be purely technical. Thaw wants

New York, March 14.—Evelyn Nestit Thaw, who has sued Harry K. Thaw for an annulment of marriage, admitted yesterday that with his wife in her effort to free

ment made upon her by the latter, she is to receive a lump sum, of a plan to sever Thaw from his former associations and abtain his release Mrs, Thaw, smiling and radiant as from the insane hospital. Thaw has a June bride, was seen as she was leaving the office of her attorney, Daniel O'Reilly.

'Was the article regarding your suit and the monetary promisideration you are to receive published this Sunday.'

'All meet you at Delmonico's next Sunday.'

suit and the monetary consideration you are to receive published this morning correct?" she was asked.
"Yes, it was right," was the reply, "and I have no complaint to make about it."
"The thin it is not a suit one of his counsel:
"I'll meet you at Delmonico's next Sunday."

They believes that once out of the asylum he would have the same power over Evelyn as in the old days.

(Continued from Second Page.)

\$6,357,320, an increase of \$652,097, over the corresponding period of last

department during the period mentioned has increased by \$7,040,878, and that of the excise by \$545,364, during the same period.

From the above figures it will be observed that the Dominion revenues are on the increase and that the Congressity to take of blue ruin cannot be

servative talk of blue ruin cannot be

Constant increases in the customs and excise revenue no longer cause comment. So that these figures arise naturally as a result of commercial expansion. Special attention, however, in invited to the chowier words. expansion. Special attention, however, in invited to the showing made by the post office department. An increase of nearly three-quarters of a million dollars in eleven months is certainly a circumstance which calls for remark. Under a Liberal administration the post office has been changed from a department which was a source of expense, and has been made a large revenue producer. Last year there was a very considerable surplus and from the figures available to date it would appear that this surplus would be largely increased this year.

Honest and intelligent management of public business is responsible for what way do you resemble a sena- good things to eat-absolutely no at- the very satisfactory results indicatwith the 1896 and before there can only be one opinion expressed, and that is, that the people of Canaaa should John Morris Goodwin of Brondes-bless the day when public affairs were bury went to Willesden Green on Fri RHEUMATISM ALMOST KILLED taken from the hands of the incompetent men who did not measure up to house for a month with influenza, to the standard required of statesmen in look after some property at Nos. 296 whose hards the affairs of Canada will be safe, and placed them in charge of men who have worthily he found it gone.

charge of men who have worthily filled their trust.

Flagrant abuses of the election laws by the Conservatives induced the government some time ago to pass a resolution indicating that amendments to the election act would be introduced. The minister of justice has brought down his bill, and the provisions in same are aimed at a prevention of the more serious offences. What the government seeks to

secure is clean elections, and this bill is intended to attain that object.

On next Tuesday Mr. Fielding, Minister of Finance, will make his budget speech, and the people of Canda and the people of

FLEW A HUNDRED YARDS. Prof. Bell's New Aerodrome Makes a Record.

Hammonds; ort, N. Y., March 14.— Professor Alexander Graham Bell's new aerodrome, the Redwing, today in the presence of a committee of the Aeria, Experiment Association and a number of other spectators, flew a istance of 318 feet 11 inches at height of from ten to twenty feet. The machine is equipped with tht cylinder motor, and together It sailed through the air at a speed of from twenty-five to thirty miles an hour. After having covered the distance mentioned, a portion of the tail gave way, and the aerodrome was brought down for repairs. This is declared to be the first successful public flight of a heavier-than-air fly-days unless they've got a funny nose or whiskers. ing machine in America.
