question. He understood that the parliament of the dominion had the right to do so. He reminded his friend that the Nova Scotia act was a dead letter.

Mr. Blain said he was dealing with the question from the standpoint of the boy.

Mr. Monk was not in favor of the resolution.

LAURIER'S VIEWS.
Sir Wilfrid Laurier agreed that cigarette smoking and also the use of tobacco was injurious to the youth. There was nothing more offensive to him than to see a young boy smoking a cigarette. But he was not prepared to say that a moderate use of tobacco was injurious to adults. The whole of Mr. Blain's argument was in favor of a class of the community. The resolution was going too far. If passed it would not accomplish what was desired.

"We are," said Sir Wilfrid, "in the fourth month of the session, and we hope soon with the consent of his majesty's loyal opposition and the third party as well to bring the session to a close next month so that it is not advisable going on with an important matter of this kind."

Mr. Foster—What would my honorable friend propose?
Sir Wilfrid Laurier—I have no information at this moment, but am always open to conviction.
Dr. Black (Hants) said that not only cigarettes, but tobacco of all kinds were injurious. It was injurious to the adult as well as to the young lad. He smoked at one time, but stopped it twenty years ago.
W. F. MacLean—Was it injurious to you?
Dr. Black—I am sure it was.

UNFIT FOR THE JOB.
"So you used to be the janitor of a flat building?"
"Yes mum."

"How did you lose your job?"
"The landlord thought I was crazy when the tenants asked for more heat I always gave it to 'em without a fight."
