

## Events of a Day

## ANOTHER VICTORY.

The Fredericton Capitals added another to their long list of victories by defeating the North Sydney team at that town last evening. The score stood six to two in favor of the Capitals.

## DEATH.

Died at the residence of her son-in-law, Sherman Crouse, Washburn, Artoostook County, March 16, Mrs. Abigail Clark, widow of the late Wm. Clark, in the 90th year of her age. Mrs. Clark was formerly a resident of Keswick.

## GOOD SKATING.

The recent mild weather, followed by last night's cold snap, has put the river in excellent condition for skating. The pupils of the High school were given a half holiday this afternoon that they might enjoy what will probably be the last skate of the season.

## HOUSEKEEPERS ARE LOOKING FORWARD.

Our housekeepers are naturally looking forward to Edgecombe's Second Saturday Sale in the Carpet Rooms and any anticipations they may have will surely be realized on that day. See their advertisement in this paper.

## AN EARLY RISER.

Hon. J. D. Hazen, who has a busy time these days steering clear of patriots, who are anxious to advise him as to how the province should be governed, turned up at his office in the departmental building this morning at 9.15 o'clock, ready for work. It is needless to say he beat out quite a number of the officials and surprised some others.

## DINED AT THE MESS.

Col. Lessard, Brigadier General Drury and Col. Wadmore, who are here inspecting the military depot, were entertained to dinner at the officer's mess last evening. The other guests in attendance were Lieutenant Governor Tweedie, J. A. Winslow, T. G. Loggie, T. C. Allen and John J. Bodkin. The function was a very enjoyable one and did not break up until a late hour.

## MILITARY INSPECTION.

Col. Lessard and Brigadier General Drury finished their inspection of No. 1 regimental depot today and will leave for their homes this evening. They were greatly delighted with the French class now undergoing a course of instruction, and warmly complimented Sergeant Instructor Lavoie. The company was inspected on parade this morning and the officers afterwards made an inspection of the barracks premises.

## FIRE COMMISSIONERS MEET.

The St. Mary's Fire Commissioners held a meeting on Monday evening, and elected twelve firemen to serve for the ensuing year. Mr. A. W. Coombes was elected Captain of the company, and Mr. Walter Crouse assistant captain. A committee was appointed to prepare an act to be introduced at the next session of the legislature for the purpose of giving the commissioners power to increase the debentures from ten to fifteen thousand dollars.

## U. N. B. TEAM WON.

## Defeated St. John Algonquins in Basket Ball Game.

The U. N. B. basketball team won a close game from the Algonquins in the A. A. A. rooms in St. John last evening. The score stood 29-28. The game was close throughout, and the Algonquins at times looked like sure winners but a neatly drawn basket by Rigby turned the tide in favor of the university.

The Algonquins established a lead in the first half of the game, but the college men worked hard and at half time the score stood 12-10 in the Indians' favor.

In the second half the teams scored alternately and the excitement was intense. George Emery refereed and was sharp on fouling.

Rigby was the star for U. N. B., and Chase and Thorne showed up well for the Algonquins. The teams were:

U. N. B. Forwards. Algonquins.

Rigby ..... C. McIntyre

Smith ..... Chase

Centre.

Alexander ..... Thorne

Defence.

Grant ..... Finley

McNight ..... Roberts

Hon. Robt. J. Ritchie, police magistrate, St. John, is a guest at the Queen Hotel.

## THE 71st FOR QUEBEC

## Crack York Regiment to take Part in Tercentenary Celebration.

The 71st York Regiment will be represented at the Tercentenary celebration at Quebec in July next.

At a meeting of the officers of the corps held at the Queen Hotel yesterday afternoon, it was decided to accept the offer to send half the regiment to take part in the celebration. Four companies will be made up of the best men that can be picked in the regiment.

St. Stephen and Fredericton Junction will furnish one company, Milltown and Burr's Corner one, Stanley and Marysville, another, and Fredericton will furnish the remaining company. The men will be chosen from those who have attended at least two camps, and the minimum height will be 5 feet, 7 inches.

The staff will be composed of Lt. Col. Chipman, Major McLeod, Major Gray, Adj. Wright and Surgeon Wainwright, and the company commanders will be Captains Thomas, Murray, Osbourne and Laughlin.

Eight lieutenants will also go along with the regiment, but it has not yet been decided who will be chosen.

The regiment will leave here on July 20th, and will travel by C. P. R. They will remain at Quebec eight days, and will camp at Point Lewis.

The 71st Band will accompany the regiment, and an effort will be made between now and July to bring the band up to an efficient standard, so that it will be one of the best bands taking part.

New equipment, including fancy sweaters and other regalia for drilling will be provided, and the old 71st will no doubt compare favorably with any militia regiment that will be present at the ancient capital.

## TEMPLE.

March 20—Miss Walter H. Patterson died at her home on the 8th inst. aged 69 years, besides an aged husband she leaves 7 sons and one daughter, as follows: Frank, a teacher in a college in Cincinnati, Bruce and George in Minneapolis, Duncan in Southampton and Robert of this village with Elson, Walter and Gertrude residing at home.

The late Mrs. Patterson had been in poor health for some time and her death was not unexpected. The funeral services were conducted by Rev. A. Rutledge. The pall bearers were four sons of the deceased.

The Spring term of our school opened on the 1st and is in charge of Miss Eliza Ingraham of Southampton.

We are having some fine Springlike weather at present making the snow disappear very quickly and carriages take the place of sleighs.

Mr. George Grant of Houlton, Me., was a recent visitor to this place.

Mrs. David Phillips and son Derall and Mr. and Mrs. Wepdell Phillips and family of Green Bush were guests of Mrs. R. D. Dyer, Tuesday.

Mr. Charles Olits of Vancouver, B. C., and William James Olits of Woodstock, were guests of Mr. and Mrs. W. T. Hatfield quite recently.

The Messrs. Grant and Patterson are busily engaged in cutting up the summer's wood.

Mr. and Mrs. Abraham Hillman have gone to Canterbury for a few days visit.

Rev. A. Rutledge has commenced a series of meetings in the United Baptist Church in Southampton.

## THE HIGHWAY BRIDGE.

The steel for the new spans of the highway bridge has all arrived, and good progress is being made at the works. A night crew will be put on this week, and the work will be pushed along as rapidly as conditions will allow. The bridge will not be open for foot passengers for some days, and in the meantime those who cross seriously interfere with the men at work, and also cross at their own risk, as those in charge of the work will not be responsible in case of accidents.

## DISTINGUISHED VISITOR.

Hon. Benjamin Russell, Judge of the Supreme court of Nova Scotia, is among the guests at the Queen Hotel, and will act as one of the judges at the intercollegiate debate at the opera house this evening. Justice Russell, was for many years one of the leading lawyers of the sister province, and represented the counties of Halifax and Hants in the Dominion parliament in the Liberal interest. This is his first visit to Fredericton, and like the ordinary run of visitors, he is much impressed with the beauty of the city.

## A PLEASANT SURPRISE.

Rev. Mr. Strout, pastor of the Adventist Church at St. Marys, and Mrs. Strout were treated to a pleasant surprise last evening, when a number of members of the Sabbath School called at their home and presented them with a glass water set. The evening was very pleasantly spent in games and amusement.

Many specimens of unconscious humor are received by the editors of that monumental work, the new Imperial Gazetteer of India. A district was said to be "an extensive rolling plain, consisting of alternate ridges of bare, stony hills and narrow fertile valleys." An interesting item of natural history was afforded by the remarks, "The buffalo differs from the cow in giving milk which is richer in butter-fat, in voice and in having no hump."

## HINDOO IMMIGRATION.

## Undesirables Must be Kept Out, Says Sir Wilfrid Laurier.

OTTAWA, March 24—In the Commons today, Dr. Sproule drew attention to a cable despatch from London quoting Obed Smith, assistant emigration agent, as saying that Canada was prepared to admit all but the very worst class of emigrants.

Hon. Mr. Oliver assumed that Mr. Smith had been misquoted, such a statement certainly did not represent the policy of the government.

Hon. Mr. Foster read a despatch reporting a meeting of Hindoos at Vancouver in which they protested against exclusion and deportation and a cable sent by them to Hon. John Money voicing their views. He asked if the Prime Minister would give the House a statement with reference to the Hindoos who are British subjects coming to Canada.

Sir Wilfrid Laurier explained that under the regulations of the Department of the Interior immigrants were not allowed to come in unless they were from the country of their origin. This regulation was not directed against Hindoos or any other people, but referred to all. It had been found necessary so as to provide machinery for keeping out undesirables, people who were physically unfit, insane, etc. If such people came from other than the country of their origin authorities the place they last came from would not receive them even if steamship companies did take them back.

Mr. MacLean (South York) asked if that meant that a Hindoo could not find in Canada if he did not come direct from India.

Sir Wilfrid replied that he might come via Hong Kong if his ticket was a through ticket so that steamship companies could be compelled to take him back if he was undesirable and the country of his origin would have to receive him.

Hon. Mr. Fielding said he expected that the report of the civil service commission would be laid on the table tomorrow.

On motion of Mr. Fielding a senate bill amending the Companies Act was read a third time and passed. It provides, he explained, that companies desiring to issue securities in foreign countries may do so in the currency of such countries. Such bonds, debentures or other securities shall not be for less than £20 sterling, 500 francs, 400 marks, "or for sums not less than the nearest equivalent in round figures of other money to one hundred dollars in Canadian currency."

On motion of Hon. Mr. Fisher, another senate bill, namely, that to amend the gold and silver marking act, was also read a third time and passed. It postpones the time for coming into effect of the measure until March 30, 1909. This has been done at the request of the trade. If the session should be a long one, however, there might be a possibility of harmonizing varied views and bring the measure into force this year.

Hon. Mr. Aylesworth's measure amending the Supreme Court act by rearranging the order in which appeals are to be heard was read a third time and passed.

In order to meet the contingencies of the new fiscal year, the house concurred in the sum of \$14,260,000 so far voted in committee of supply and in one-eighth of the balance. The supplementary estimates were then taken up in committee.

In supply tonight on a vote of \$200,000 for the Halifax Intercolonial terminals, Mr. Graham stated this work would cost \$1,019,000. There had been \$520,000 spent and \$500,000 had been voted. The total expenditure on these terminals was \$3,754,188. On an item of \$80,000 for rolling stock, Mr. Graham stated that 20 steel coal cars were being purchased from P. and O. and Curv.

The house adjourned at midnight.

## GANS AND THE BOER.

NEW YORK, March 19—Rudolph Unholz, the fighting Boer, and Joe Gans are to battle for the lightweight championship of the world in the near future. These fighters met in a downtown newspaper office yesterday afternoon and after a short talk it was agreed by Gans that he would give Unholz the first chance at the title should a purse be offered for the bout.

After being introduced to Gans, Unholz came straight to business and told the champion that he wanted to fight him. Gans, with the old smile of his that can be taken to mean quit kidding, said that he was ready to fight, but that he wanted to fight for money, not for fun. Then Unholz sprang his trump card, a promise of Jim Coffroth, the "Frisco" fight promoter, to put on the match as good as made.

On one thing that can prevent the fight taking place is the refusal of Coffroth to come through with the purse.

Gans announced that there was no truth in the report sent out that he was to fight Attell on March 31st. Gans said he was too busy with his theatrical work to think of fighting the featherweight champion, and that did not think the match would draw, anyhow.

It now appears that Messrs. Robison and Young, M. P. P.'s strongly supported Mr. Pinder in his efforts to land a portfolio in the Hazen cabinet. Looks as if the Solicitor General will have to go it alone in the future.

Mr. David Wood of Woodstock is here today.

The funeral of the late William Vanwart, Fredericton, took place last Saturday. Dr. McLeod conducted the service in the Burden church, and preached an able sermon from the text Acts 11:24. Mr. Vanwart was a resident of this place for a number of years, and was highly respected by all who knew him.

Mr. Jas. M. Miller, Dumfries, has sold his valuable farm at that place, and is moving this week to his new home in Prince William, the residence of the late Dr. Coy.
