THE CURREY CASE.

An Emphatic Denial to Charge's Preferred
by Dr. Currey.

St. John, July 29.—(Special)—
Emphatic denials were made by
Mrs. J. A. Currey in the hearing of
the divorce case this morning of the
charges preferred by Dr. Currey in
his evidence. The court resumed at
11 o'clock with Mr. Justice McKeown
presiding. Miss Graham, formerly a
nurse girl in the Currey household,
gave testimony that Mrs. Currey
had acted kindly in the treatment of
the children. Currey had often enter-
ed the house with the smell of al-
cohol on his breath.
Mr. Geo. H. Clark told of unfriend-
ly relations between Dr. and Mrs.
Currey at Woodman's Point.
Mrs. Currey spent nearly an hour
on the stand and in her examination
denied using Currey in anything but
a civil manner.
The case adjourned until this after-
noon at 2.30 o'clock.

MOTERMAN TO BLAME.

Street Railway Employee at Winnipeg Indicted
For Manslaughter.

Winnipeg, July 29.—The Coroners
jury in the case of Enoch Rees and
Ernest Illette, crushed between
street cars on devil strip, corner of
Logan and Main streets Sunday have
blamed motorman Thos. Taylor for
the accident, declaring him to be in-
competent and they censured the
Street Railway Co., for employing
an incompetent motorman. As a re-
sult Taylor yesterday was indicted
for manslaughter and sent up for
trial at the assizes. An action has
been entered against the street Rail-
way on behalf of Rees' heirs for
\$10,000 damages.

THE ST. JOHN RIVER

International Commission Hears Some Very Important
Evidence.

The International Commission ap-
pointed to investigate conditions
along the St. John River, met this
morning in the Supreme Court Cham-
ber. The chairman, Mr. A. P. Barn-
hill, K. C., presided and the other
members, Hon. George A. Murchie,
of Calais, Mr. P. C. Keegan, of Van-
Buren, and Mr. John Keefe, of St.
John, were in their places.
Messrs. A. J. Gregory and W. P.
Jones, K. C., appeared as counsel for
the Canadian Commissioners, and
Hon. O. F. Fellows, Bangor, ex-speaker
of the Maine Legislature, was present
as counsel for the American commis-
sioners. Mr. Harold Murchie
of Calais is the secretary to the commis-
sion.
While the tribunal is a very import-
ant one, the members do not consid-
er themselves bound to follow the
hard and fast rules prescribed for a
court of justice consequently some of
them shed their coats this morning
in an effort to keep cool. The court
room had a much more democratic
and unconventional appearance than
usual.
Mr. Gregory offered in evidence the
act incorporating the Fredericton
Boom Company passed in April, 1884.
He read some sections of it to the
court and the stenographer was in-
structed to make copies for the com-
mission. Acts subsequently passed by
the Legislature in amendment of the
original act and defining the powers
of the company, were also ad-
mitted as evidence.
Mr. Gregory also put in evidence an
act of assembly passed in April, 1886,
incorporating the St. John River Log
Driving Company. He read a section
which set forth that all persons who
had logs or timber coming down the
St. John river, who filed a statement
with the directors were entitled to
membership in the company and had
the right to vote at the annual meet-
ing.
In reply to Mr. Fellows, Mr. Greg-
ory stated that the company had the
exclusive right to drive the river from
Grand Falls to the boom limits and
also from the boundary line on the
Aroostook. This, of course, did not
apply to rafted logs.
Mr. Lewis Bliss, in reply to a ques-
tion by Mr. Murchie, explained that
the people along the river had the
same rights now in regard to rafting
logs as they enjoyed prior to the ab-
sorption of the business of the Freder-
icton Boom Company by the St. John
River Log Driving Company.
An Act passed in 1907 vesting the
property of the Fredericton Boom
Company with the St. John River
Log Driving Company was put in
evidence and its provisions explained
by Mr. Gregory.
Mr. Gregory also put in evidence
the act passed last session consoli-
dating the various acts relating to
the companies.
MR. L. H. BLISS,
Manager of the St. John River Log
Driving Company, was the first wit-
ness called. He was examined by
Mr. Gregory in regard to river con-
ditions between Grand Falls and Fred-
ericton and gave very good evidence.
He spoke of the difficulties experi-
enced in driving logs over the White
Rapids and also at the mouth of the
Aroostook and Muncie. The river was
rocky at these places. From two
to three feet of water at White Rap-
ids would permit driving. This
would be above low water and even
then it would be poor driving and

JUDGE BARRY HONORED.

Presented With an Address and Gold Head-
ed Cane by Local Hibernians.

His Honor Judge Barry was pre-
sented with a congratulatory address
and gold headed cane at St. Dun-
stan's Hall last evening by the Fred-
erickton Division of the Ancient Order
of Hibernians in honor of his recent
appointment to the Supreme Court
Bench.

Mr. James P. Farrell, president of
the Hibernians, made the presentation
in the presence of the members of
the order and a few other friends, in-
cluding Rev. Fathers Carney and
Ryan, Dr. McGrath, J. A. Hughes,
Dr. Phillip Cox and others. Prov.
Secretary J. R. McCloskey of St.
John was also present.

The address, which was handsomely
engrossed on parchment by Mr. Mc-

Mullin of the Crown Land Office, and
bound in Morocco, was as follows:

THE ADDRESS.

To the Honorable Jeremiah H. Barry
Judge of the Supreme Court of
New Brunswick,
May it Please Your Honor,

We, the Brotherhood of the Fred-
erickton Branch of the Ancient Order
of Hibernians, in whose membership,
(now numbering two hundred thou-
sand in Canada and the United
States), are enrolled progressive and
prominent young men of Irish parent-
age, desire to convey to your Honor
our hearty congratulations upon
your summons to a seat in the Su-
preme Judiciary of this province.

The profound respect in which our
Supreme Court of Judicature is held
in New Brunswick, and which has been
a steady growth since the Confedera-
tion of the provinces, is founded upon
a distinguished line of jurists who
both before and since the days of re-
sponsible government have brought
lustre to the bench of their native
province by their ability, integrity
and patriotism. It gives us pleasure,
therefore, to assure Your Honor of
the satisfaction with which we realize
that in your appointment to this high
office, the same worthy traditions
have been wisely maintained.

We all recognize that there is no
stronger tie to the true interests of
aident P. J. McManus, Halifax.

community than the capable and pro-
per administration of the laws of
the land, and we treasure the convic-
tion that the stability of our form of
government, and the contentment and
happiness of the people of the prov-
ince depend largely upon the confi-
dence reposed in our courts of jus-
tice.

To us, resident in the sphere of
your professional duties as a barris-
ter of the capital city, and who have
thereby been witnesses of your career,
it is a pleasure to bear testimony
that the elevation to such a responsible
position as Judge of the Supreme
Court is the due reward of merit, of
exemplary industry, of conscientious
and undeviating devotion to duty, and
of attainments by which you have en-
joyed for years a proud position be-
fore the provincial bar, all of which
are wreaths of honor for a self-made
man.

In this connection it is gratifying
to note that the same act of adminis-
tration which secures to our judiciary
the obvious advantages of a wide and
fitting legal experience, involving an
apt knowledge of men and affairs, as
well as of the law, is itself one of
these measures of justice that tend
to strengthen the spirit of unity bind-
ing British subjects everywhere to the
crown and constitution, in loyalty to
which the Fredericton Branch of the
A. O. H. yields to none.

We cherish the hope that, entering
upon your exalted station early in
life, Your Honor may have a long
and successful career and may find
the congenial duties devolving upon
you a labor of love.

In this desire we beg to assure your
Honor that we are not unmindful of
the kindly interest you have ever
manifested in the charitable work of
the Fredericton Hibernians. That our
organization has been enabled to live
up to its motto of Unity, Friendship
and Christian Charity, to minister to
those of our race who may at any
time while in the city be in sickness
or distress—we deem it is in no small
degree to your active sympathy in the
work of the Order since the occasion
twenty-two years ago when we had
the honor of selecting you for our
first president.

Thanking you for this valued inter-
est which we trust may be continued,
and wishing Your Honor every happi-
ness, we remain
Fraternally yours in Friendship,
Unity and Christian Charity
The Members of Division No. 1, A. O.
H., Fredericton, York, County.

JOHN TONAR,
Recording Secretary.

JAMES P. FARRELL,
President.

Judge Barry made a suitable reply
expressing his appreciation of the
kindness of the members of the Order
and reviewing the history of the
Hibernians in this city.

Judge Barry has been identified
with the Fredericton division of the
Order since its formation in 1887, and
was its first president. He has always
taken an active interest in the work.

During the evening telegrams of con-
gratulation were read by Vice-Presi-
dent Chas. O'Neill, from Matthew
Cummings, National President of the
Order at Boston, and Provincial Pres-
iding closer to the true interests of
aident P. J. McManus, Halifax.

THAW ON THE RACK.

Slayer of Stanford White Putting up Game
Fight For Freedom.

White Plains, N. Y., July 28.—
Harry K. Thaw's fate lay in his own
hands today. For six hours he oc-
cupied the witness-stand, while Dis-
trict Attorney Jerome, the man who
tried to send him to prison, and
who once previously thwarted an ef-
fort to release him from a criminal
insane asylum, delved into his life
history. Thaw emerged creditably
from the ordeal. Whatever Jerome
and his alienists may make of the
examination, to the eye and ear of
the layman, Sanford White's slayer
showed no signs of insanity on the
stand today.

Tonight Thaw, the members of his
family and his retinue of attorneys
and experts were unanimous in their
opinion that he has proved his fitness
to be at large. His friends believe
that if he acquit himself in the fu-
ture as well as he did today, Justice
Mills will have no choice but to grant
his application for release from Mat-
teawan.

ONLY GOOD NATURE DISPLAYED
Neither Thaw nor the New York
