BOERS PRAISE KING.

Transvaal Journal Compares Him With Wilhelm of Germany.

De Transvaaler, one of the leading Dutch papers in South Africa, in an article on "The British King," after emphasizing the nationality of the Boer race and language under the protection of the British flag, then proceeds:

"Apart from these considerations, the Dutch have special reason to respect the person of King Edward. His Majesty's conduct at the present moment stands out in magnificent contrast above that of the German Emperor, whose recent utterances have given us all a thorough insight into his Germanic Majesty's heart and inwardness.

"We have never known the King to utter anything that was ungentlemanly or in the least calculated to offend the feelings of the subjects of other monarchs, not to mention his own. His Majesty has too much good sense for that, and is too thorough a gentleman. Nor have we known him to play the Judas towards a people struggling for their independence and the freedom of their fatherland. He is too gallant a lord for that. We have not known him to place any of his Ministers in the painful position in which Prince Von Buelow finds himself, nor to make his nation a laughing-stock as the Kaiser has done.

"We deeply sympathize with the German nation. Their Emperor has done them a bad turn indeed. Comparisons are odious, and we have particular delight in making this comparison between the King of England and the Kaiser as odious as we can very well make it. The King fought us, and put us under. He did so in the face of the world. The Kaiser pretended to be our frend, and secretly he planned our destruction as a Republican nation.

"The Boers are not slow to notice this contrast between the two monarchs, and they silently bless God that they have at least no Kaiser's birthday to celebrate!"

THE WRONG NOTE.

Mozart's Outbreak at an Opera Performance at Marseilles.

Mozart, being once on a visit at Marseilles, went incognito to hear the performance of his "Villanella Rapita." He had reason to be tolerably well satisfied till in the midst of the principal aria the orchestra, through some error in the copying of the score, sounded a D natural where the composer had written D sharp. This substitution did not injure the harmony, but gave a commonplace character to the phrase and obscured the sentiment of the composer.

Mozart no sooner heard it than he started up vehemently and from the middle of the pit cried out in a voice of thunder, "Will you play D sharp, you wretches?"

Cables Firm—Hogs Steady at Buffalo and Chicago.

LONDON, May 27.—London cables for cattle are steady, at 13¼c per lb. for Canadian steers, dressed weight; refrigerator beef is quoted at 10c to 10¼c per lb.

Toronto Live Stock.

TORONTO, May 27.—The railways reported 130 carloads of live stock for Wednesday and Thursday, consisting of 2580 cattle, 2593 hogs, 521 sheep and lambs, 549 calves, and 4 horses.

Exporters.

Export steers sold at $5.80 to $6.25; bulls, $4.75 to $5.25; cows, $5 to $5.25.

Butchers.

Prime picked lots of heifers and steers sold at $5.75 to $6 per cwt., but it must be remembered that there were very few of these, the quality of which was equal to the best Christmas cattle. Loads of good, $5.25 to $5.65; medium, $5 to $5.25; common, $4.75 to $5; cows, $3.75 to $4.90.

Stockers and Feeders.

H. Murby reports trade in stockers and feeders as being light, in fact there were few offered. Mr. Murby during the week did not handle more than about three loads, which he bought at the following prices: Feeders, 1000 to 1100 lbs. each, at $4.75 to $5.50 per cwt.; feeders, 800 to 900 lbs. each, at $4.15 to $4.60; stockers, 500 to 700 lbs. each, at $3 to $3.75 per cwt.

Milkers and Springers.

There was a fair delivery of milkers and springers, that met a fairly strong market, as there was a demand for the Montreal trade. Prices ruled steady at $30 to $60 with one extra cow at over $70. James Armstrong & Son sold two car loads to Napoleon Deziel of Montreal.

Veal Calves.

Receipts of veal calves were large, over 500. Prices were easier on the average, at $3 to $5.50 per cwt.

Sheep and Lambs.

Receipts of sheep and lambs, especially spring lambs, are becoming larger. The quality of the bulk of spring lambs was not good; too many light skinny lambs with little flesh were on sale. Many drovers were unable to obtain what they paid for them in the country; the trade here will not pay the prices asked. Export ewes, $4.50 to $5 per cwt.; rams, $3.50 to $4 per cwt.; yearlings, $6.50 to $7 per cwt.; spring lambs, $3 to $5.50 each.

Hogs.

Prices firm at $8 for selects fed and watered, and $7.75 f.o.b. cars at country points.

More bread and Better bread
—And the Reason for it

A STRONG FLOUR can only be made from strong wheat. Manitoba hard wheat is acknowledged the strongest in the world—and that is the kind used for Purity Flour.

But that's not all. Every grain of this wheat contains both high-grade and low-grade properties. In separating the high-grade parts from the low-grade the Western Canada Flour Mills put the hard wheat through a process so exacting that not a single low-grade part has the remotest chance of getting in with the high-grade.

Of course this special process is more expensive to operate but it means a lot to Purity flour users—that's why we use it.

It means that Purity Flour is made entirely of the highest-grade flour parts of the strongest wheat in the world.

It means a high-class, strong flour and therefore yields "more bread and better bread."

Purity may cost a little more than some flours, but results prove it the cheapest and most economical after all.

RESISTED INVASION.

Official Kept U. S. Cruiser From Entering Lachine Canal.

Montreal, May 26.—There was excitement along the waterfront yesterday when the U.S.S. Nashville, an obsolete cruiser of the United States navy, steamed into port on her way to the great lakes, where she will be used as a training ship for the Illinois naval reserve.

When the Nashville attempted to poke into the first lock on the Lachine canal, the lockmaster refused to open the gates on the ground that the presence of the Nashville on the upper boundary waters between the United States and Canada would directly contravene the international treaty between the two countries. Captain Purdy of the Nashville claimed that Washington had already obtained the necessary permission from the Dominion. He also pointed out that his vessel was unarmed, but it was stated later that he intended to take on his guns, which are being sent overland, at Buffalo. Finally, through the intervention of the United States consul here, and an exchange of telegrams with Ottawa, the Nashville proceeded on her way yesterday afternoon.

After Eloping Couple.

Calgary, May 26.—Detective Roberts of Scotland Yard is in the city in pursuit of a pair of runaways from London, who are believed to be the principals in a sensational case of embezzlements and forgery.

Wilson Barnard, confidential clerk in the employ of Messrs. Stillwell & Co., Tottenham Court Row, London, and Mrs. Elizabeth Jennings, the handsome wife of a nephew of Mr. Stillwell, head of the firm, are the pair. Barnard is alleged to have eloped with the woman and $50,000 of the firm's money. They were traced to Liverpool, where they sailed for Montreal by the Dominion. Roberts took the Cunard steamer and arrived in Montreal one day too late.

ASTHMA CURED.

Mrs. Farndel, of Clementsport, N. S., suffered all her life from asthma, but was permanently cured by Catarrhozone after all other had ailed.

Mrs. Farndel's recovery affords overwhelming proof of what Catarrhozone will do. Nothing except Catarrhozone was of the slightest benefit, but when given a fair trial it cured.

Now perhaps you need something for your cold, or bronchitis or Asthma? Why not try Catarrhozone) Thousands have been cured by inhaling it a few times a day, and certainly it wouldn't do you any harm to profit by their experience.

Mrs. Farndel gives the following statement of her case for the benefit of others who are suffering from asthma, and hopes that many will follow her example and use Catarrhozone.

"I am now in my eightieth year, and cannot recall the time when I was free from Asthma. I had always a choking cough, feverishness, spasms, difficulty in breathing, headache and nausea. My druggist advised Catarrhozone one day, and I bought a large outfit. It gave relief in five minutes and helped me very much in one day.

"I inhaled Catarrhozone ten minutes every hour, and by the time two bottles were used I was completely cured. I am as free now from Asthma as if I never had it. My perfect recovery is due entirely to Catarrhozone. I prize my Catarrhozone Inhaler next to life itself.

(Sgd.) Mrs. T. Farndel."

This is proof positive that Catarrhozone is a sure and speedy cure for the worst kind of Asthma. It is guaranteed to give satisfactory results, and your money will be refunded if it fails. All you need is a trial of this grand preparation to be quite satisfied and convinced that it is the best. Your druggist recommends and sells it. Price $1.00, small size 50c. By mail from N. C. Polson & Co., Kingston, Ont.

A Protestant Party?

Peterboro, May 26.—The formation of what would be equivalent to a Protestant political party will be proposed at the meeting of the Orange Grand Lodge of British North American, which opens here to-day. The British Columbia delegates—Messrs. J. W. Whiteley and J. J. Tulk—will present the following resolution recently passed by the Grand Lodge of British Columbia:

"That this R. W. Grand Lodge of British Columbia, now assembled, memorialize the M.W. Grand Lodge of British America to draw up a Protestant platform without delay, suitable for the objects of our association, for the purpose of presenting to candidates for municipal, provincial and Federal honors."

A Down Hill Career.

Portland, Me., May 26.—Frederick C. Benjamin, a young man, who, according to the story told the court, is a member of a prominent and highly respected family in England, was sentenced to a 10-year term for larceny.

Benjamin's career of lawlessness began when he was arrested for a trivial offence in his native town. Fearing disgrace, he fled to Canada. From Nova Scotia he journeyed to Toronto. There, without funds, he sought work. His efforts to lead a right life being fruitless, he began to steal in a small way and later became a hardened criminal, known under the name of "Bill Sykes," professional tramp and thief.

More Members of Annanias Club.

Naisobe, B.E.A., May 26.—Theodore Roosevelt, in an official statement says: "Any special despatches appearing are in all human probability sheer inventions. Moreover, the details which purport to be thus obtained can only be due to bribery, and it is safe to state that a dishonorable man giving a bribe and a dishonorable man accepting the same would be willing to invent untruth for money for traffic in other forms of dishonor."
