DISMISSED FROM OFFICE

Inspector Brown's Place Was Wanted by a Tory Partizan and He Had to go.

The Local Government sitting as the Board of Education yesterday dismissed School Inspector Nelson W. Brown from the office and appointed Mr. David L. Mitchell of Lincoln, Sunbury County to the vacancy. The reason given by the government and their heifers for Inspector Brown's decapitation was that he had not complied with the regulations by procuring a grammar school license, but this will scarcely go down with those who have some knowledge of the real facts. Mr. Brown prior to his appointment, took an active interest in politics on the Liberal side, and was unfortunate enough to incur the hostility of Mr. J. K. Pinder, M. P., in the parish of Southampton, where both reside. Ever since the new Government was sworn into office six months ago, Mr. Pinder and his heifers have been trying to get rid of Mr. Brown, and the only cause for surprise is that he was able to hold on as long as he did. The difficulty that the government had in deciding upon a successor from the numerous hungry applicants no doubt saved Mr. Brown for the time being.

Mr. Brown was appointed to office two years ago, and has been most faithful in the discharge of his duties. A teacher of long experience, he knew exactly what was required of him and entered upon his duties with spirit and determination. A careful and tireless worker he was constantly on the go and it is not an exaggeration to say that no inspector in the province worked harder or did his work more systematically. He has made many friends throughout the inspectorial district and his peremptory dismissal is not likely to add to the popularity of the government.

Mr. Mitchell the new inspector belongs to Lincoln and is a graduate of the U. N. B. He taught school for several years. He engaged in the agricultural implement business in this city in partnership with Mr. R. B. Hanson and others, and was also for a time employed as accountant with Mr. James Robinson, at Miller-ton. Last term on account of his failure to secure a better job, he was obliged to take up school teaching at Bathurst.

Since early last spring he has been camping on the trail of a school inspectorship and has finally with the help of the members for Sunbury, succeeded in landing it. One of Mr. Mitchell's chief claims for preferment was that he was badly in need of a job, and has always been a pronounced Tory partizan.

A ROUSING MEETING

Sunbury Liberals Listen to Stirring Addresses.

The Liberal picnic at Taylor's wharf, Sheffield, yesterday afternoon, was one of the series which the Liberal candidate, Col. McLean, has been holding through the united counties of Queens-Sunbury during the past fortnight. Fine weather prevailed, and people assembled from the parishes of Sheffield, Maugerville, Burton, and Lincoln. Many brought baskets with them and enjoyed the afternoon thoroughly.

The political meeting was held in a large tent, which was completely filled, many ladies being in the gathering. Mr. C. F. McLean, vice president of the Sunbury and Queens Liberal association, occupied the chair, and the speakers were Col. McLean, Senator Ellis and Hon. H. A. McKeown. They delivered stirring addresses, dealing with the issues of the campaign, and advancing many strong reasons why the people of the united counties should send a representative to Ottawa to support the government of Sir Wilfrid Laurier. The addresses were followed with great interest and were frequently applauded.

Rousing cheers for the Rt. Hon. Sir Wilfrid Laurier and Col. McLean were given at the close of the meeting.
