Dr. Hamilton Speaks**On Woman's Health**

The reputation of this noted physician needs no comment. For years he was one of the most noted and distinguished practitioners in England in speaking of the ills from which women suffer, Dr. Hamilton points out that nine out of every ten women are by nature inclined to habitual constipation. Harsh purgatives are resorted to which only intensify the trouble. Although not generally known, it is a constipated condition of the bowels that causes half the sickness and tired weariness with which all womankind is so familiar. It was after long years of study that Dr. Hamilton perfected the pills which have been of such marvelous benefit to women the world over. In his pills of Mandrake and Butternut every sufferer will find an absolute specific for constipation, sick headache and biliousness. It is safe to say that Dr. Hamilton's Pills bring better health and keep the system in a more vigorous condition than any other medicine ever discovered. At all dealers, in 25c boxes.

TRIED TO KILL HIS WIFE.

Joseph Ashworth Sentenced to Twenty Years.

CORNWALL, Ont., Jan. 14.—Twenty years in the penitentiary was the sentence handed out by Mr. Justice Anglin at the close of the Assizes here yesterday to Joseph Ashworth, who was found guilty of attempting to murder his wife two days before Christmas. J. G. Harkness, the Crown prosecutor called Mrs. Ashworth, her two children, and other eyewitnesses of the bloody affray, and the case established by them was that Ashworth had attacked his wife in the house, and when she fled pursued her to a neighbor's yard. He was armed with a stove shaker, but after being knocked down, the woman wrestled with him. Ashworth then drew his pocketknife and attacked his wife with that, slashing her face. She struggled to protest her throat, and in this way had one of her fingers so badly mutilated that it had to be amputated. The little boy and girl, who interfered on their mother's behalf, were also cut. Ashworth gave evidence on his own behalf, claiming that he had been unwell, and bothered with his head. The only recollection he had of the affair was his wife scolding him. Mr. R. W. Bruce Smith of Toronto, Inspector of Asylums, who with Dr. Moore, had examined Ashworth, testifying that while of a low type, Ashworth was sane, and responsible for his actions. The jury were only out a short time, and brought in a verdict of guilty. After being sentenced Ashworth seemed stunned, and faintly collapsed when removed to the jail.

HORSEMAN GOES FREE

Grand Jury found no Bill in Alleged Murder Case

DORCHESTER, Jan. 15.—The grand jury after three hours consideration yesterday found no bill in the case of Christopher A. Horseman, the Steeves Mountain man charged with the murder of his wife.

The grand jury, after hearing the Judge's charge, retired about half-past three, returning at ten minutes after six, reporting no bill in the case of Horseman and Judge Hanington fully concurred.

No bill was found in the cases of Covey Mills of Moncton, charged with theft by appropriation of money, and Albert Falmore of Bayside, charged with assault. A true bill was found against Constable Charles H. Thomas of Moncton, charged with theft by misappropriation of valuable security.

After the grand jury returned a verdict M. G. Teed of St. John, who was associated with E. A. Kelly of Moncton on the Horseman defence moved for the discharge from custody of the prisoner, and Judge Hanington adjourned the court until 8 o'clock when Horseman was brought in and formally dismissed from custody. "I'm glad," was all he said when congratulated, and he left with his two children, who had been present as witnesses in the case of trial.

The court convened about half-past two, with a large crowd of spectators in attendance. John H. Hickman was elected foreman of the grand jury, and Judge Hanington in his address, briefly outlined the evidence as given in the preliminary examination.

There was only one case on the civil docket, that of James W. Wallace vs. the Times Printing Co., if Moncton, charged with libel. This was stood over.

SHOT IN HIS OWN HOUSE.

Queer Adventure of William J. Meek of Winnipeg.

WINNIPEG, Jan. 14.—William J. Meek, Secretary of the Winnipeg Cigar-makers' Union, was shot in the head on Saturday night while sitting in his house at 397 Logan avenue, and robbed of \$27 which he had in his pocket. The bullet entered the back of his head and ran around over the skull, coming out at the forehead and doing little damage. Meek can not give any statement of the robbery, and the case is a mysterious one. He claims that a man came in the kitchen door and did the shooting while Meek was alone in the house. He will recover.

A certain author who is noted for his wit, and for never being at a loss for a reply, whatever the circumstances, was approached the other day at his club by some one who clapped him on the back and exclaimed:

Well, old fellow, glad to see you!

How are you?

The author turned, and, not recognizing the man, replied calmly:

I don't know your face, but your manner is very familiar.

TO Suffer From Headaches**Makes Life Miserable. . .**

It takes a person that has had and is subject to headaches to describe the suffering which attends them.

The majority of cases are caused by constipation and dyspepsia. The dull throbbing, the intense pain, sometimes in one part, sometimes in another, and then over the whole head, varying in its severity by the cause which brings it on, purely indicates that there is something the matter with the stomach or bowels. To the fact that Burdock Blood Bitters reaches every part of the system is due its success in relieving and permanently curing headache. It has proven a specific for the malady in all its forms.

Mr. Wm. R. Gilchrist, New Mills, N. B., writes: "I was troubled for years with constipation and headaches, but after using four bottles of Burdock Blood Bitters I am completely cured."

Mr. John T. Kidner, Red Deer, Alta., writes: "I was troubled for several years with headache. I tried a number of remedies but they did me no good. I tried a bottle of Burdock Blood Bitters and it cured me completely."
