# THE PLOT UNMASKED.

(Continued from first page.)

OTHER BUSINESS TRANSACTIONS WITH HIM. MY BUSINESS CONNECTION WITH MR. MAYES IS NOW THE SUBJECT OF AN ACTION AT-LAW AND THE PLATFORM HIMSELF. Mr. WILL BE FULLY DEALT WITH IN THE COURTS.

That it is absolutely untrue that I have ever had any conversation with Mr. Mayes respecting any payment to the Hon. Dr. Pugsley, as alleged in Mr. Mayes' declaration, and I never knew of any payment to Mr. Pugsley in connection with dredging matters and I verily believe that no such payment has ever been made.

That the contract given to Mr. Mayes and referred to in his said declaration was awarded by the then Minister, the Hon. Mr. Hyman, to Mr. Mayes, he being the lowest tenderer. That in the month of September last I met Mr. J. D. M. Baxter who acted for Mr. Mayes in connection with the dredging contract and is Mr. Mayes' personal friend and adviser, at the entrance of the law library, Princess Street, in the city of St. John, and at his request I went into a room off the said library and there proposed to me that if the government would buy Mr. Mayes' dredge at a price which I thought was about \$100,000, there would be a rebate for political purposes of \$20,000. I replied to Mr. Baxter that I was through with Mr. Mayes and would have no further transaction with him.

That early in the present month of October Mr. F. W. Holt, Civil Engineer, called upon me at my office and stated that he came with a view of effecting a settlement of matters between Mr. Mayes and myself and that Mr. Mayes was making threats of what he would do if they did not buy his dredge. While I had then firmly made up my mind to have no further business transactions with Mr. Mayes yet in order to draw Mr. Mayes out and have him committed to his demands and believing as I then did that Mr. Holt was acting at the instance of Mr. Mayes, I said that a person making demands of that nature usually had a price, and asked him to ascertain what Mr. Mayes' demands really were.

(Signed) GEORGE McAVITY.

F. W. HOLT'S AFFIDAVIT.

I, Frederick W. Holt, of the City of St. John, civil engineer, do solemnly declare and say that on the 7th day of October instant, as a result of a conversation which I had with Gershon S. Mayes and in order if possible to effect a settlement between Mr. Mayes and George McAvity, I called upon Mr. McAvity. I interested myself in the matter purely with a view of effecting a settlement. Subsequently on the ninth day of October, I again called upon Mr. McAvity and stated that Mr. Mayes wanted to sell the dredge and would take one hundred and fifty-three thousand and four hundred dollars, and that if the purchase was made Mr. Mayes would withdraw all suits and give up all

NOTES AND CHECKS AND PHOTOGRAPHS THEREOF. OTHERWISE MR. MAYES SAID HE WOULD MAKE PUBLIC DAMAGE STATEMENTS AND TAKE AN ACTION AT-LAW AND THE PLATFORM HIMSELF. Mr. Mayes replied that so far as he was concerned he was prepared to fight the suits, that there was nothing to conceal, and Mr. Mayes would have taken his own course. I reported the result of my interview to Mr. Mayes, and have nothing further to do with the business. And I make this solemn declaration conscientiously believing it to be true and knowing it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act.

(Signed) F. W. HOLT.

JOHN E. MOORE'S AFFIDAVIT.

I, John E. Moore, of the City of St. John in the city and county of St. John and Province of New Brunswick, do solemnly declare and say that on the 7th day of October instant Percy W. Thomson called at my office and said that J. B. M. Baxter had been in to see him about the Mayes dredge, and had requested him to call upon the Minister, (meaning the Hon. Mr. Pugsley) and my self about the matter. He then asked me if something could not be done to buy the dredge, and said that if \$150,000 was too much why not make an offer of \$125,000 and endeavor to pre-empt any trouble. I replied that there would be no trouble, as the talk about the Minister having been paid anything was all nonsense, as to the alleged payment being talked about was two years before he was a member of the House of Commons. MR. THOMPSON EXPRESSED SURPRISE AT THIS AND SAID HE UNDERSTOOD IT WAS SINCE MR. PUGSLEY HAD BECOME A MINISTER. I further said to Mr. Thompson that, apart from all politics, how ever, I would be willing to buy the dredge at what it was worth, but I would have to have an inspection. Mr. Thompson then left the office saying he would be back the next day he telephoned that he had not seen Mr. Baxter but had seen Mr. Mayes and that Mr. Mayes had asked him to see the Minister. MR. THOMPSON THEN SAID THAT UNLESS THE DREDGE WAS PURCHASED AT \$150,000 MR. MAYES WOULD SEND TO THE GLEANER BY SPECIAL MESSENGER A STATEMENT DAMAGING TO THE LIBERAL PARTY AND WOULD HIMSELF TAKE THE PLATFORM. Mr. Thompson then added that he did not like the business and had only approached me at the request of Mr. Baxter, and that he considered that the best thing that he could do was to drop out of it—that he was foolish to have had anything to do with it. And I make this solemn declaration conscientiously believing it to be true and knowing it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act.
