

WARNING TO PURCHASERS

EVERY assignment of the right of a South African Volunteer to a land grant must be by way of appointment of a substitute and must be in the form provided by the Act. Special attention is called to Sub-section 3 of Section 5 of the Volunteer Bounty Act, 1908, which provides that no assignment of the right of a volunteer by the appointment of a substitute shall be accepted or recognized by the Department of the Interior which is not executed and dated after the date of the warrant for the land grant issued by the Minister of Militia and Defence in favor of the Volunteer.

J. W. GREENWAY,
Commissioner of Dominion Lands, Ottawa.
23th September, 1908.

HEALTH AND BEAUTY.

A half hour well spent upon the complexion at night is worth two in the morning.

A good cure for brittle nails is to soak them daily in sweet oil warmed to blood heat.

A tablespoonful of olive oil taken each day will aid the digestion and ease liver trouble.

The hair should be brushed thoroughly for about fifteen minutes every night before retiring.

Honey is very nutritious and should be on the bill of fare of every person who wants to gain flesh.

Witch hazel is excellent for the eyes, but one should be sure the liquid is absolutely pure before using.

Cold water closes the pores of the skin and makes it firm. A little vinegar or cologne added to the water also assists in hardening.

If you have dark hair and it seems to be coming out, cut off a slice of lemon and rub it into your scalp. It will stop that trouble promptly.

PECULIAR EXPERIENCE.

Railway Men Had Narrow Escape from Burning of a Train Van.

BROCKVILLE, Ont., Nov. 21.—(Special)—Conductor Geo. Collier and brakeman J. Witts, two well known railroad men of this town, had a peculiar and never to be forgotten experience one mile east of Whitby at 4 o'clock Wednesday morning.

They were eastbound on a fast freight, when the stove in the baggage set fire to the woodwork.

Mr. Collier was busy at his desk making out way bills, and Mr. Witts was in the lookout, and the first thing they knew the van was enveloped in flames. A signal was given the engineer, and the two men barely escaped with their lives. In less than five minutes it had burned to the trucks.

THE STOCK MARKET.

Slight drop in Prices in Sympathy with London Depression.

NEW YORK, Nov. 21.—(Special)—Renewed depression in the American department of the London market today, caused an irregular opening in New York. The most prominent speculative stocks were lower, but this was offset by some gains amongst the specialties.

Noon quotations included the following:

Amalgamated Copper	82½
Atchafalca	95
Canadian Pacific	175
Great Northern	137½
Missouri Pacific	61½
Erie	32½
New York Central	115½
Reading	136½
Penn.	128½
Southern Pacific	115½
Northern Pacific	141
United States Steel	55½
Union Pacific	179½

SUCCESSFUL SPORTSMEN.

Messrs. H. G. Watson and W. H. Lindsay of Cambridge, England, who have been on a three weeks' hunting trip to the Miramichi with Uncle Henry Braithwaite as guide, returned to the city by the I. C. R. today, and are guests at the Queen. They each secured a nice moose, and also a caribou and deer. It was their first hunting trip to the New Brunswick woods and they enjoyed themselves very much.

One of the finest mooseheads seen this season arrived by the I. C. R. today from Cross Creek. It is the property of Mr. S. B. Thomas, and was secured by him on Taxis River a few days ago. The antlers have a spread of fifty-eight inches and contain twenty-seven points.

THE GIBSON PROPERTY.

Col. H. H. McLean, M. P., who is in the city today on business, in an interview with a representative of the Herald, admitted that some Americans were negotiating for the purchase of the Gibson lumber lands and mills. He added, however, that he had no part in the negotiations, but when a proposition was submitted he would be prepared to consider it on behalf of the interests he represents. If the syndicate is willing to pay a sufficient price for the property no doubt a sale will be affected.

ENFORCING THE LAW.

PERTH JUNCTION, N. B., Nov. 21.—Before Commissioner Farris, Fred L. Greer, of St. Leonards, yesterday received a heavy sentence, when he was fined \$300 and costs, or one year and a half in jail for three second offences for unlawfully selling intoxicating liquor.

Greer's wife was also fined \$50 for a first offence. It is understood that both Greer and his wife have made their escape across the boundary line into American territory. Warrants have been issued for their arrest.

FAREWELL RECEPTION.

(Sydney Post.)

Rev. Dr. and Mrs. Smith will be "at home" at Falmouth Street Mansie on Thursday and Friday afternoon and evening of this week, to meet any who may wish to see them before leaving Sydney for Fredericton.

The customs of old times are brought to mind when one visits Breadall Parish Church, near Derby, England. In this church is a set of chained books, which are kept in an old oak desk at the eastern end of the north aisle. The desk is a double one, with hinged lids, which can be locked. One recess contains Burnett's "History of the Reformation," published in 1679 and 1681, and the "Works of Josephus," printed in 1722. On the other side of the desk are "Works of John Jewell, Bishop of Salisbury," 1605; "Discourses of some London Divines, 1634; "History of the Early Martyrs," 1687, by Wm. Cave, D.D.; "History of the Fathers to the Fourth Century," 1683, by Dr. Cave; and "History of the Apostles," 1684, by Dr. Cave. Each book is attached to the desk by a light chain, two feet long, so as to prevent any unauthorized person from removing it.

A WONDERFUL RECORD.

As made up by improved and exact processes, Dr. Pierce's Favorite Prescription is a most efficient remedy for regulating all the womanly functions, correcting displacements, as prolapsus, autoversion and retroversion, overcoming painful periods, tuning up the nerves and bringing about a perfect state of health. It cures the backache, periodical headaches, the dragging down distress in the pelvic region, dries up the pelvic catarrhal drain, so disagreeable and weakening, and overcomes every form of weakness incident to the organs distinctly feminine.

"Favorite Prescription" is the only medicine for women, the makers of which print their formula on the bottle wrapper, thus taking their patrons into their full confidence. It is the only medicine for women, every ingredient of which has the strongest possible endorsement of the most eminent medical practitioners and writers of our day, recommending it for the disease for which "Favorite Prescription" is advised.

WRITING AT THE BAR.

The recent death of Mr. Oswald, K.C., London, recalls the fact that he possessed a fund of ready wit and humor, and figured in a number of amusing incidents. "You are," said an angry judge to him on one occasion, "openly showing your contempt of the court." "I am very sorry, my lord," was the meek reply; "I was doing my best to conceal it." The following Mr. Oswald often told against himself. In opening a case about a bill of sale he began a new point with, "Now, my lord, I shall address myself to the furniture." "You have been doing that for some time, Mr. Oswald," was the cruel reply. On another occasion he told the Court of Appeal that he intended to set forth an argument which he would have used in the court below had not the vice-chancellor prevented him. "Pray, how did he manage that, Mr. Oswald?" feelingly inquired the judge.

THINGS WORTH KNOWING.

Don't throw away your scraps of velvet. They can be used as cleaners for all sorts of things.

Keep all the kitchen utensils in one place, and a small one at that. It will save time and steps.

Alcohol and whiting makes a good silver polish and is excellent for polishing plate glass or mirrors.

Olive oil will remove tar stains from dress goods. Wash afterward with white soap and tepid water.

A weak solution of turpentine poured down the water pipes once a week will drive the water bugs away.
