

Events of a Day

YORK COUNTY COUNCIL.

The January session of the York County Council will open in the County Council chamber at ten o'clock tomorrow morning. It is understood that Coun. Byron McNally of Kingsclear, will be elected warden.

FRACTURED HIS LEG.

Mr. John Fraser, the well known carpenter, fractured his leg below the knee by falling on the icy sidewalk on George street to-day. Dr. McNally rendered surgical aid and the patient is doing as well as can be expected.

SOCIAL THIS EVENING.

The young ladies of St. Anthony's Church choir, St. Mary's, will hold their character social this evening at St. Anthony's hall at that place. Hanson's orchestra will render a program of music during the evening. Admission 25c.

COLDEST NIGHT YET.

Last night was undoubtedly the coldest yet experienced during the present winter. At the pumping station the glass registered 12 below during the night and at R. W. George's drug store, St. Mary's, his self registering glass showed 12 below.

SO DIFFERENT HERE.

Amherst News: Mayor Lowther has one excellent quality. He never loses his temper or equanimity in a newspaper controversy. He blew in to our office yesterday as cheerful and bright as if we agreed with him on the question of "over-drafts." Asked if he had any letter for publication he stated "that he was waiting to see what station we were going to get off at, before he boarded the train."

TAKEN TO HOSPITAL.

Miss M. Nason, daughter of Mr. P. A. Nason station agent at Welsford and a student at the Normal School was removed to Victoria Hospital on Saturday evening suffering from symptoms of typhoid fever. The father of the young lady left for home this morning and previous to his departure he stated the young lady was doing nicely and that he did not believe the disease would develop.

POLICE COURT.

The case of James Semple charged with destroying water pipes at Mrs. Brewer's home was settled at the police court this morning by Mr. Semple agreeing to make the necessary repairs to the pipe. Senator Baird of Andover spent Sunday in the city and went to St. John this morning.

WITH THE SCOTS.

It's not long, in fact its only three days now, so if you want to be one of the lucky ones you will have to secure your tickets at once as the advance sale is large, and you cannot afford to miss this if you had to pay double the price. It will be a winner.

THE BRIDGE.

The contractors of the highway bridge are making good progress on the new spans. The bridge has been closed for the season both to teams and foot passengers.

RESIGNED HER POSITION.

Miss Effie Pond has resigned her position at Lemont & Sons' furniture store, and will enter the Fredericton Business college early next month for a course in short hand.

PRICE WEBBER COMING.

Mr. H. Price Webber and his popular company will open an engagement at the Opera house here about the 12th of February.

CHILDREN'S SUNDAY.

The Children's Rally at St. Paul's church Sunday school yesterday, was most successful, and notwithstanding the extreme cold weather, a large number of the little tots, as well as the parents were present. The first part of the program consisted of the regular exercises, after which a chorus of little girls rendered a couple of appropriate selections. A duet by little Jessie Clark and Helen Lindsay was a pleasing feature of the afternoon's program. Rev. Willard Macdonald presented suitable prizes for perfect attendance to thirteen of the pupils after which a collection was taken up for the benefit of the Children's Day fund of the Presbyterian church in Canada. The collection was a generous one. The entire program was interesting and instructive and well carried out.

Prizes for perfect attendance were presented to Muriel Masters, Annie Smith, Etel McMuray, Julia McLenihan, Marjory Edney, Murray Baird, Alfred Smith, Catherine McAdam, Jessie Clark, Sterling McDermott, Helen Scott, Mary Baird, Isabel Wiley.

The following were given honorable mention for being present during the year: Queen Boone, Murray McAdam, Leslie Moore, Jennie Mitchell.

A pleasing feature of the afternoon was the presentation of a book to Miss Nellie McKay, one of the teachers who was only absent one Sunday in the year and that on account of illness.

FIRE'S YESTERDAY

House and Contents Destroyed at St. Mary's Last Evening

The firemen were called out about noon yesterday by an alarm from Box 36, for a burning chimney in the house of Mrs. Miller Brunswick street. Only slight damage was done. A house on the Kilarney Road, St. Mary's, formerly owned by Mr. N. A. Cliff, was burned to the ground at seven o'clock last evening with all its contents.

The building was owned by Mr. William Gilbert, St. Mary's, and occupied by Mr. Parker Gilbert, Mr. Gilbert and family were out spending Sunday evening, and returned home to find their house in flames. It is understood the building was covered by insurance.

'PRODIGAL SON' OPERA HOUSE

The nearly fourteen hundred people present at the Opera House Saturday night were more than satisfied and will be seldom absent from any future cinematograph program. The great feature for tonight and tomorrow is the brand elaboration of the greatest of parables "The Prodigal Son" and is sure to be as enthusiastically received as it has been elsewhere.

Besides this the pathos and moral of the Singer's Romance, the Fancies of Winter, the Wonders and Fun of the Haunted Bedroom, etc., will prove a very enticing evening's pleasure. A new feature is an illustrated reading regarding the Canadian South African Contingent, to be read by our own Mr. W. A. Walsh. Just two nights. Go early and get good seats.

JUNIOR HOCKEY.

An exciting game was played at Frank Jewett's rink on Saturday morning from 10 to 11 o'clock. The score was 5 to 4 in favor of the victors. The teams lined up as follows:

Continuation "White-Wear Sale"

Our Big Sale of MUSLIN UNDER-GARMENTS. Which was such a pronounced Success

M 466. GOWN. Good cotton, three-quarter sleeves, open front, high neck, trimmed Swiss embroidery and insertion, ribbon bow. Sizes 58 and 60. Sale price 69 cents.

That the beautiful showing of Night Gowns, Skirts, Drawers, Corsets Covers, Dresses, Kimonas, Waists &c were appreciated by the Large Crowd of Ladies who attended the Sale, goes without saying. The Styles, Fit, Make and values of our Underwear is now so well known that when we announce a Special Sale at Special Prices, people come to buy feeling that no House in Canada can do as well for them, no matter what discount they offer, or what they say.

Doubtless some of our readers have been looking over one of the many catalogues, sent broadcast to everyone by the "T. Eaton Co." lately. If they will kindly look the last one over carefully, and note the style, price and quality of muslin undergarments and then visit our sale they will find that they can save money on every garment. Take a single instance of many on page 3 of their catalogue, and notice they charge 98 cents for style R1-1204—women's plain nainsook gown, while our sale price is only 69 cents for the same identical garment in every detail. This happens frequently and yet some people send money away to such places and continue to pay more for their goods than if purchased here and money kept in circulation in our own community.

This is a good time to buy your Seasons Supply of Whitewear, as the Garments are so greatly under priced that it is a money saving opportunity.

Send in your orders by TELEPHONE or MAIL if you cannot find it convenient to attend.

THE SAVORY

Seamless Roaster will make a second choice cut of meat tender, sweet and juicy, so that it serves up more tender and better than an expensive first choice cut cooked in the old way. It requires no attention, the concave bottom collecting the natural juices which are steamed through the meat, self-basting and self-browning in its own juices.

The roaster is practically air tight. No part of the meat essence is lost through evaporation. Can't burn because the bottom of the roaster is never in contact with oven bottom.
