#### AMONG THE CURLERS

Fredericton Club Defeated in McLeLlan Cup Competition, More Practice Needed in Home Club

The Fredericton curlers were unable to secure two rinks to play for the McLeLlan cup against the Thistles last night at St. John, and that trophy by default is retained for the present by the St. John club.

Fredericton sent two strong rinks to St. John to play the match on the date originally set, Jan. 7, but the Thistles refused to enter the competition, alleging the ice unfit, although the Fredericton men were perfectly willing to try their luck.

The holders of the cup will meet the Pictou club on Thistle ice tomorrow, three rinks a side, and the winners in that game will play the Antigonish club, the challengers next in order.

Seeing that the Fredericton club with six rinks are to go on their foreign trip next week, playing the Thistles, St. Andrew's, and St. Stephen, successively on Monday Tuesday and Wednesday, its members should get in some practice before those dates. There were three sheets of perfect ice available at the local rink last night, but when the time arrived for play, only seven members in a club of nearly ninety, were present. At the meeting for the election of skips for foreign games the evening previous, there were twenty-one members present.

Curling matches are not won by players without practice, and if there is any intention of trying to win next week's foreign games, those who are to participate, should make their appearance on the ice during the remainder of this week.

President R. F. Randolph has generously offered four prizes to the rink winning out in a series of games to be arranged between the rinks going on the foreign trip and any others that may care to enter, and the proposition has been accepted by the club.

No progress is being made in the local rink competition this season. Two games were scheduled for last night, but none of the players put in an appearance.

This is the day for the annual points competition.

#### THE R. C. R. WON OUT

Defeated Bankers in Exciting Hockey Match at Rink last Evening

A fast and well contested hockey match in the Local League series between the Bankers and R. C. R. was played at the Arctic Rink last evening and resulted in a victory for the military men by the score of four to two. The attendance of spectators was not large, but they got good value for their money. Lieut. Chrysler for the military men scored for his team after the game had been in progress about fifteen minutes, it being the only goal shot during the 1st half. In the second half the R. C. R. again scored after play had been in progress only a few minutes. This only seemed to nerve the moneyed men to greater efforts, and by hard work they managed to tie the score before the referee's whistle blew for the close of the game. The teams agreed to play ten minutes overtime but not being able to make any change in the score they were compelled to continue another half hour. The soldiers brought things to a head by running in two more goals in quick succession, making the score stand 4 to 2 in their favor. The lineup was as follows:

|             |            |          |
|-------------|------------|----------|
| Bankers.    | goal       | R.C.R.   |
| McGibbon    | point      | Woods    |
| Sewell      | over point | Juiteau  |
| Jardine     | rover      | Chrysler |
| Cadwallader | centre     | Perry    |
| Hawkins     | right wing | Ualloway |
| Yerxa       | left wing  | Harper   |
| Daley       |            | Duncan   |

Larry Ranson of the Capitals refereed the game in a satisfactory manner.
