Two Young Men Nearly Drowned--Valedictorian at Mount Allison--I. C. R. Promotion.

SACKVILLE, N. B., May 11.—(Special)—J. C. Layton Pincere Harbor Grace Newfoundland, will be valedictorian of this year's graduating class of Mount Allison University. The selection was made by the members of the senior class. Mr. Pincere is a young man who has made a splendid record as a student and is one of the leaders in all branches of University life.

A. L. Fullerton, who for several years has been a member of the inter-colonial staff, has been appointed station master at Memramcook.

The double drowning tragedy was narrowly averted at Bayfield on Saturday afternoon, when a small dory, containing two young men, Albert White and George Martin, was swamped in Dobson's Cove. They were rescued with considerable difficulty. Martin was taken from the water when sinking for the third time, and when brought to shore was in a critical condition. Both men were brought around all right.

At a recent meeting of the Sackville Fire Department, the firemen discussed whether or not to stand by the M.P.A.A. After the subject had been gone into the meeting decided that the department would take no part in sports which are not sanctioned by the association.

A MILD SENSATION.

The sudden departure of an eighteen year old girl from the city on Saturday evening without the knowledge of her parents, has created quite a lot of talk about the city. It was thought at first that she had eloped with a quasi actor, in whose company she has been seen of late, but it transpires that such is not the case. The man in the case left on Saturday morning for Bath, Carleton county, and as the girl purchased a ticket for Vancouver, it is supposed that she intended joining him. Deputy Sheriff Foster has since been communicated with and has had the young man under surveillance, but has not been able to locate the girl, and it is believed now that she continued on to Boston. The man in the case is married and has a wife and several children somewhere.

SPECIALTY TUESDAY.

Saturday night's audience at the opera house could not get enough of Mr. Gordon's very clever dancing impersonations and will therefore be delighted to hear that he will put on new features just as good, beside singing the illustrated song tomorrow night. JUDGE WILSON'S LECTURE.

Judge Wilson is well known as an entertaining talker and an eloquent public speaker, and the announcement that he is to lecture in the Methodist church on Wednesday evening will doubtless attract a crowded house.

Dr. Von Stan's Pineapple Tablets—Medical science by accident discovered the potency of the pineapple as a panacea for stomach troubles. The immense percentage of vegetable pepsin contained in the fruit makes it an almost indispensable remedy in cases of dyspepsia and indigestion. One tablet after each meal will cure most chronic cases. 60 in a box, 35 cents.—Sold by Arthur J. Ryan.—32
