

Events of a Day.

THEIR APPRECIATION.

Mrs. Henry Mackey wishes through the Herald to thank her many friends for their kindness during the illness and death of her little daughter Kathleen.

A BUSY SESSION.

During the session of the legislature just closed one hundred and twenty-five bills were introduced, of which one hundred and twenty were passed and five withdrawn.

COLLEGE Y. M. C. A.

Bishop Richardson will address the association tomorrow afternoon. The Bishop has kept in close touch with the problems of college men and has an established reputation as a speaker.

ENCOENIAL ORATOR.

Rev. Frank Baird, of Sussex, has been invited to deliver the annual address at the University of New Brunswick at the closing of the college in May. Dr. A. A. Stockton was to have been the orator, but his death caused a vacancy and Mr. Baird was selected. His subject will be "Literature as a National Asset."

THE ASSESSMENT BILL.

In the legislature last evening Mr. Allen, M. P. for York, had the Fredericton assessment bill re-committed to allow an amendment to be made to facilitate the bringing into force of the act this year. The bill was amended by extending the time for giving the necessary notice to a period of thirty days.

THE FORLORN HOPE.

After the Legislature adjourned at two o'clock this morning the opposition members repaired to the Barker House and held a conference with Organizer Hubbard. It is said that the meeting was not characterized by any great amount of harmony, as some of the members objected to a rather heavy "assessment" for the organizer's salary on the ground that no value had been received. There was unanimity on one thing—that a very poor showing had been made by the party during the session and that the outlook for the future was rather gloomy.

A BACKWARD SPRING.

The backward spring is likely to be very helpful to the lumbering industry by bettering the conditions for stream driving. There is still nearly six feet of snow in the woods of the Tobique and Miramichi, and on account of the continued cold weather the ice in the rivers and lakes show little signs of breaking up. A prominent lumberman said this morning that he thought the month of May would be well advanced before anything will be done in the way of stream driving.

HOLINESS MEETING.

The usual holiness meeting will be held in the L. O. G. T. Hall, over Burd's grocery store, Queen Street, on Monday evening next, April 15th, at 8 o'clock, p. m., and it is expected will be conducted by the Rev. Mr. Trafton of Marysville. (D. V.) An interesting and profitable service is anticipated, and all are cordially invited to attend meetings held 1st and 3rd Monday evenings each month.

A GENEROUS GIFT

Mr. H. B. Rainsford Presented with a Purse of \$150.

A very pleasing incident took place at the Barker House at noon today, when Mr. H. B. Rainsford, the veteran clerk of the legislature, was made the recipient of a purse containing the sum of \$150. The idea of making the presentation originated with Lieutenant Governor Tweedie, while he was making a call upon some members of the legislature who are staying at the Barker. The amount was collected in less than twenty minutes, the governor heading the list of subscribers with twenty-five dollars, Premier Pugsley donated a similar amount and Mr. Hazen went down for twenty.

When the required amount had been subscribed, Mr. Rainsford was sent for and was presented with the generous gift by the governor in a happy speech. His Honor intimated that it had been the intention of the donors to invest the money in a suitable gift, but on second thought, they had concluded to hand over the cash, and allow Mr. Rainsford to make whatever use of it he saw fit.

The veteran clerk of the legislature was completely carried away by the generous manifestation of good will towards him, but managed to receive sufficiently to make an appropriate reply.

ALD. SCOTT PRAISED.

"A Shrewd, Level Headed Chap," Says Senator Proctor.

Mr. W. T. Whitehead, M. P. for York, is in receipt of the following letter from Hon. Senator Proctor, which needs no explanation:

Washington, B. C.
April 10, 1906
Dear Mr. Whitehead:
You sent down a pretty shrewd level headed chap to represent you in regard to the Consular Agency. Everything was entirely new to him of course but he managed it with the skill of a veteran. His frank honest good sense, stood out so plainly that he seemed to have his way everywhere. I am very glad your matter came out so satisfactorily and was very sorry that I was under the weather so as not to be able to help. I think there will be no trouble about keeping it as a matter of neighborly friendship and comity, rather than one of business.

Yours very truly
Redfield Proctor.
Mr. W. T. Whitehead M. P. for York.

THE FREDERICTON BRIDGE.

In the Legislature last evening Chief Commissioner in introducing the bill to provide for permanent bridges, made an announcement in regard to the Fredericton bridge. He stated that it should cost \$225,000 to complete the structure and it was proposed to replace the spans as they became unsafe. Tenders for two new spans would be called for at once and it was hoped to have them completed by the spring of 1908. The bridge he said had been erected twenty-two years ago at a cost of \$150,000 and was now becoming unsafe.

GOVERNMENT MEETING.

A meeting of the Local Government was held this morning to dispose of some business which has accumulated during the session. A meeting of the Board of Education is being held this afternoon and another meeting of the government will be held on Monday. Premier Pugsley will go to St. John this evening to spend Sunday.

DRAMA REPEATED.

The Irish melo drama by Judge Clifton, "More Sinned Against than Sinning," repeated at St. Dunstan's hall again last evening, was successful in every particular. The entertainment was under the auspices of St. Dunstan's Young Men's Society and those who took part fully sustained the reputation which they made at the previous evening's performance. The hall was well filled with an appreciative audience, and the boys are being warmly congratulated on their success.

It is understood the entertainment will be given at Woodstock on May 24th, before Judge Carleton, the author of the play.
