

Good varnishes for all kinds of good work. A special varnish for every special purpose.

The Sherwin-Williams Varnishes are good varnishes—every one of them. Each one is made for a special purpose and with a full understanding of the needs of that purpose. Each varnish is right—right in working, drying, and wearing qualities, right in appearance.

The S.W. Varnishes are thoroughly aged before being put on the market. They are "ripe" and every drop can be used. You will like S. W. V.

A large number of the best practical painters use S.W.V. exclusively—men who would not take the risk of poor varnishes.

Next time you have a job of varnishing ask us about S. W. V.

Do You Think For Yourself?

Or, Do You Open Your Mouth Like a Young Bird and Gulp Down Whatever Food or Medicine May be Offered You?

If you are an intelligent, thinking woman, in need of relief from weakness, nervousness, pain and suffering, then it means much to you that there is one tried and true, honest medicine of known composition, sold by druggists for the cure of woman's ills.

The makers of Dr. Pierce's Favorite Prescription, for the cure of weak, nervous, run-down, over-worked, debilitated, pain-racked women, knowing this medicine to be made up of ingredients, every one of which has the strongest possible endorsement of the leading and standard authorities of the several schools of medical practice, are not afraid to print, as they do, the list of ingredients, of which it is composed, in plain English, on every bottle-wrapper.

The formula of Dr. Pierce's Favorite Prescription will bear the most critical examination of medical experts, for it contains no alcohol, so injurious to delicate women even in small quantities when long continued. Neither does it contain any narcotics, or other harmful, or habit-forming drugs, and no agent enters into it that is not highly recommended by the most advanced and leading medical teachers and authorities of their several schools of practice. These authorities recommend the ingredients of Dr. Pierce's Favorite Prescription for the cure of exactly the same ailments for which this world-famous medicine is advised by its manufacturers.

No other medicine for woman's ills has any such professional endorsement as Dr. Pierce's Favorite Prescription has received in the qualified recommendation of each of the leading medical men of all the schools of practice. Is such an endorsement not worthy of your consideration? It certainly is entitled to far more weight than any number of non-professional, or lay testimonials.

A booklet of ingredients, with numerous authoritative professional endorsements by the leading medical authorities of this country, will be mailed free to any one sending name and address with request for same. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of native American medicinal roots and is perfectly harmless in its effects in any condition of the female system.

As a powerful invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For over-worked, "run-down," debilitated, nervous, run-down, over-worked, debilitated, pain-racked women, knowing this medicine to be made up of ingredients, every one of which has the strongest possible endorsement of the leading and standard authorities of the several schools of medical practice, are not afraid to print, as they do, the list of ingredients, of which it is composed, in plain English, on every bottle-wrapper.

As a soothing and strengthening nerve "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability,

nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, St. Vitus's dance, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the female system.

If a woman has bearing down, or dragging pains, low down in the abdomen, or pelvic, backache, frequent headaches, dizzy or fainting spells, is nervous and easily startled, has gnawing feeling in stomach, sees imaginary floating specks, or spots before her eyes, has melancholia, or "blues," or a weakening disagreeable drain from pelvic organs, she can make no mistake by resorting to the use of Dr. Pierce's Favorite Prescription. It will invigorate and tone up the whole system and especially the pelvic organs.

No woman suffering from any of the above symptoms can afford to accept any secret nostrum or medicine of unknown composition, as a substitute for a medicine like Dr. Pierce's Favorite Prescription, which is of known composition and has a record of over forty years and sells more largely to-day than ever before. Its makers withhold no secrets from their patients, believing open publicity to be the very best guaranty of merit.

Dr. Pierce invites all suffering women to consult him by letter free of charge. All letters of consultation are held as sacredly confidential and an answer is returned in plain sealed envelope. Address: Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y.

Dr. Pierce's great thousand-page illustrated Common Sense Medical Adviser will be sent free, paper-bound, for 31 one-cent stamps, or cloth-bound for 50 stamps. Address Dr. Pierce as above.

Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. They are the original Little Liver Pills having been put out for sale by old Dr. Pierce over 40 years ago. Much imitated, but never equaled. One to three a dose. Tiny sugar-coated granules; easy to take as candy.

Dr. Pierce's Golden Medical Discovery is a most potent alterative, or blood-purifier, and tonic, or invigorator, and acts especially favorably in a curative way upon all the mucous lining surfaces, as of the nasal passages, throat, bronchial tubes, stomach, bowels and bladder, curing a large per cent. of catarrhal cases whether the disease affects the nasal passages, the throat, larynx, bronchia, stomach (as catarrhal dyspepsia), bowels (as mucous diarrhea), bladder, uterus or other pelvic organs. Even in the chronic or ulcerative stages of these affections, it is often successful in affecting cures.

Josh—I hear they give Si a cross examination in that trial.
Bosh—Yes, and I can't see why they needed to be cross about it. Si's the best natured fellow I ever see.

SELECT YOUR MEDICINE WITH CARE.

In debility and weakness medicine should be mild and far reaching. Many pills and purgatives are too harsh, are drastic instead of curative. Excessive action is always followed by depression, and knowing this, Dr. Hamilton devised these pills of Mandrake & Butterbur so as to mildly increase liver and kidney activity, flush out the elementary canal, tone and regulate the bowels. Thus do Dr. Hamilton's Pills eliminate poisons from the body, restore clearness to the skin, bring strength and that sweet restorer of health—sleep. Best medicine on earth, 25c. per box at all dealers.

DON'T USE GREASY LINIMENTS

A century ago they were popular. Today people want something easy to apply, certain in results, and above all a clean liniment. When Nerviline is applied aches and pains disappear as the pores absorb its soothing healing properties. Nerviline penetrates to the core of the pain, eases instantly, and leaves no oily bad smelling memory behind. Good to take in, capital to rub on, and five times more powerful in destroying pain than any oil liniment. Don't fail to get a large 25 cent bottle.

The inquisitive visitor to the studio of the famous but crotchety artist propounded the query, What do you mix your colors with?

With brains, sir, replied the painter, in dignified tones.

Ah, commented the visitor, so you paint miniatures?

AFTERNOON DRESS OF FIGURED BATISTE.

A DRESS such as depicted is plain and easily made, yet will be quite dressy enough for any informal occasion. The full puffed sleeves may be finished either long or three-quarter length. The waist is full and shirred to a square neck both back and front. The yoke is a prominent feature and may be made as plainly or elaborately as the taste of the wearer dictates.

The skirt is five gored and tucked at the lower edge. At the waist line the gores are so arranged that there is only a slight fullness over the hips, which is shirred into position, and the skirt and waist are joined by a band. This skirt will not require fitting over the hips when making it. The tucks must be carefully marked according to the pattern and stitched. Any alteration in length is made from the top.

Voiles, soft silks or marquisette in either black or colors will be pretty made after this model. These, of course, require a silk lining. For warm weather figured batiste, organ-dies, flowered lawns and silk mulls made in this style will be serviceable and require only a muslin slip under them. The slip may be made in regular princess fashion, with waist and skirt cut in one, or they can have gores skirts and full waists made separately and joined by a band. They usually button in the back, although this is optional so long as the closing is so arranged that it does not show.

This dress closes in the back. The pattern is cut in six sizes—from 32 to 42 inches bust measure. To make the garment for the average person it requires 13½ yards of material 27 inches wide or 10 yards of material 44 inches wide.

Any reader of this paper who desires to secure this pattern may do so by sending 10 cents to this office. Give the number, 4033, state size of pattern desired and write the full address plainly. The pattern will be forwarded promptly by mail.

USELESS TROUBLE.

Tomlinson's Experience While on a Southern Business Trip.

Tomlinson had gone south on business, and early one morning he set out to call on a customer several miles from town. There were no transportation facilities, and Tomlinson after having found that he couldn't even hire a horse decided to walk. He had accomplished a little more than half of his journey when he arrived at the bank of a river, where a robust negro operated a ferry.

Dipping into his pockets for the necessary change, Tomlinson discovered with considerable chagrin that he had left his money at the hotel. He hadn't a cent with him. Assuming a bold front, however, he asked:

"Eph, do you take people across the river?"

"Well, boss, Ah reckon hit wouldn't do me no good ter opehrate dis yeh ferry of Ah didn't."

"Come, then; take me over. I'm in a hurry."

"Ah on'y chages 5 cents."

Tomlinson again felt in all his pockets and, failing to find a coin of any kind, said:

"Very well; that will be all right. I forgot to bring any change with me, but I'll pay you when I come back."

"Ain't yo' all got 5 cents?"

"No. I forgot to bring my pocket-book. But it will be all right. I'll pay you when I return. Come, I'm in a hurry."

"All Ah chages is 5 cents."

"I know," Tomlinson impatiently replied, again searching his pockets. "I don't happen to have the change, but never mind about that. I'll be coming back this way in a little while, and I'll pay you then."

"Jes' 5 cents. Dat's all Ah eber chages fo' takin' ennybody oveh."

"I understand that fully, but it will be all right. I must get over immediately. Hurry now! I can't afford to waste time listening to your explanations. I don't object to your price."

"An' yo' all ain't got 5 cents?"

"No, no, no! How many times must I tell you that I forgot to bring any money with me?"

"Hit's on'y 5 cents."

"You've told me that a dozen times. I'll see that you get it when I return."

"An' yo' all hasn't got 5 cents?"

"Confound you! Do you suppose I'd stand here wasting time if I had? Come now, hurry. I must get over there at once."

"Well, boss, hit seems ter me dat a man whut ain't got 5 cents might jes' as well be on one side ob de ribbech as de yutheh."—Judge.

DANISH PILLS AND ERUPTIONS.

Everyone Needs a Tonic in Spring to Purify and Build up the Blood.

If you want new health and strength in Spring you must build up your blood with a tonic medicine. Indoor life during the long winter months is responsible for the depressed condition and feeling of constant tiredness which affects so many people every spring. This condition means that the blood is impure and watery. That is what causes pimples and unsightly eruptions in some of these have signs of rheumatism, or the sharp, stabbing pains of neuralgia. Poor appetite, frequent headaches, and a desire to avoid exertion is also due to bad blood. Any or all of these troubles can be banished by the fair use of such a tonic medicine as Dr. Williams' Pink Pills. Every dose of this medicine helps to make new, rich, red blood which drives out impurities, stimulates every organ, strengthens every nerve and brings a feeling of new health and new energy to weak, tired out, ailing men and women. Here is the greatest of all spring medicine proof that Dr. Williams' Pink Pills. Mr. Henry Baker, Chipman, N. B., says:—"Last spring I was so weak and miserable that I could hardly drag myself about. My appetite was poor, I did not sleep well, and dreaded work. My blood was in a terrible condition, which caused pimples and small boils to break out all over me. These would itch and pain and caused me much trouble. I tried several medicines, but without the least benefit, when one day a friend asked me why I did not try Dr. Williams' his advice and gave the pills a trial. I took a half dozen boxes and the result was that by the time they were finished I felt like an altogether different man. They purified my blood, built up my whole system, and I have not had a pimple on my flesh, nor a sick day since. For this reason I can highly recommend Dr. Williams' Pink Pills as a blood builder and purifier." Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

Do you think Ophelia really loved Hamlet?" asked Maud.

"I should say so," answered Mamie.

"She was crazy about him."
